### RASTAR 458 Special A (Model 74500)

## Rastar Ferrari 458 Special A 1/14 Scale Remote Control Car (Model 74500) Instruction Manual

Your guide to setting up, operating, and maintaining your Rastar RC Car.

### INTRODUCTION

This manual provides essential information for the safe and effective use of your Rastar Ferrari 458 Special A 1/14 Scale Remote Control Car. Please read through these instructions carefully before operating the product to ensure optimal performance and longevity.

### WHAT'S IN THE BOX

Upon unboxing, verify that all components are present:

- 1 x 1/14 Rastar remote control car
- 1 x Dual-grip remote controller
- 1 x User guide

The Rastar Ferrari 458 Special A RC Car and its remote control, as presented in its retail packaging.

## SETUP

### Battery Installation

The Rastar Ferrari 458 Special A RC Car requires 5 AA batteries for the car and 1 9V battery for the remote controller. Rechargeable batteries cannot be used.

1. Locate the battery compartment on the underside of the car and on the back of the remote controller.
2. Open the battery compartment covers using a small screwdriver (not included).
3. Insert the batteries, ensuring correct polarity (+/-).
4. Securely close the battery compartment covers.

### Controller Pairing

The remote control car operates on a single 2.4GHz frequency, allowing multiple users to race together without interference. Typically, the car and controller will automatically pair upon powering on both devices.

If pairing issues occur, ensure both devices have fresh batteries and are within close proximity during power-on.

## OPERATING INSTRUCTIONS

---

Your Rastar Ferrari 458 Special A RC Car offers full functionality for an engaging driving experience.

### Basic Controls

- **Forward:** Press the forward button/lever on the remote.
- **Reverse:** Press the reverse button/lever on the remote.
- **Turn Left/Right:** Use the steering controls on the remote to direct the car.
- **Stop:** Release the forward/reverse controls.

### Special Functions

- **Convertible Top:** The convertible top opens to reveal the cockpit with a push of a dedicated button on the controller.
- **Working Headlights and Taillights:** These lights activate automatically during operation, enhancing realism.

## Steering Guidance

Your browser does not support the video tag.

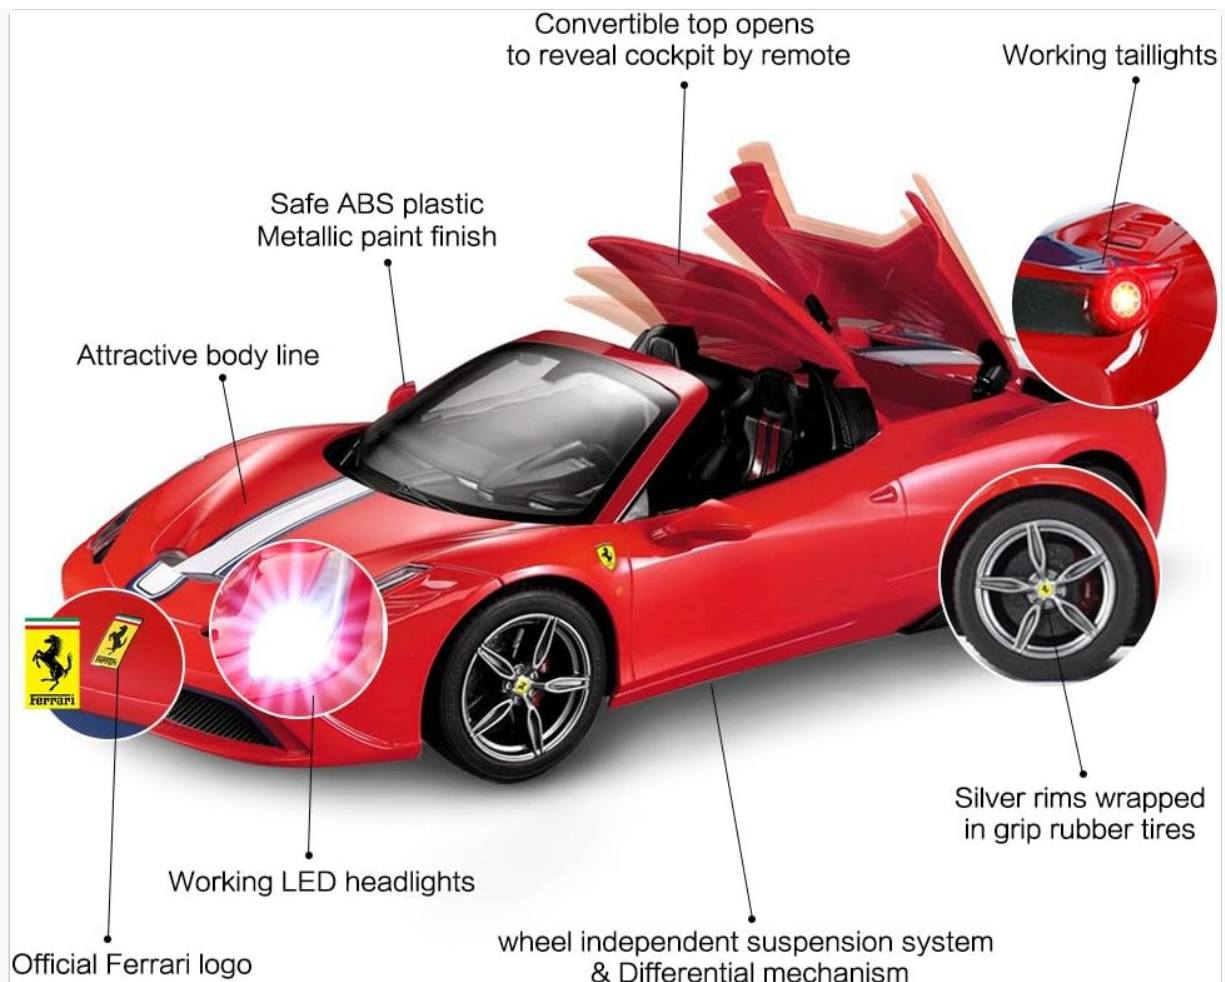

This video demonstrates how to effectively steer the Rastar RC Car by pressing forward/backward simultaneously with turning inputs.

## FEATURES

The Rastar Ferrari 458 Special A is officially licensed by Ferrari and boasts a highly detailed interior and exterior.

- **Exterior Details:** Features a convertible top, working headlights and taillights, a 4-wheel independent suspension system, silver rims wrapped in grip TPE tires, and an official Ferrari logo.
- **Interior Details:** The cockpit is accessible when the convertible top is open, showcasing detailed seating and dashboard elements.
- **Construction:** Made of quality ABS plastic with a metallic paint finish, ensuring durability.

An annotated image pointing out key features of the Rastar Ferrari 458 Special A RC Car, including its lights, convertible top, and wheel details.

## MAINTENANCE

To ensure the longevity and performance of your RC car, follow these maintenance guidelines:

- **Cleaning:** Wipe the car with a soft, dry cloth after each use to remove dust and debris. Avoid using water or chemical cleaners.
- **Storage:** Store the car and remote in a cool, dry place away from direct sunlight and extreme temperatures. Remove batteries if the product will not be used for an extended period.
- **Battery Care:** Always use fresh, non-rechargeable batteries as specified. Do not mix old and new batteries or different types of batteries.

## TROUBLESHOOTING

### Car Not Responding to Remote

- Ensure both the car and remote have fresh batteries installed correctly.
- Verify that the car and remote are powered on.
- Move closer to the car to check if it's a range issue.
- Check for any obstructions between the remote and the car.

### Car Not Steering Correctly

- Ensure the steering trim on the underside of the car is adjusted correctly.

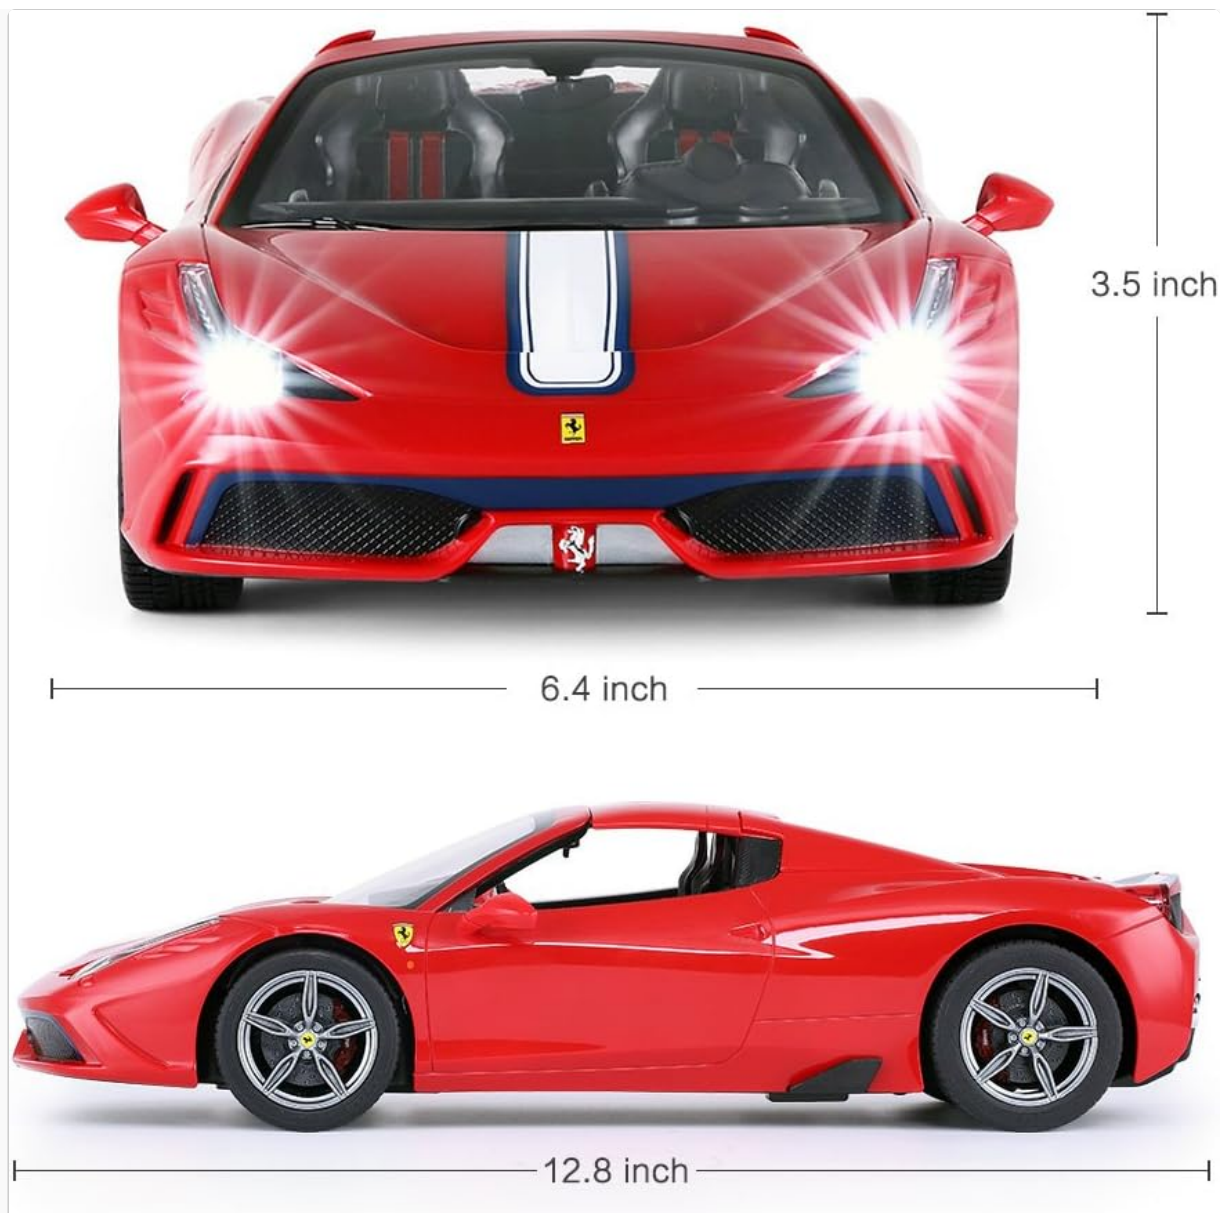

- Check for any debris or damage to the front wheels or steering mechanism.

**Reduced Performance/Speed**

- Replace batteries in both the car and remote.
- Ensure the car is being operated on a smooth, flat surface. Rough or uneven terrain can reduce speed and range.

**SPECIFICATIONS**

Attribute	Value
Product Dimensions	12.8 x 6.4 x 3.5 inches
Item Weight	0.035 ounces
ASIN	B06XZYPJWC
Item Model Number	74500
Manufacturer Recommended Age	8 years and up
Batteries Required	5 AA batteries (car), 1 9V battery (remote)
Manufacturer	Rastar
