2. Safety Information

Please read and understand all safety instructions before allowing children to use this product. Keep this manual for future reference.

- **Recommended Age:** This product is suitable for children aged 3 years and older.
- **Choking Hazard:** The set contains small parts which may pose a choking hazard for children under 3 years. Adult supervision is recommended for all ages.
- **Material Safety:** The blocks are made from natural wood. Ensure children do not put blocks in their mouths excessively.
- **Inspection:** Before each use, inspect all blocks for any damage, splinters, or loose pieces. Discontinue use if any damage is found.

3. Package Contents

The Goki 58532 set includes:

- Assorted natural wood building blocks (quantity: 1 set, containing multiple individual blocks).

4. Setup

The Goki 58532 building blocks require minimal setup.

1. Unpack all blocks from their packaging.
2. Inspect each block for any manufacturing defects or damage from shipping.
3. Arrange the blocks on a clean, flat, and stable surface suitable for play.

5. Operating Instructions

The Goki 58532 building blocks are designed for open-ended creative play. There are no specific 'operating' steps, but rather guidelines for engaging with the toy.

- **Free Play:** Encourage children to stack, balance, and arrange the blocks in any way they imagine. This fosters creativity and problem-solving skills.
- **Structured Building:** Use the blocks to construct specific shapes, structures, or objects. Examples include vehicles, animals, bridges, or abstract designs.
- **Educational Use:** The blocks can be used to teach basic concepts of geometry, balance, and physics through hands-on experimentation.

Image 5.2: A detailed wooden bridge structure constructed using the Goki building blocks, highlighting architectural possibilities.

Image 5.3: An abstract, visually dynamic design formed by arranging the Goki building blocks in a swirling pattern.

6. Maintenance

Proper care will ensure the longevity of your Goki building blocks.

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Do not soak blocks in water, as this can cause the wood to swell or warp.
- **Drying:** Allow blocks to air dry completely before storing.
- **Storage:** Store blocks in a dry place away from direct sunlight and extreme temperatures to prevent warping or fading.

7. Troubleshooting

If you encounter any issues with your Goki building blocks, please refer to the following:

- **Damaged Blocks:** If any blocks are splintered, cracked, or otherwise damaged, discontinue use immediately to prevent injury.
- **Missing Pieces:** While the set is sold as a single unit, if you believe pieces are missing upon initial inspection, please contact customer support.
- **Warping:** If blocks show signs of warping, ensure they are stored in a stable environment away from moisture and temperature fluctuations.
