

iTouchless DZT13P-7

iTouchless 13 Gallon Stainless Steel Kitchen Trash Can

Model: DZT13P-7

PRODUCT OVERVIEW

This iTouchless 13 Gallon Stainless Steel Kitchen Trash Can is designed for convenience and hygiene, featuring a touchless motion sensor lid and an integrated AbsorbX Odor Filter to maintain a fresh environment. Its durable stainless steel construction ensures longevity and easy maintenance, making it a perfect addition to any kitchen or office space.

PACKAGE CONTENTS

- Retainer Ring
- AbsorbX Odor Filter
- Deodorizer Compartment
- User Manual (Digital version available via link)

SETUP GUIDE

Powering Your Trash Can

Your iTouchless trash can can be powered by either 4 D-size batteries (not included) or an optional AC Adapter (sold separately).

Image: Four D-size batteries and an AC adapter, illustrating the two power options.

Installing the AbsorbX Odor Filter

Locate the deodorizer compartment inside the lid. Insert one AbsorbX Odor Filter into the compartment. This filter helps absorb and neutralize trash odors.

Inserting the Trash Bag

Place the trash bag around the retainer ring. Lower the retainer ring with the bag into the trash can, ensuring the bag is securely held in place.

OPERATING YOUR iTOUCHLESS TRASH CAN

Touchless Operation

The trash can features a motion sensor for hands-free operation. Simply wave your hand over the sensor located on the lid, and the lid will automatically open. It will close automatically after a few seconds of inactivity.

100% TOUCHLESS LID

Manual Open and Close

For extended opening or manual control, press the "OPEN" button on the lid. To close the lid manually, press the "CLOSE" button.

Your browser does not support the video tag.

VisioSense and Reflex Technology

The VisioSense technology ensures the lid remains open for longer clean-ups when needed. Reflex Technology prevents the lid from closing on your hand, enhancing safety during use.

CARE AND MAINTENANCE

Cleaning the Trash Can

The stainless steel surface is fingerprint-proof and easy to clean. Use a soft, damp cloth and mild detergent to wipe down the exterior. Avoid abrasive cleaners.

Replacing the AbsorbX Odor Filter

For optimal odor control, replace the AbsorbX Odor Filter every three months or as needed. You can sign up for free text message reminders for filter replacement.

TROUBLESHOOTING

For detailed troubleshooting steps and solutions to common issues, please refer to the official Troubleshooting Guide.

[Download Troubleshooting Guide \(PDF\)](#)

Common Issues

- **Lid not opening/closing:** Check battery power or AC adapter connection. Ensure the sensor is clean and unobstructed.
- **Lid closing too quickly:** Verify no objects are near the sensor that might trigger it to close.
- **Odor persists:** Replace the AbsorbX Odor Filter. Ensure the trash bag is properly sealed and the lid closes completely.
