nanoblock NAN20610

nanoblock Pokémon Gyarados Building Kit Instruction Manual

Model: NAN20610

1. Introduction

This manual provides instructions for assembling the nanoblock Pokémon Gyarados Building Kit. The kit allows you to construct a miniature model of Gyarados using micro-sized building blocks. Please read all instructions carefully before beginning assembly.

1.1 Product Overview

The nanoblock Pokémon Gyarados model stands approximately 2.2 inches (5.6 cm) tall and consists of 170 pieces. It is designed for builders aged 8 and above, with a difficulty level rated as 2 on a scale of 1 to 5 (1 being easiest, 5 most advanced).

Image: Side packaging of the nanoblock Pokémon Gyarados Building Kit, indicating a height of 7.2 inches (18 cm) for the package.

2. Safety Information

WARNING: CHOKING HAZARD. This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for younger builders. Keep all packaging materials away from children.
The nanoblock pieces are very small (as small as 4mm x 4mm x 5mm). Handle with care to avoid misplacing pieces.

3. What's in the Box

Your nanoblock Pokémon Gyarados Building Kit includes:

- 170 nanoblock pieces required to build the Gyarados model.
- Detailed step-by-step instruction manual.

4. Assembly Instructions

4.1 Preparation

- Clear a well-lit, flat surface for assembly.
- Open the packaging and carefully sort the nanoblock pieces by color and shape to facilitate easier building.
- Refer to the included instruction manual for specific piece identification and assembly steps.

4.2 Building Process

Follow the detailed step-by-step diagrams provided in the instruction manual. Each step will illustrate which pieces to use and where to place them.

1. Begin by identifying the base pieces as shown in the first step of the manual.
2. Carefully connect the nanoblock pieces, ensuring they fit snugly. Due to their small size, precision is key.
3. Work through each step sequentially, referring to the diagrams for correct placement and orientation.
4. If a piece does not fit easily, do not force it. Recheck the previous steps and the piece orientation.
5. The model's difficulty is rated Level 2, indicating it requires some patience and attention to detail.

5. Care and Maintenance

Once assembled, the nanoblock Gyarados model is designed for display.

- To clean, gently dust the model with a soft brush or cloth. Avoid using liquids or harsh chemicals.
- Store the model in a stable location to prevent accidental falls or disassembly.
- Keep away from direct sunlight or extreme temperatures to prevent material degradation.

6. Troubleshooting

6.1 Missing Pieces

If you believe you are missing pieces, carefully re-examine your workspace and the packaging. Due to the small size of nanoblocks, pieces can be easily overlooked. If pieces are genuinely missing, please contact customer support.

6.2 Difficulty with Assembly

Nanoblock models require precision. If you encounter difficulty, take a break and then re-examine the instruction manual. Ensure each piece is correctly oriented and placed according to the diagrams. Sometimes, a slight adjustment can make a significant difference.

7. Specifications

Feature	Detail
Product Name	nanoblock Pokémon Gyarados Building Kit
Model Number	NAN20610
Brand	nanoblock (Kawada)
Number of Pieces	170
Assembled Height	Approximately 2.2 inches (5.6 cm)
Difficulty Level	2 out of 5
Recommended Age	8 years and up
Smallest Block Size	4mm x 4mm x 5mm
Product Dimensions (Packaging)	2.52 x 1.34 x 2.28 inches (6.4 x 3.4 x 5.8 cm)
Item Weight	1.09 ounces (30.9 grams)
ASIN	B06XRTBW3Z
Release Date	July 1, 2021

8. Warranty and Support

This nanoblock product is an officially licensed Kawada product. For product support assistance within the United States, please refer to the contact information provided on the Bluefin / Bandai Namco warning label found on the product box. This label serves as proof of purchase from an authorized U.S. retailer.
The product has been thoroughly tested for safety and meets all North American consumer product safety regulations.
