Homemory HMCLTLPNB-24

Homemory 24Pcs Flickering Flameless LED Tea Lights Instruction Manual

Brand: Homemory | Model: HMCLTLPNB-24

1. INTRODUCTION

Thank you for choosing Homemory Flickering Flameless LED Tea Lights. These battery-operated candles are designed to provide a warm, flickering glow, mimicking traditional candles without the associated fire hazards, smoke, or melted wax. Ideal for various decorative purposes, they offer a safe and convenient lighting solution for indoor and outdoor settings.

2. PRODUCT FEATURES

- **Realistic Flickering Warm Glow:** Designed with a melting edge and a warm, flickering LED to create a cozy ambiance.
- **Extended Battery Life:** Each tea light provides over 200 hours of illumination from a 240mAh battery, significantly longer than traditional wax tea lights.
- **Safety and Convenience:** Eliminates fire hazards, smoke, and wax mess, making them safe for use around children and pets.
- **Reliable & Secure:** Rigorously tested with UN38.8 internationally certified batteries and healthy polypropylene materials, featuring a secure battery cap design.
- **Versatile Application:** Sized at 1.5" Dia x 1.3" H, suitable for most tea light/votive holders and wall sconces. Perfect for weddings, parties, anniversaries, Halloween, and Christmas.

3. WHAT'S IN THE BOX

- 24 x Homemory Flickering Flameless LED Tea Lights (with pre-installed Lithium Metal batteries)

4. SETUP INSTRUCTIONS

Your Homemory LED Tea Lights come with batteries pre-installed and are ready for immediate use. No assembly is required.

4.1. Initial Use

1. Carefully remove the tea lights from their packaging.

2. Locate the ON/OFF switch on the bottom of each tea light.
3. Slide the switch to the 'ON' position to activate the flickering light.

Image 4.1: Dimensions and the battery compartment with ON/OFF switch located at the bottom of the tea light.

5. OPERATING INSTRUCTIONS

Operating your Homemory LED Tea Lights is straightforward:

- To turn a tea light **ON**, slide the switch on its base to the 'ON' position.
- To turn a tea light **OFF**, slide the switch on its base to the 'OFF' position.

6. MAINTENANCE

6.1. Battery Replacement

Each tea light uses one CR2032 Lithium Metal battery. When the light dims or stops flickering, it's time to replace the battery.

1. Turn the tea light upside down.
2. Locate the battery compartment cover. It typically has a small latch or screw.
3. Open the compartment (some models may require a small screwdriver).
4. Remove the old CR2032 battery.
5. Insert a new CR2032 battery with the positive (+) side facing up.
6. Securely close the battery compartment.

Note: Ensure the battery compartment is tightly closed to maintain the product's integrity and prevent accidental ingestion of batteries, especially by children.

6.2. Cleaning

To clean your tea lights, gently wipe them with a soft, dry cloth. Do not use abrasive cleaners or immerse them in water, as they are not waterproof.

7. TROUBLESHOOTING

- **Tea light does not turn on:**

- Ensure the ON/OFF switch on the bottom is in the 'ON' position.
- Check if the battery is correctly installed with the positive (+) side facing up.
- Replace the battery with a new CR2032 battery.

- **Light is dim or flickers inconsistently:**

- The battery may be low. Replace with a new CR2032 battery.

8. SPECIFICATIONS

Feature	Detail
Brand	Homemory
Model Name	HMCLTLPNB-24
Color	Warm White Glow – White Body
Material	Polypropylene
Product Dimensions	1.5"D x 1.5"W x 1.3"H
Item Weight	0.48 ounces (per tea light)
