### Baby Jogger 2008304

# Baby Jogger City Select LUX Stroller - Instruction Manual

BRAND: BABY JOGGER | MODEL: 2008304

## Product Overview

The City Select LUX convertible stroller transitions from a single to a double configuration, accommodating a growing family. It offers over 20 riding options, providing 25% more versatility than the original City Select model. Key features include all-wheel suspension, a decelerating hand brake for enhanced control, and a compact fold that is 30% smaller than its predecessor.

- **Versatile Configuration:** Converts from single to double stroller with over 20 riding options.
- **Compact Fold:** Folds 30% smaller than City Select, featuring an auto-lock mechanism for easy transport.
- **Enhanced Control:** Equipped with a hand-operated decelerating and parking brake, and all-wheel suspension.
- **Adjustable Comfort:** Multi-position reclining seat, rotating calf support, and telescoping handlebar.
- **Sun Protection:** Extended UV50+ canopy with a peek-a-boo window.
- **Storage:** Large storage basket and two integrated seatback pockets.
- **Safety:** Seat holds children up to 45 lb and includes a 5-point stroller harness.

- **Folding the Stroller:** Pull the quick-fold levers on each side of the frame and let the frame collapse. Ensure the auto-lock latch engages.
- **Adjusting the Handlebar:** Press the gray button on the handlebar and slide it up or down to your desired height.
- **Using the Hand Brake:** Pull the hand brake lever to engage the decelerating brake. Push the lock button to activate the parking brake. Lift the lock button to release.
- **Seat Recline:** Locate the recline mechanism on the seat and adjust to multiple positions for your child's comfort.
- **Calf Support:** Rotate the calf support to provide optimal leg comfort for your child.
- **Swivel Wheels:** Lock the front swivel wheels for increased stability on rough terrain or unlock them for greater maneuverability.

## Maintenance

Proper maintenance ensures the longevity and safety of your stroller.

- **Seat Fabric:** Machine wash seat in cold water with mild detergent on a delicate cycle and drip dry. Do not use bleach, solvents, or abrasive cleaning materials. Do not press, iron, dry clean, or tumble dry. Always remove the metal frame and PE boards from the seat before washing.
- **Plastic & Metal Parts:** Surface wash only using warm water and mild soap; towel dry.
- **Wheels:** Clean using a damp cloth and dry completely with a soft towel or cloth before use.
- **Storage:** Do not store outside or near a direct heat source such as a radiator or fire. Always store in a dry and safe environment.
