### **mDesign 6206MDK**

## **mDesign Plastic Stackable Divided Storage Organizer User Manual**

Model: 6206MDK | Brand: mDesign

### **INTRODUCTION**

---

Thank you for choosing the mDesign Plastic Stackable Divided Storage Organizer. This set includes one tea bag organizer and one coffee pod organizer, designed to help you neatly store and organize your favorite beverages in your kitchen cabinets, pantry, or on countertops. Their clear design allows for easy visibility of contents, and the stackable feature maximizes vertical storage space.

*Image: The mDesign Stackable Divided Storage Organizer set, featuring both the coffee pod and tea bag organizers. The coffee pod organizer is shown with various coffee pods, and the tea bag organizer is filled with different tea bags, demonstrating their clear design and organizational capabilities.*

## SETUP

---

### Unpacking

Carefully remove both organizers from their packaging. Inspect each unit for any signs of damage. If any damage is found, please contact customer support immediately.

### Initial Cleaning

Before first use, wash both organizers with mild soap and water. Rinse thoroughly and dry completely with a soft cloth. Do not use abrasive cleaners or scrubbers, as these may scratch the plastic surface.

## OPERATING INSTRUCTIONS

## Using the Coffee Pod Organizer

The coffee pod organizer is designed to hold up to 24 standard-sized coffee pods. It features a removable tray with individual compartments for easy access and organization. Simply place your coffee pods into the designated slots. The hinged lid helps keep contents fresh and protected from dust.

*Image: The coffee pod organizer, filled with a variety of coffee pods, is positioned next to a coffee machine on a kitchen countertop, illustrating its practical use in a beverage station.*

## 15 COMPARTMENTS

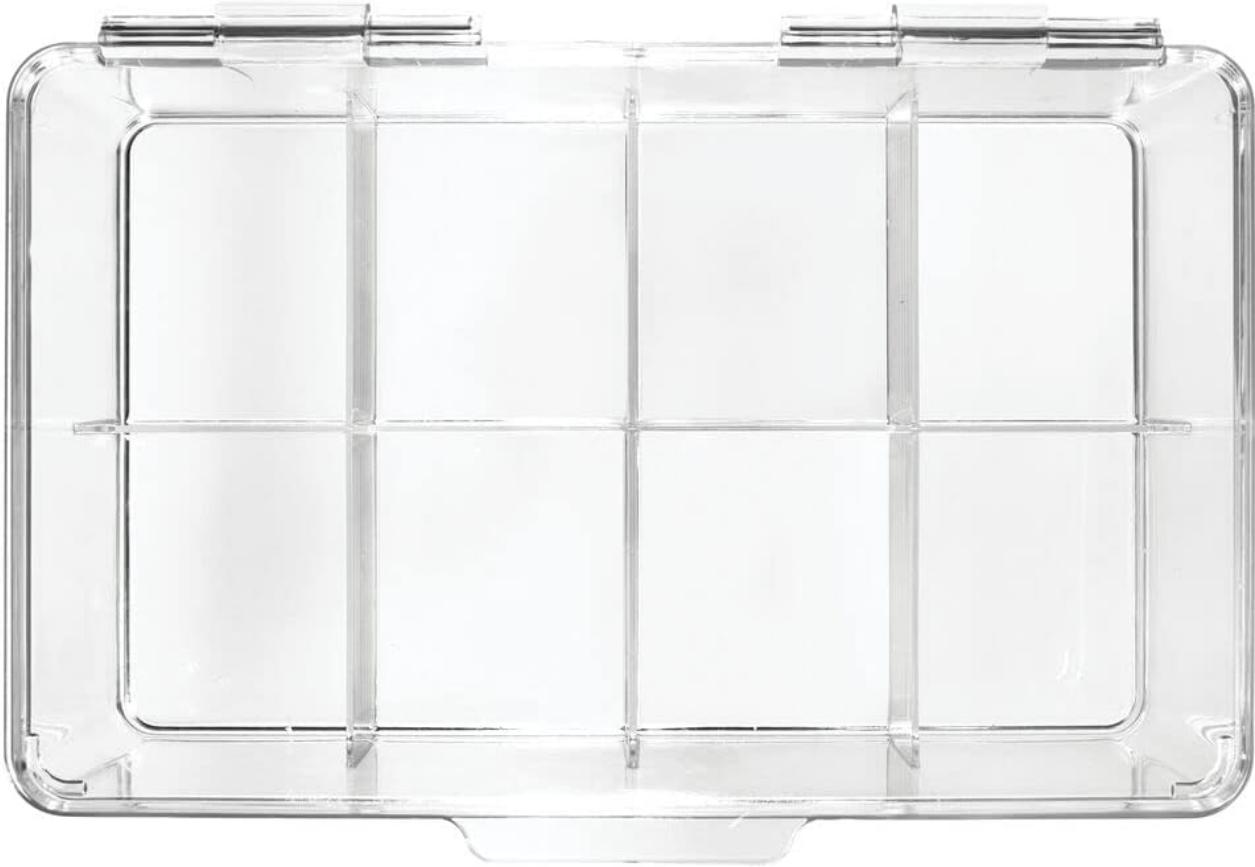

*Image: A detailed view of the coffee pod organizer highlighting its 15 individual compartments, designed to securely hold coffee pods.*

### Using the Tea Bag Organizer

The tea bag organizer features 8 generously sized compartments, perfect for sorting and storing various types of tea bags, sugar packets, or other small beverage accessories. The hinged lid provides protection and keeps contents tidy.

*Image: The tea bag organizer, neatly arranged with various brands of tea bags, is shown on a kitchen shelf, demonstrating its effectiveness in organizing tea collections.*

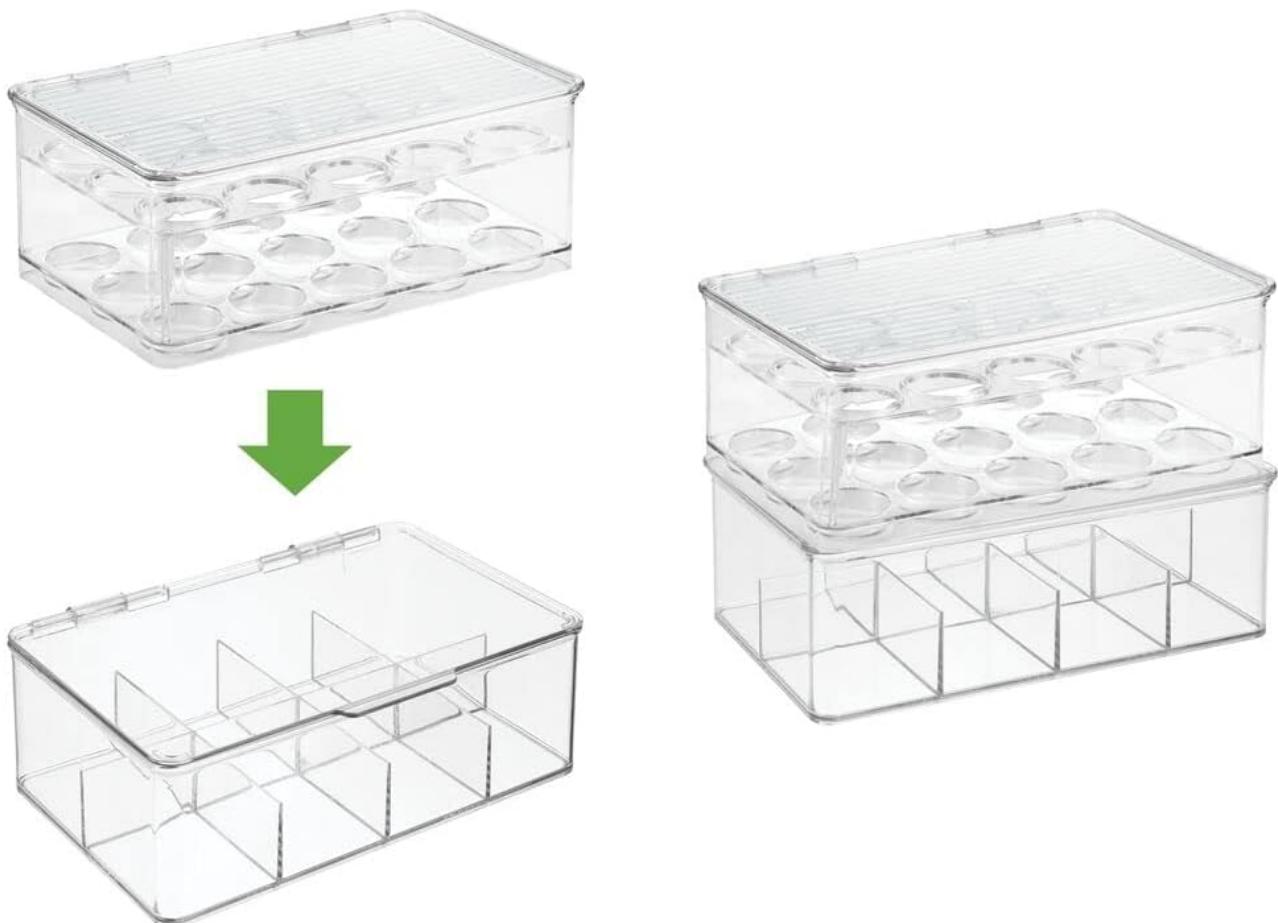

## 8 COMPARTMENTS

*Image: An overhead perspective of the tea bag organizer, clearly displaying its 8 divided compartments, ideal for categorizing different tea flavors.*

### Stackable Design

Both organizers are designed to be stackable, allowing you to create vertical storage solutions. The coffee pod organizer can be placed on top of the tea bag organizer, or vice versa, depending on your preference and space requirements. This feature is ideal for maximizing space in smaller areas.

## STACKABLE STORAGE

*Image: A visual representation demonstrating the stackable nature of the organizers, showing how they can be securely placed one on top of the other to save space.*

### MAINTENANCE

---

#### Cleaning

To clean the organizers, hand wash with mild soap and cool water. Do not place in a dishwasher, as high temperatures can cause warping or damage to the plastic. Air dry or wipe with a soft cloth. Avoid using harsh chemicals or abrasive cleaning tools.

### TROUBLESHOOTING

---

#### Common Issues

- **Lid not closing properly:** Ensure no items are obstructing the hinge or the closing mechanism. Check for any debris caught in the lid's edge.
- **Product appears scratched or damaged upon arrival:** If the product arrives damaged, please refer to the 'Warranty and Support' section for assistance.

- **Items do not fit:** Verify the dimensions of your items against the organizer's compartment sizes. The coffee pod organizer is designed for standard pods, and the tea organizer for standard tea bags.
