M-Wave 122484

M-Wave Bicycle Seat Bag Instruction Manual

Model: 122484

INTRODUCTION

Thank you for choosing the M-Wave Bicycle Seat Bag. This durable nylon seat bag is designed to provide convenient storage for your cycling essentials. It features a secure clip-on bracket, an expandable main compartment, and reflective strips for enhanced visibility. This manual provides detailed instructions for proper installation, use, and maintenance of your seat bag.

1. SETUP AND INSTALLATION

The M-Wave Bicycle Seat Bag utilizes a black clip-on bracket for secure attachment to your bicycle's seat rails. Follow these steps for proper installation:

- 1. Identify Mounting Point:** Locate the seat rails under your bicycle saddle. The clip-on bracket is designed to attach to these rails.
- 2. Attach Bracket:** Position the black clip-on bracket onto the seat rails. Ensure it is securely fastened and clicks into place. Some brackets may require a tool for tightening; refer to the bracket's specific instructions if applicable.
- 3. Mount Seat Bag:** Align the corresponding attachment point on the top of the seat bag with the installed bracket. Slide the bag onto the bracket until it locks securely. You should hear or feel a click indicating it is properly seated.
- 4. Secure with Strap:** The bag also features a removable strap. Wrap this strap around the seat post and secure it to the bag to prevent swaying and provide additional stability.
- 5. Verify Security:** Gently pull on the bag to ensure it is firmly attached and does not wobble excessively. Adjust if necessary.

2. OPERATING INSTRUCTIONS

The M-Wave Bicycle Seat Bag is designed for practical use during your rides. Here's how to utilize its features:

- **Main Compartment:** The primary storage area is ideal for carrying essential items such as a multi-tool, spare tubes, a wallet, or a cell phone. Use the main zipper to open and close the compartment.
- **Expandable Storage:** For additional capacity, locate the expandable zipper at the bottom of the bag. Unzipping this section will increase the bag's height, allowing you to store larger items or more gear. The height expands from approximately 105 mm to 180 mm.
- **Reflective Strips:** The bag is equipped with reflective strips to enhance your visibility to others, especially in low-light conditions. Ensure these strips are clean and unobstructed for maximum effectiveness.

3. MAINTENANCE

Proper maintenance will extend the life of your M-Wave Bicycle Seat Bag:

- **Cleaning:** Wipe the bag with a damp cloth and mild soap to remove dirt and grime. Avoid harsh chemicals or abrasive cleaners, as these can damage the nylon material.
- **Drying:** Allow the bag to air dry completely before storing to prevent mildew. Do not machine wash or tumble dry.
- **Zipper Care:** Periodically check zippers for smooth operation. If they become stiff, apply a small amount of zipper lubricant.
- **Storage:** Store the bag in a cool, dry place away from direct sunlight when not in use.

4. TROUBLESHOOTING

If you encounter issues with your M-Wave Bicycle Seat Bag, consider the following:

- **Bag feels loose or wobbly:**
 - Ensure the clip-on bracket is fully engaged with the seat rails.
 - Check that the seat post strap is securely fastened and tightened.
 - Verify that the bracket itself is tightly secured to the seat rails (if adjustable).
- **Zipper is stuck or difficult to move:**
 - Check for any fabric caught in the zipper teeth. Gently pull the fabric away.

- Apply a small amount of zipper lubricant (e.g., silicone spray or wax) to the teeth.
- **Bag does not expand:**
 - Ensure the expandable zipper at the bottom of the bag is fully unzipped.

5. PRODUCT SPECIFICATIONS

Model Number:	122484
Brand:	M-Wave
Color:	Blue
Material:	Nylon
Mounting Type:	Seat Mount (Clip-on Bracket)
Capacity:	1.5 Liters
Closure Type:	Zipper
Item Dimensions (L x W x H):	7.09"L x 4.53"W x 4.13"H (180 x 115 x 105 mm)
Expanded Height:	Up to 7.09" (180 mm)
Item Weight:	0.2 Kilograms
UPC:	887539009212

6. WARRANTY INFORMATION

The M-Wave Bicycle Seat Bag is covered by a **Limited Warranty** provided by the manufacturer, Cycle Force Group. This warranty typically covers defects in materials and workmanship under normal use. For specific details regarding the terms, conditions, and duration of your warranty, please refer to the warranty documentation included with your purchase or contact M-Wave customer support.

7. CUSTOMER SUPPORT

For further assistance, questions, or to report any issues with your M-Wave Bicycle Seat Bag, please contact M-Wave customer support. You can typically find contact information on the M-Wave official website or through the retailer where you purchased the product. Please have your product model number (122484) and purchase details ready when contacting support.
