## PKPOWER AC/DC Adapter

# PK Power AC/DC Adapter User Manual

Model: AC/DC Adapter

## INTRODUCTION

---

This manual provides essential information for the safe and efficient use of your PK Power AC/DC Adapter. This adapter is designed to provide power to compatible devices, such as Soundlogic Bluetooth Foldable Wireless Headsets (BFH-8/5538), and other devices with similar charging requirements. Please read this manual thoroughly before use and retain it for future reference.

## SAFETY INFORMATION

---

Always observe the following safety precautions to prevent injury or damage to the product:

- Do not expose the adapter to water, moisture, or extreme temperatures.
- Do not disassemble or modify the adapter. Refer all servicing to qualified personnel.
- Ensure the voltage and current ratings of your device are compatible with the adapter's output before connecting.
- Unplug the adapter from the power outlet when not in use or during electrical storms.
- Keep out of reach of children.
- This product is designed for indoor use only.
- Avoid placing the adapter in poorly ventilated areas or covering it, as this may lead to overheating.

**Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

## PRODUCT OVERVIEW

---

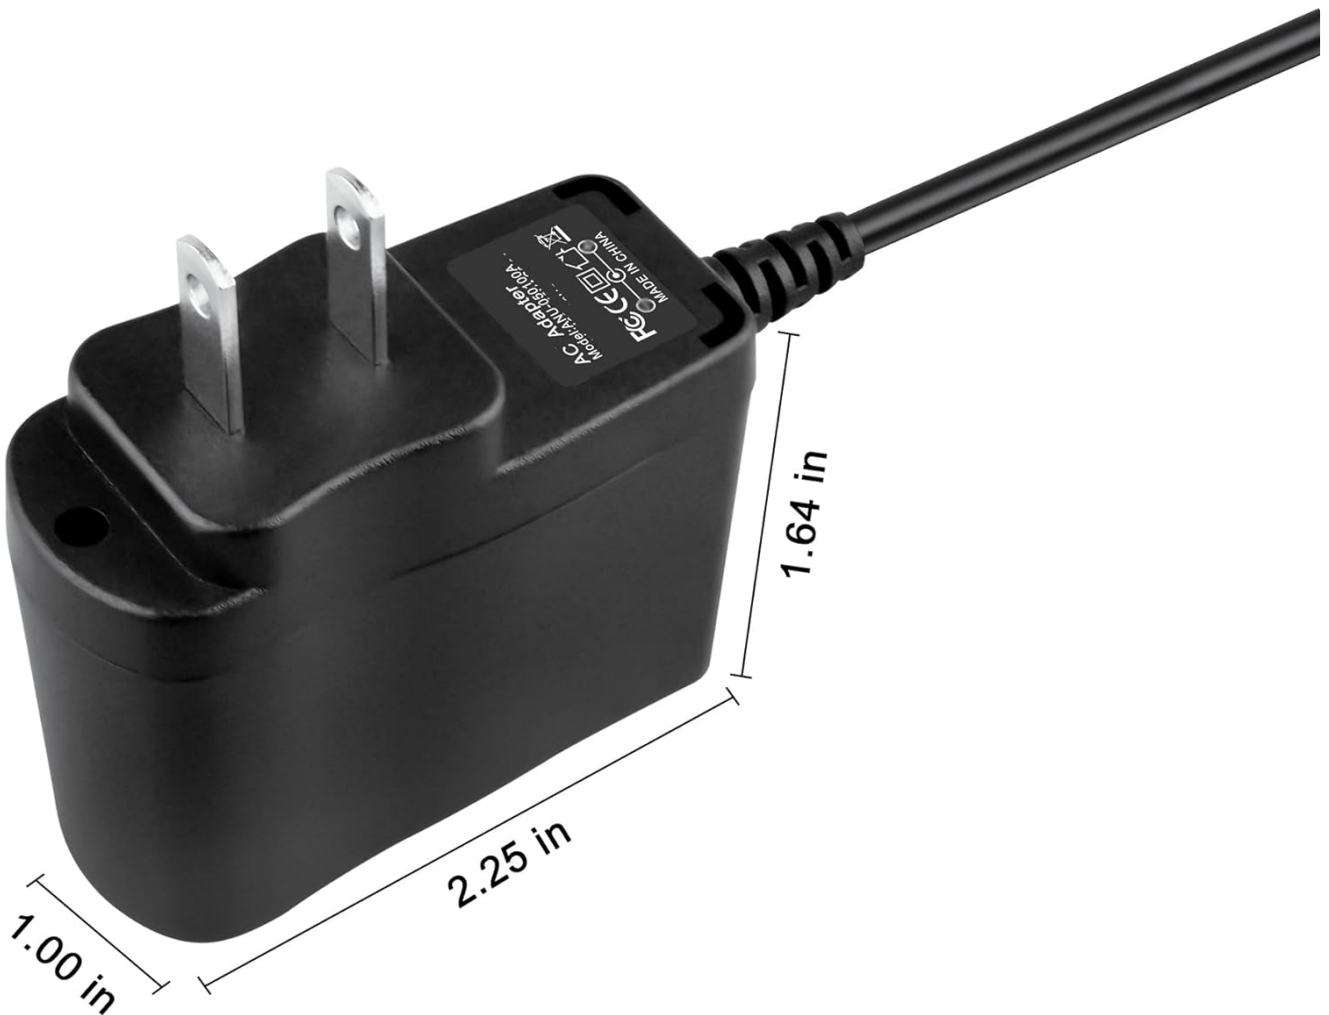

The PK Power AC/DC Adapter is a compact and versatile power supply unit. It features a standard two-prong US plug and an integrated power cord with a barrel connector.

**Figure 1:** Front view of the PK Power AC/DC Adapter with its integrated power cord coiled. This image shows the main body of the adapter, which plugs into a wall outlet, and the attached cable.

**Figure 2:** Angled view of the PK Power AC/DC Adapter, highlighting the plug prongs and the cable connection point. The label with specifications is visible on the side.

**Figure 3:** Dimensions of the PK Power AC/DC Adapter. The main body measures approximately 2.25 inches in length, 1.00 inch in width, and 1.64 inches in height (excluding prongs).

**Figure 4:** Side profile of the PK Power AC/DC Adapter, showing the robust connection of the power cord to the adapter body.

**Figure 5:** The PK Power AC/DC Adapter with its power cord extended, illustrating the full length of the cable for connection to a device.

## SETUP

---

1. **Verify Compatibility:** Before connecting, ensure your device requires the voltage and current output provided by this adapter. This adapter is compatible with Soundlogic Bluetooth Foldable Wireless Headset BFH-8/5538 and other devices requiring similar power specifications.
2. **Connect to Device:** Insert the barrel connector of the adapter's cord firmly into the power input port of your device.

3. **Connect to Power Outlet:** Plug the AC prongs of the adapter into a standard 100-240V AC wall outlet.
4. **Power On Device:** Once connected, you may power on your device if it does not automatically turn on or begin charging.

## OPERATING INSTRUCTIONS

---

The PK Power AC/DC Adapter operates automatically once connected to a power source and a compatible device. It provides a stable power supply for charging or operating your electronic devices.

- The adapter is designed for continuous operation within its specified limits.
- Monitor your device's charging indicator (if available) to confirm proper power delivery.
- Disconnect the adapter from the wall outlet and the device when charging is complete or when the device is not in use for extended periods.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or aerosols.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Inspection:** Periodically inspect the adapter and its cable for any signs of damage, such as frayed wires or cracked casing. If damage is observed, discontinue use immediately.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Device not charging/powering on.	Adapter not properly plugged into wall outlet. Device not properly connected to adapter. Wall outlet is not live. Device is incompatible with adapter. Adapter or device is faulty.	Ensure adapter is fully inserted into a working wall outlet. Ensure the barrel connector is fully inserted into the device's power port. Test the wall outlet with another appliance. Verify device's power requirements match adapter's output. Contact customer support if issues persist.
Adapter feels warm during use.	Normal operation. Poor ventilation. Overload.	A slight warmth is normal. Ensure adapter is in a well-ventilated area and not covered. If it becomes excessively hot or emits smoke/smell, unplug immediately and discontinue use.

## SPECIFICATIONS

---

Feature	Detail
Input Voltage	100-240V AC, 50/60Hz
Output Voltage/Current	<i>(Specific output not provided in input, assuming standard for BFH-8/5538)</i>
Compatibility	Soundlogic Bluetooth Foldable Wireless Headset BFH-8/5538, and other compatible devices.
Certifications	CE, FCC, RoHS
Protection Features	OVP (Over Voltage Protection), OCP (Over Current Protection), SCP (Short Circuit Protection)
Included Components	1 x AC/DC Adapter

## WARRANTY AND SUPPORT

---

PK-Power products are designed for reliability. For any questions, technical support, or warranty claims, please contact PK-Power customer service. Our friendly and reliable customer service will respond to you within 24 hours.

**Return Policy:** The buybox winner indicates a 30-day refund/replacement return policy.
