# Lixada Bicycle Rear Rack Seat with Backrest Instruction Manual

Model: HJK0564207657784OX

## INTRODUCTION

Thank you for choosing the Lixada Bicycle Rear Rack Seat with Backrest. This manual provides essential information for the safe and correct installation, operation, and maintenance of your new bicycle accessory. Please read this manual thoroughly before use and retain it for future reference.

This product is designed to provide a comfortable and secure seating option for a passenger on the rear rack of most standard bicycles. It features a durable PU leather surface, thick sponge padding for comfort, and a backrest for added safety.

## IMPORTANT SAFETY INFORMATION

**WARNING: Failure to follow these instructions may result in serious injury or property damage.**

- Ensure the bicycle's rear rack is securely mounted and rated to support the combined weight of the seat and passenger (maximum 99 lbs / 45 kg).
- Always check that the seat and backrest are firmly attached to the bicycle rack before each ride.
- Do not exceed the maximum weight capacity of 99 lbs (45 kg).
- Supervise children at all times when they are using the seat.
- Ensure the passenger's feet cannot interfere with the bicycle's wheels. Consider using footrests if not already present on your bike rack.
- Regularly inspect the seat, backrest, and mounting hardware for any signs of wear, damage, or looseness.
- Always wear appropriate safety gear, including a helmet, when cycling.

## PACKAGE CONTENTS

Please verify that all components are present before beginning installation:

- 1 x Bicycle Rear Seat Cushion
- 1 x Back Rest
- Mounting Hardware (bolts, nuts, washers, brackets)

## SETUP AND INSTALLATION

This section details the steps required to install the Lixada Bicycle Rear Rack Seat with Backrest onto your bicycle's rear rack. Ensure your bicycle is stable before starting installation.

### Step 1: Prepare the Components

Unpack all components and identify the seat cushion, backrest, and mounting hardware. You will need basic tools such as a wrench or Allen key (often included or standard bicycle tools).

## OPERATING INSTRUCTIONS

Once the Lixada Bicycle Rear Rack Seat is securely installed, it is ready for use. Follow these guidelines for safe operation:

- Ensure the passenger is seated comfortably and securely.
- Instruct the passenger to hold onto the rider or designated handholds on the bicycle, if available.
- Always maintain a balanced ride, especially when carrying a passenger.

- Avoid sudden movements or sharp turns that could destabilize the bicycle.
- The backrest is designed to prevent accidental falls; however, active supervision is always required.

## MAINTENANCE

Proper maintenance will extend the life of your Lixada Bicycle Rear Rack Seat:

- **Cleaning:** The PU leather surface is water-resistant and easy to clean. Wipe the seat with a damp cloth to remove dust and dirt. For stubborn stains, use a mild soap solution and then wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Regularly check all mounting bolts and nuts to ensure they remain tight. Inspect the seat cushion and backrest for any tears, cracks, or damage to the material or padding.
- **Storage:** Store the bicycle with the seat in a dry place, away from direct sunlight and extreme temperatures, to prevent material degradation.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Seat feels wobbly or loose.	Mounting bolts are not sufficiently tightened.	Check and tighten all mounting bolts and nuts securely. Ensure the seat is properly aligned on the rack.
Backrest is not stable.	Backrest attachment bolts are loose.	Tighten the bolts connecting the backrest to the seat cushion.
Discomfort during use.	Improper seating position or prolonged use.	Ensure the passenger is seated correctly. Take breaks during long rides. Verify the seat is installed level.
