TAVR Furniture Tabel Top TV Stand

TAVR Universal Table Top TV Stand Mount Instruction Manual

Model: Tabel Top TV Stand

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your TAVR Universal Table Top TV Stand Mount. This stand is designed to securely hold most 27 to 65 inch LCD, LED, OLED, QLED, 4K Plasma, and Smart TVs, as well as monitors. It features a robust alloy steel construction, height adjustment capabilities, and a stable base. Please read this manual thoroughly before installation and retain it for future reference.

2. PRODUCT OVERVIEW AND FEATURES

The TAVR Universal Table Top TV Stand Mount offers a reliable and adaptable solution for your television. Key features include:

- **Universal Compatibility:** Fits most 27-65 inch TVs with VESA patterns ranging from 200x100mm to 800x500mm.

- **Robust Construction:** Made from heavy-duty alloy steel, capable of supporting TVs up to 88 lbs (40 kg).
- **Height Adjustment:** Offers 3 levels of height adjustment, from 25 inches (63.5 cm) to 27.4 inches (69.6 cm), for optimal viewing.
- **Enhanced Stability:** Features soft bottom feet pads to prevent slipping and protect furniture, ensuring balance and safety.
- **Space-Saving Design:** Detachable parts allow for flexible placement, suitable for various room sizes.

4. SAFETY INFORMATION

To ensure safe use of the TAVR Universal Table Top TV Stand Mount, please observe the following:

- **Weight Limit:** Do not exceed the maximum load capacity of 88 lbs (40 kg). Overloading can cause instability and damage.
- **TV Size:** Ensure your TV falls within the recommended size range of 27-65 inches.
- **VESA Pattern:** Verify that your TV's VESA mounting pattern is compatible with the stand (200x100mm to 800x500mm).
- **Stable Surface:** Always place the TV stand on a flat, level, and stable surface to prevent tipping.
- **Secure Assembly:** Ensure all screws and connections are tightened securely during assembly.
- **Children and Pets:** Keep children and pets away from the TV stand during assembly and ensure the TV is stable once installed to prevent accidental falls.
- **Movement:** When moving the TV, lift it carefully rather than dragging, especially if the legs are not fully secured or if the surface is uneven.

5. SETUP AND ASSEMBLY INSTRUCTIONS

The TAVR Universal Table Top TV Stand Mount is designed for quick and easy assembly, typically within 5 minutes. All necessary tools and screws are included, and parts are numbered for identification.

5.1. Unpacking and Component Check

Carefully unpack all components and compare them against the parts list provided in the packaging. Ensure all parts are present and undamaged before proceeding.

5.2. Assembly Steps

1. **Assemble the Base and TV Bracket:** Attach the vertical TV brackets to the horizontal base legs using the provided screws. Ensure they are securely fastened.
2. **Attach the TV Bracket to TV:** Carefully place your TV face down on a soft, clean surface. Align the assembled stand brackets with the VESA mounting holes on the back of your TV. Use the appropriate screws and spacers (if needed) from the included hardware kit to secure the brackets to the TV. Do not overtighten.

3. **Position the TV:** With assistance, carefully lift the TV and place it on your desired tabletop or furniture. Ensure the stand's feet are fully supported and stable.

6. OPERATING INSTRUCTIONS

6.1. Height Adjustment

The TAVR TV stand allows for 3 levels of height adjustment to achieve your preferred viewing angle. The height can be adjusted from a minimum of 25 inches (63.5 cm) to a maximum of 27.4 inches (69.6 cm).

1. **Loosen Screws:** With the TV securely on the stand, carefully loosen the screws that secure the vertical TV brackets to the base legs.
2. **Adjust Height:** Gently lift or lower the TV to the desired height. The vertical brackets have multiple pre-drilled holes to guide your adjustment.
3. **Secure Screws:** Once the desired height is achieved, re-tighten all screws firmly to ensure the TV is stable and secure.

3-LEVEL HEIGHT SETTINGS

Offer Best Viewing Angles

7. MAINTENANCE

Regular maintenance will help ensure the longevity and safe operation of your TV stand.

- **Cleaning:** Wipe the stand with a soft, dry cloth. Avoid using abrasive cleaners or solvents that could damage the finish.
- **Check Connections:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Inspect for Damage:** Regularly check the stand for any signs of wear, corrosion, or damage. If any damage is found, discontinue use and contact customer support.

8. TROUBLESHOOTING

If you encounter any issues with your TAVR Universal Table Top TV Stand Mount, please refer to the following common solutions:

- **Issue: TV feels unstable or wobbly.**
Solution: Ensure all assembly screws are fully tightened. Verify the TV's weight and VESA pattern are within the stand's specifications. Confirm the stand is placed on a flat, level, and sturdy surface.
- **Issue: Difficulty adjusting height.**
Solution: Loosen the securing screws on the vertical brackets before attempting to adjust the height. Ensure the TV is lifted slightly to relieve pressure on the adjustment points.
- **Issue: Missing parts or damaged components.**
Solution: Review the parts list in the manual. If parts are missing or damaged upon arrival, contact TAVR customer support immediately for assistance.

9. WARRANTY AND SUPPORT

TAVR Furniture is committed to providing quality products. While specific warranty details are not provided in this manual, we offer dedicated customer support.

If you have any questions, concerns, or require assistance with your TAVR Universal Table Top TV Stand Mount, please do not hesitate to contact our customer support team. We aim to respond to all inquiries within 12 hours. For support, please visit the [TAVR Furniture Store on Amazon](#) or refer to the contact information provided with your purchase.
