Tribesigns H0905

Tribesigns Computer Desk Instruction Manual

Model: H0905

WELCOME

Thank you for choosing the Tribesigns 55-inch Computer Desk. This manual provides essential information for the proper assembly, operation, and maintenance of your new desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

PRODUCT OVERVIEW AND FEATURES

The Tribesigns Computer Desk is a modern and simple office desk designed for home and office use. It features a spacious desktop and a sturdy metal frame, providing a reliable and comfortable workspace.

Key Features:

- **Modern Simple Design:** Features metal legs and adjustable leg pads for stability on uneven floors.
- **Widen Desktop & Spacious Leg Room:** 23.6 inches wide, providing ample space for computer, monitor, printer, writing, and other home office activities. The underneath leg distance is 50.79 inches, offering generous leg room.
- **Super Sturdy Construction:** Desktop made of 0.98-inch thicker laminated MDF, which is waterproof and anti-scratch, making it easy to clean. The computer frame is made of heavy-duty powder-coated steel, ensuring stability and durability. The 1.57-inch by 1.57-inch wide legs are strong enough to support heavy loads.
- **Easy Assembly:** Requires minimal assembly, typically less than 15 minutes, by installing only 4 legs and 2 leg bars with the included hex key.
- **Large Size & Capacity:** Dimensions of 55"(L) x 23.6"(W) x 29.2"(H) with a weight of 63.8 lbs and a capacity of 900 lbs.

SAFETY INFORMATION

The desk is constructed from E1 particleboard and a steel frame. To ensure safety and product longevity, please ensure that the total weight placed on the desk does not exceed 300 lbs (approximately 136 kg).

ASSEMBLY INSTRUCTIONS

The Tribesigns Computer Desk is designed for quick and straightforward assembly. Follow these steps to set up your desk.

Step-by-Step Assembly:

1. Unpack all components and verify that all parts are present according to the packing list.
2. Attach the four metal legs to the desktop using the provided screws and hex key. Ensure the leg bars are facing each other for proper alignment.

3. Secure the two leg bars between the pairs of legs.
4. Adjust the leg pads at the bottom of each leg to ensure the desk is stable and level on your floor.

EASY ASSEMBLE

Only 2 Steps

MAINTENANCE

To keep your Tribesigns Computer Desk in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desktop and metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** The laminated MDF desktop is waterproof. In case of spills, wipe them immediately to prevent any potential damage or staining.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Excessive Weight:** Do not exceed the recommended weight capacity of 900 lbs to prevent structural damage.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Computer Desk, please refer to the following common troubleshooting tips:

- **Wobbling Desk:** Ensure all screws are securely tightened. Adjust the leg pads at the bottom of each leg to compensate for uneven floor surfaces.
- **Difficulty Assembling:** Double-check that you are using the correct screws for each part and that the leg components are oriented correctly (e.g., leg bars facing each other). Refer to the assembly diagram.
- **Surface Scratches:** While the desktop is anti-scratch, avoid dragging sharp or heavy objects across the surface. Use coasters for drinks and protective mats for heavy equipment.

For issues not covered here, please contact Tribesigns customer support.

PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	Tribesigns
Model Number	H0905
Product Dimensions	23.6"D x 55"W x 29.13"H
