

Sunnyglade UB-bronze

Sunnyglade 18-inch 30.2-lbs Heavy Duty Round Antiqued Umbrella Base Instruction Manual

Model: UB-bronze

Brand: Sunnyglade

INTRODUCTION

Thank you for choosing the Sunnyglade 18-inch 30.2-lbs Heavy Duty Round Antiqued Umbrella Base. This product is designed to provide stable support for your patio umbrella, enhancing your outdoor living space. Constructed from durable resin with an attractive bronze finish, this base is built for longevity and aesthetic appeal. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

SAFETY INFORMATION

Warning: This product is heavy and may tip over if not properly secured. Keep out of reach of children to prevent choking hazards. Always follow assembly instructions for safe use.

- Ensure the umbrella pole is fully inserted and the tightening knob is securely fastened.
- Do not use the umbrella base on uneven surfaces.
- Lower and secure your umbrella during strong winds or adverse weather conditions to prevent tipping.
- Periodically check all connections and fasteners to ensure they remain tight.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 1 x Umbrella Base
- 2 x Couplers (for 1.38" and 1.8" diameter poles)

Image: The two included black plastic couplers, designed to accommodate different umbrella pole diameters.

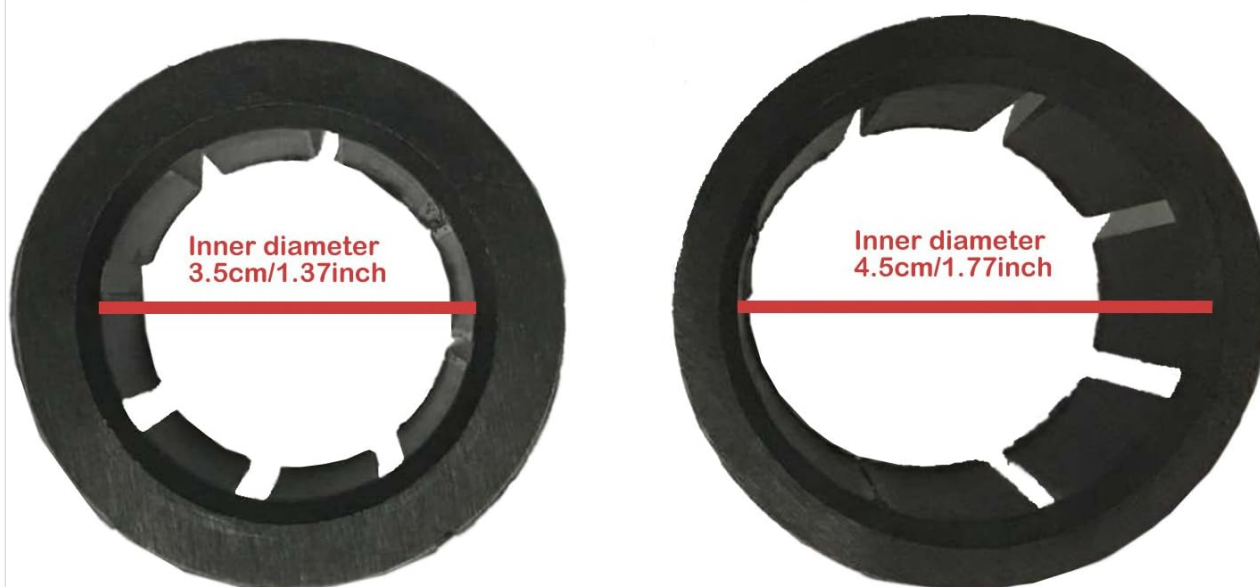

Image: A close-up view of the two couplers, indicating inner diameters of 3.5 cm (1.37 inches) and 4.5 cm (1.77 inches) respectively.

SETUP AND ASSEMBLY

Assembly is required. Follow these steps for proper setup:

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Select Coupler:** Choose the appropriate coupler that best fits the diameter of your umbrella pole (1.38" or 1.8").
3. **Insert Coupler:** Place the selected coupler into the top opening of the umbrella base pole receiver.
4. **Insert Umbrella Pole:** Carefully insert your umbrella pole into the coupler and down into the base. Ensure the pole is fully seated.
5. **Secure Pole:** Locate the hand-turn knob on the side of the pole receiver. Tighten this knob firmly to secure the umbrella pole in place. Do not overtighten.

Image: A close-up view of the base of the umbrella pole receiver, showing where the pole connects to the main base.

Image: A top-down view of the umbrella base pole receiver, highlighting the opening for the umbrella pole and the side-mounted tightening knob.

Image: A diagram illustrating the overall dimensions of the umbrella base (18 inches diameter, 12 inches height for the pole receiver) and the inner diameters of the included couplers.

Assembly Video Guide

Video: A detailed guide demonstrating the assembly process for the Heavy Duty Antiqued Umbrella Base. This video shows how to correctly insert the pole and secure it with the knob.

OPERATING INSTRUCTIONS

Once assembled, ensure the umbrella base is placed on a flat, stable surface. Insert your patio umbrella into the base, making sure it is fully seated. Tighten the hand-turn knob firmly to prevent the umbrella from rotating or lifting in light breezes. Always close and secure your umbrella when not in use or during windy conditions to prevent damage to the umbrella or base, and to avoid potential hazards.

MAINTENANCE

To maintain the appearance and longevity of your umbrella base, follow these simple care instructions:

- **Cleaning:** Wipe the base with a dry cloth to remove dust and debris. For stubborn dirt, use a damp cloth with mild soap and water, then dry thoroughly.
- **Storage:** During off-season or prolonged periods of non-use, store the umbrella base in a dry, covered area to protect it from extreme weather conditions.
- **Inspection:** Periodically inspect the base for any signs of wear or damage. Ensure the tightening knob functions correctly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Umbrella is wobbly or unstable.	Loose tightening knob; incorrect coupler size; uneven surface.	Ensure the hand-turn knob is tightened securely. Verify the correct coupler is used for your umbrella pole. Place the base on a flat, level surface.
Umbrella pole does not fit.	Incorrect coupler selected or no coupler used.	Try the other included coupler. If neither fits, your umbrella pole diameter may be incompatible with this base.
Base appears damaged upon arrival.	Shipping damage or manufacturing defect.	Do not attempt to assemble or use. Contact customer support immediately for assistance.
