Lagunamoon LM-EO-007

Lagunamoon Essential Oils Set Instruction Manual

Brand: Lagunamoon

Model: LM-EO-007

1. Introduction and Product Overview

The Lagunamoon Essential Oils Set offers a collection of six pure essential oils, including Peppermint, Tea Tree, Lavender, Eucalyptus, Orange, and Lemongrass. This set is designed for various applications such as aromatherapy, home care, candle making, and DIY crafts, providing natural fragrances and benefits.

2. Product Features

- **Top Selling Essential Oils Set:** Crafted with rigorously tested ingredients, ideal for blending in candle making, DIY soap scents, or aromatherapy.
- **Plant-Powered Ingredients:** Sourced globally, including Tea Tree from Australia, Eucalyptus from China, Lavender from France, Orange from Brazil, and Peppermint and Lemongrass from India.
- **Extra Potent:** Features FrostProtect bottles designed to maintain oil stability for over 24 months, preserving their benefits.
- **Steam-Distilled and Cold Pressed:** Oils are carefully distilled or cold-pressed without harsh solvents to ensure longer-lasting fragrance and purity.
- **Gift-Ready Packaging:** Presented in a beautiful gift box, suitable for various occasions.

3. Safety Information

For External Use Only. Avoid direct contact with eyes, inner ears, and sensitive areas. If irritation occurs, discontinue use. Consult a healthcare professional before use if pregnant, nursing, or under medical care. Keep out of reach of children and pets. Essential oils are highly concentrated and should be diluted before topical application.

Legal Disclaimer: Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

4. Usage Instructions

Essential oils can be used in various ways to enhance your environment and well-being. Always ensure proper dilution and follow recommended guidelines.

Directions for Use:

- **Diffusers:** Add essential oils to water-filled diffusers according to the diffuser's instructions. A general guideline is 3-5 drops per 100ml of water.
- **Candle Making:** Incorporate into candle wax during the making process. Typically, 15 drops per ounce of wax used is a good starting point, adjust for desired scent strength.
- **DIY Crafts & Home Care:** Use in homemade cleaning solutions, soaps, or other DIY projects. For cleaning solutions, add approximately 20 drops per 3 cups of solution.
- **Topical Application (Diluted):** For skin application, always dilute essential oils with a carrier oil (e.g., jojoba, almond, coconut oil) at a ratio of 1-2 drops of essential oil per teaspoon of carrier oil. Perform a patch test on a small area of skin before widespread use.

5. Ingredients

The Lagunamoon Essential Oils Set includes the following 100% pure essential oils:

- Orange Essential Oil
- Eucalyptus Essential Oil
- Lavender Essential Oil
- Lemongrass Essential Oil
- Peppermint Essential Oil
- Tea Tree Essential Oil

Image: A visual comparison illustrating the difference between diluted, low-quality oils and 100% pure, high-potency essential oils.

6. Care and Maintenance

To ensure the longevity and potency of your essential oils, proper care and storage are crucial:

- **Storage:** Store bottles in a cool, dark place away from direct sunlight and heat. The FrostProtect amber bottles are designed to protect against UV rays and maintain stability for over 24 months.
- **Sealing:** Always keep the caps tightly sealed when not in use to prevent oxidation and evaporation.
- **Cleanliness:** Ensure the dropper and bottle opening remain clean to avoid contamination.

7. Troubleshooting

While essential oils are generally straightforward to use, here are some common considerations:

- **Scent too strong/weak in diffuser:** Adjust the number of drops added to the diffuser. Start with fewer drops and gradually increase until desired intensity is achieved. Ensure the diffuser is clean and functioning correctly.
- **Skin irritation:** If topical application causes redness, itching, or discomfort, immediately wash the area with soap and water. Discontinue use. Always perform a patch test and ensure proper dilution with a carrier oil.
- **Oil appears cloudy or has changed odor:** This may indicate spoilage due to improper storage or age. While the FrostProtect bottles extend shelf life, extreme conditions can still affect the oil. If significant changes are noted, it is best to discard the oil.

8. Specifications

Attribute	Detail
Brand	Lagunamoon
Model Number	LM-EO-007
Product Dimensions	2.95 x 1.57 x 1.38 inches (Set)
Item Weight	1.76 ounces
Scent Profile	Orange, Eucalyptus, Lavender, Lemongrass, Peppermint, Tea Tree
Special Feature	Aromatic, Pure
Product Benefits	Home Care, Aromatherapy, DIY Crafts
