Wikinger Premium Bockwurst Hot Dogs Instruction Manual

Model: B0711KWRTM

INTRODUCTION

This manual provides essential instructions for the proper handling, preparation, and storage of Wikinger Premium Bockwurst Hot Dogs. These beechwood smoked sausages are designed for convenient consumption. Please read this manual thoroughly before use.

SETUP AND PREPARATION

The Wilkinger Premium Bockwurst Hot Dogs are pre-cooked and packed in brine.

1. **Unpacking:** Carefully open the jar. Drain the brine before preparing the sausages.
2. **Serving Size:** Each jar contains 8 sausages. Adjust serving size based on individual needs.

OPERATING (COOKING INSTRUCTIONS)

These sausages are pre-cooked and can be enjoyed hot or cold. For best results, heating is recommended.

- **Boiling:** Place sausages in a pot of hot (not boiling) water for 5-7 minutes until thoroughly heated. Do not boil vigorously, as this may cause the casings to split.
- **Pan Frying:** Lightly oil a pan and heat sausages over medium heat for 5-8 minutes, turning occasionally, until golden brown and heated through.
- **Microwave:** Place sausages on a microwave-safe plate. Heat for 1-2 minutes on high, or until heated through. Heating times may vary depending on microwave wattage.
- **Grilling:** Grill sausages over medium heat for 5-7 minutes, turning frequently, until heated through and lightly charred.

Ensure sausages are heated to an internal temperature of 74°C (165°F) for food safety.

MAINTENANCE (STORAGE)

- **Unopened:** Store in a cool, dry place away from direct sunlight. Refer to the "Best Before" date on the packaging.
- **Opened:** Once opened, transfer any unused sausages and brine to an airtight container. Refrigerate promptly and consume within 3-5 days.
- **Freezing:** Freezing is not recommended as it may alter the texture and quality of the product.

TROUBLESHOOTING

- **Sausages appear discolored or have an unusual odor:** Do not consume. Discard the product immediately.
- **Sausages are not heating evenly:** Ensure proper heating methods are followed. Stir or turn sausages frequently during cooking. Adjust heat source as necessary.
- **Jar seal is broken or compromised upon purchase:** Do not consume. Contact the retailer or manufacturer for assistance.
