ZINUS AZ-ASMPCH-15F

ZINUS Korey Metal Platform Bed Frame with Upholstered Headboard (Full)

Model: AZ-ASMPCH-15F

1. IMPORTANT SAFETY INFORMATION

- **Caution:** Be aware of sharp edges during assembly and handling.
- Do not store heavy items under the bed frame as this may compromise stability.
- Always follow assembly instructions carefully to ensure the bed frame is stable and secure.
- Regularly inspect all connections and components for any signs of wear, damage, or loosening. Tighten bolts as necessary.
- This product is designed for adult use.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present. All parts, tools, and instructions are shipped in one efficiently packed box.

Image: All components included in the package, laid out for inspection.

The package includes:

- Metal frame components
- Upholstered headboard panel
- Wooden slats
- Assembly hardware (bolts)
- Assembly tools (ratchet wrench)
- Instruction manual

Image: The specialized ratchet tool and bolts provided for assembly.

3. SETUP AND ASSEMBLY

Assembly of the ZINUS Korey bed frame is designed to be straightforward and typically takes less than an hour with two people. All pieces are numbered for easy identification.

Assembly Steps:

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Refer to the parts list in the included manual to identify each piece.
2. **Assemble Frame:** Connect the main metal frame components using the provided bolts and ratchet tool. Ensure all connections are secure but do not overtighten until the frame is fully assembled.
3. **Attach Headboard:** Secure the upholstered headboard panel to the main frame.
4. **Install Slats:** The wooden slats are connected by a fabric strap. Roll out the slat system onto the assembled frame. The slats feature a hook-and-loop (Velcro) system that attaches to corresponding strips on the side rails, preventing movement.

5. **Secure Mattress:** Two slats include anti-slip tape to help keep your mattress in place and prevent sliding. Remove the protective film from these strips before placing your mattress.
6. **Final Tightening:** Once the entire frame is assembled, go back and securely tighten all bolts.

4. OPERATING AND FEATURES

The ZINUS Korey Metal Platform Bed Frame is designed for reliable mattress support and efficient space utilization.

- **Mattress Support:** The reliable wooden slats are engineered to support various mattress types, including latex, memory foam, or spring mattresses, eliminating the need for a box spring.
- **Under-Bed Storage:** The frame provides 12 inches of clearance underneath, offering ample space for storage.
- **Weight Capacity:** The durable steel framework supports a maximum weight capacity of 700 lbs for the Full size.
- **Upholstered Headboard:** Features a grey, foam-cushioned upholstered headboard for added comfort and aesthetic appeal. The upholstery is made from polyester fabric.

5. MAINTENANCE

Proper maintenance ensures the longevity and continued stability of your bed frame.

- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten any loose hardware to maintain structural integrity.
- **Cleaning the Metal Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Upholstered Headboard:** For general cleaning, vacuum the upholstered headboard with an upholstery attachment. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner according to its instructions, testing on an inconspicuous area first.
- **Avoid Excessive Moisture:** Keep the bed frame in a dry environment to prevent rust or damage to the wooden slats and upholstery.

6. TROUBLESHOOTING

If you encounter any issues with your ZINUS Korey bed frame, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all bolts on the frame, especially those connecting the side rails and legs. Ensure the wooden slats are properly seated and the Velcro is fully engaged.
- **Instability/Wobbling:** Verify that all bolts are securely tightened. Ensure the bed frame is placed on a level surface. Uneven flooring can cause wobbling. Check that all frame components are correctly aligned according to the assembly instructions.
- **Mattress Sliding:** Ensure the anti-slip tape on the wooden slats is clean and making good contact with the mattress. If the tape has lost its effectiveness, consider replacing it or using a non-slip mattress pad.
- **Missing Parts/Damaged Components:** If you find any parts missing or damaged upon unboxing, do not proceed with assembly. Contact ZINUS customer support immediately for assistance.

7. SPECIFICATIONS

Dimension & Capacity

Image: Key dimensions and weight capacity of the bed frame.

Feature	Detail
Brand	ZINUS
Model Name	Korey Metal Platform Bed Frame with Upholstered Headboard
Model Number	AZ-ASMPCH-15F
Size	Full
Product Dimensions (L x W x H)	75.5" x 53.5" x 38"
