Bburago 18-26306 1/24 Scale Ferrari F355 Challenge Diecast Model Instruction Manual

Model: F355 Challenge 18-26306 | Brand: Bburago

1. Introduction

This manual provides guidance for the Bburago 18-26306 1/24 Scale Ferrari F355 Challenge diecast model. It covers essential information for proper handling, display, and care of your collectible model. Please read this manual thoroughly to ensure the longevity and enjoyment of your product.

2. Safety Information

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.

This product is a collectible model and is intended for display by enthusiasts aged 14 years and older, as indicated on the packaging. It is not designed as a toy for young children due to the presence of small, detachable components that could pose a choking hazard.

3. Product Overview

The Bburago Ferrari F355 Challenge is a highly detailed 1:24 scale diecast replica of the iconic Ferrari F355 Challenge race car. It features accurate styling and intricate details, making it suitable for display and collection.

Key Features:

- High quality diecast construction
- 1:24 scale model
- Incredibly detailed replica

4. Setup and Display

Your Bburago Ferrari F355 Challenge model comes pre-assembled and ready for display. Follow these steps for optimal presentation and preservation:

1. **Unboxing:** Carefully remove the model from its packaging. Retain the packaging for future storage or transport.
2. **Placement:** Choose a stable, flat surface for display, away from direct sunlight, extreme temperatures, and high humidity to preserve the model's finish and materials.
3. **Dust Protection:** Consider displaying the model in a dust-free environment or a display case to maintain its pristine condition.

5. Operating Features

This diecast model features several movable parts for enhanced realism. Handle these parts gently to prevent damage.

- **Doors:** The driver and passenger side doors can be carefully opened to reveal the detailed interior. Use a gentle touch to open and close them.
- **Wheels:** The wheels are designed to roll, allowing for minor repositioning. Avoid forcing the wheels or applying excessive pressure.

6. Maintenance and Care

Proper maintenance ensures the longevity and appearance of your diecast model.

- **Cleaning:** Use a soft, dry cloth or a soft brush to gently remove dust. For stubborn dirt, a slightly damp cloth with plain water can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or solvents, as they can damage the paint finish or plastic components.
- **Handling:** Always handle the model by its main body. Avoid touching delicate parts like mirrors, antennas, or spoilers, as they can be fragile and easily detached or broken.
- **Storage:** If storing the model, use its original packaging or a protective container to prevent dust accumulation and accidental damage.

7. Troubleshooting

As a static display model, extensive troubleshooting is generally not required. However, if you encounter minor issues, consider the following:

- **Stiff Moving Parts:** If doors or wheels feel stiff, do not force them. Gentle, repeated movements may help loosen them. Avoid applying lubricants, as they can damage the finish or plastic.
- **Minor Scratches/Blemishes:** For minor cosmetic issues, consult specialized model repair guides or professional services. Do not attempt to repaint or modify the model unless you have expertise, as this may devalue the collectible.
