Tribesigns H0904

Tribesigns Computer Desk Instruction Manual

47 inch Modern Simple Office Desk Computer Table Study Writing Desk for Home Office, Black

IMPORTANT SAFETY INFORMATION

Always ensure the desk is properly assembled and stable before use. Be cautious when adjusting the leg pads. Do not exceed the weight capacity of 900 lbs.

PRODUCT OVERVIEW

The Tribesigns Computer Desk is designed for modern home and office environments, offering a blend of simplicity, durability, and functionality. Its robust construction ensures stability, while the spacious desktop provides ample room for various activities.

Key Features:

- **Modern Simple Design:** Features metal legs and adjustable leg pads for stability on uneven floors.
- **Widen Desktop & Spacious Leg Room:** A 23.6" wide desktop provides ample space for computers, monitors, printers, writing, studying, and other home office activities. The underneath leg distance is 42.9", offering generous legroom, ideal for taller individuals.
- **Super Sturdy Construction:** The desktop is made of 0.98" thicker laminated MDF, which is waterproof and anti-scratch, making it very easy to clean. The computer frame is constructed from heavy-duty powder-coated steel (1.57" x 1.57" width), ensuring exceptional stability and durability, strong enough to support heavy loads.
- **Easy to Assemble:** Requires minimal assembly, typically less than 15 minutes, by installing just the 4 legs and 2 leg bars with the included hex key.
- **Large Size:** Measures 47.2"(L) x 23.6"(W) x 29.2"(H) with a weight of 52.9 lbs and a substantial 900 lbs capacity.

ASSEMBLY INSTRUCTIONS

The Tribesigns Computer Desk is designed for quick and straightforward assembly. Follow these steps to set up your new desk:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware are present according to the parts list in your manual.
2. **Attach Legs to Desktop:** The desktop hardware is pre-assembled. Simply align the four metal legs with the pre-drilled holes on the underside of the desktop.
3. **Secure Leg Bars:** Attach the two leg bars between the legs using the provided hex key. Ensure all bolts are tightened securely for maximum stability. (Tips: Make sure when you're putting the legs together the holes match on top; they have to be facing each other.)
4. **Install Adjustable Leg Pads:** Twist the adjustable leg pads into the bottom of each leg. These can be adjusted to ensure the desk remains stable on uneven surfaces.

5. **Final Placement:** With the help of another person, carefully flip the assembled desk upright and place it in your desired location.

PRODUCT FEATURES AND DESIGN

The Tribesigns Computer Desk is engineered for both aesthetic appeal and practical functionality, featuring robust materials and thoughtful design elements.

Durable Desktop Surface:

The desktop is crafted from 0.98" thick laminated MDF, providing a smooth, waterproof, and anti-scratch surface that is easy to clean. This material ensures longevity and resistance to daily wear and tear.

EASY ASSEMBLE

Only 2 Steps

Sturdy Metal Frame and Adjustable Feet:

The desk's frame is made of heavy-duty powder-coated steel, measuring 1.57" by 1.57" in width. This robust metal construction ensures exceptional stability and durability, capable of supporting significant weight. Each leg is equipped with adjustable pads, allowing you to level the desk on uneven floors and prevent wobbling.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Computer Desk, follow these simple care and maintenance guidelines:

- **Regular Cleaning:** Wipe the desktop surface regularly with a soft, damp cloth to remove dust and spills. For tougher stains, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong solvents, or harsh chemicals, as these can damage the laminated MDF surface and the powder-coated metal frame.
- **Protect Surface:** While the desktop is anti-scratch, using coasters for drinks and protective mats for writing or heavy objects is recommended to prevent potential damage over time.
- **Check Connections:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain the desk's stability.
- **Adjust Leg Pads:** If the desk wobbles, adjust the leg pads at the bottom of each leg until it is stable on

your floor.

TROUBLESHOOTING

Here are some common issues you might encounter with your computer desk and how to resolve them:

- Desk is Wobbly:**
Solution: Check the adjustable leg pads at the bottom of each leg. Twist them to extend or retract until all four legs make firm contact with the floor and the desk is stable. Ensure all assembly bolts are securely tightened.
- Surface Scratches or Marks:**
Solution: For minor marks, try gently cleaning with a soft, damp cloth. For deeper scratches, consider using a furniture repair marker that matches the desk's finish. Always use protective mats for writing or placing heavy items to prevent future damage.
- Difficulty Assembling:**
Solution: Review the assembly instructions carefully, paying close attention to the orientation of the legs and bars. Ensure you are using the correct bolts for each step. If a part doesn't fit, do not force it; re-check the diagram.

DETAILED SPECIFICATIONS

Specification	Value
Brand	Tribesigns
Model Number	H0904
Product Dimensions	23.6"D x 47.24"W x 29.13"H
Color	Black
Style	modern minimalist
