

nanoblock NBC192

Nanoblock NBC_192 Nautilus Micro Sized Building Blocks Instruction Manual

Model: NBC192

INTRODUCTION

This manual provides detailed instructions for the assembly, care, and maintenance of your Nanoblock NBC_192 Nautilus Micro Sized Building Blocks set. Nanoblock is a micro-sized building block system designed for creating intricate and detailed models. Please read these instructions carefully before beginning assembly.

SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from infants and young children.
- **Age Recommendation:** Recommended for ages 12 years and up.
- **Handling:** Handle small blocks with care to avoid loss.

SETUP AND ASSEMBLY

The Nanoblock NBC_192 Nautilus set requires careful assembly due to its micro-sized components. Follow the included visual diagrams for precise construction.

1. Unpacking and Component Check

Carefully open the packaging and lay out all components on a clean, flat surface. Verify that all parts are present according to the parts list provided in the packaging. The set includes 1 x Building Blocks.

2. Assembly Steps

1. **Review Instructions:** Before starting, thoroughly review the step-by-step diagrams provided in the original packaging. These diagrams are crucial for correct assembly.
2. **Identify Parts:** Familiarize yourself with the different shapes and sizes of the Nanoblocks. The smallest part is approximately 4x4x5mm.
3. **Follow Sequence:** Assemble the model by following the numerical sequence indicated in the diagrams. Each step builds upon the previous one.
4. **Secure Connections:** Ensure each block is firmly connected to the adjacent blocks to create a stable structure.
5. **Patience is Key:** Due to the small size and intricate design, assembly requires patience and precision.

OPERATING (DISPLAY AND HANDLING)

Once assembled, your Nanoblock Nautilus model is ready for display. While not designed for active play, it can be handled with care.

- **Display:** Place the completed model on a stable, flat surface away from direct sunlight or extreme temperatures to prevent material degradation.
- **Handling:** When moving the model, support it from the base to prevent parts from detaching. Avoid dropping or applying excessive force.

MAINTENANCE

Proper maintenance will help preserve the appearance of your Nanoblock model.

- **Cleaning:** To clean, gently dust the model with a soft, dry brush or a can of compressed air. Do not use water or chemical cleaners, as these may damage the plastic.
- **Storage:** If disassembling for storage, keep all blocks in a sealed container to prevent loss of small parts.

TROUBLESHOOTING

If you encounter issues during assembly or with your completed model, consider the following:

- **Missing Parts:** Double-check the packaging and surrounding area for any small blocks that may have been overlooked. If parts are genuinely missing, contact the retailer or manufacturer for assistance.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. Avoid forcing blocks, as this can cause damage.
- **Model Instability:** Review the assembly steps to ensure all connections are secure and no steps were missed. Sometimes a single loose block can affect overall stability.

SPECIFICATIONS

Brand	nanoblock
Model Name	Nautilus
Model Number	NBC192
Material	Plastic
Colour	Orange
Number of Pieces	Refer to packaging
Minimum Age Recommendation	12 years
Item Dimensions (L x W x H)	5.1 x 3.8 x 5.1 centimetres (assembled)
Item Weight	0.04 Pounds
Educational Objective	Artistic

Note: The "Number of pieces: 4" listed in some specifications may refer to a different metric or be an error. Nanoblock sets typically contain many small blocks for detailed construction. Please refer to the actual parts list included in your product packaging for the exact count of individual building blocks.

ASK A QUESTION ABOUT THIS MANUAL
