HOMCOM 801-060V01WT

HOMCOM Rolling Kitchen Island Cart User Manual

Model: 801-060V01WT | Brand: HOMCOM

1. INTRODUCTION

Thank you for choosing the HOMCOM Rolling Kitchen Island Cart. This versatile and functional kitchen cart is designed to provide additional storage, workspace, and dining area in your home. Featuring a durable rubber wood top, multiple storage options including drawers and cabinets, and mobile casters, it offers convenience and flexibility for various kitchen and dining needs. Please read this manual carefully before assembly and use to ensure proper operation and longevity of your product.

2. SAFETY INFORMATION

To ensure safe use of your kitchen island cart, please observe the following precautions:

- Always use caution when moving the cart on uneven surfaces to prevent tipping.
- Do not exceed the maximum weight capacity of **110 lbs (50 kg)** for the entire unit.
- Ensure all screws and fasteners are securely tightened after assembly and periodically check for looseness.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- Avoid placing hot items directly on the wooden countertop without protective mats.
- Do not stand or climb on the cart.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Main Cart Frame Components
- Rubber Wood Drop Leaf Countertop
- 2 x Easy-Glide Drawers
- 2 x Storage Cabinets with Adjustable Shelves
- Spice Rack Attachment
- Knife Rack Attachment

- Towel Rack Attachment
- 4 x Casters (2 with locking mechanism)
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Tools (e.g., Allen wrench - typically included)

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the step-by-step instructions provided in the included assembly manual. It is recommended to have two people for assembly. Do not use power tools for tightening screws, as this may damage the components.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the parts list to ensure everything is present.
2. **Assemble the Base Frame:** Connect the side panels and bottom panel using the provided hardware.
3. **Attach Casters:** Secure the four casters to the bottom of the cart. Ensure the two locking casters are positioned at the front for easy access.
4. **Install Cabinet Shelves:** Insert the adjustable shelf pegs into the desired holes within the cabinet sections and place the shelves.
5. **Assemble Drawers:** Follow the specific instructions for assembling the drawer boxes and attaching the drawer slides.

6. **Attach Cabinet Doors:** Mount the cabinet doors using the provided hinges. Adjust hinges as necessary for proper alignment.
7. **Install Countertop:** Secure the main rubber wood countertop to the top of the assembled frame.
8. **Attach Drop Leaf:** Mount the drop leaf extension to the main countertop using its hinges.
9. **Add Side Accessories:** Attach the spice rack, knife rack, and towel bar to the designated sides of the cart.
10. **Final Check:** Ensure all connections are secure and the cart is stable before use.

5. OPERATING INSTRUCTIONS

Your HOMCOM Kitchen Island Cart is designed for ease of use and versatility.

5.1. Expanding and Folding the Drop Leaf

The rubber wood drop leaf countertop can be easily extended to provide additional workspace or a dining area, and folded down to save space.

- **To Expand:** Gently lift the drop leaf until it is level with the main countertop. Ensure the support mechanism underneath is fully extended and locked into place.
- **To Fold:** Release the support mechanism (usually a simple latch or hinge release) and carefully lower the drop leaf until it rests against the side of the cart.

SOLID WOOD EXPANDABLE COUNTERTOP

Fold it when you need more kitchen space

Extends for additional dining spot with your bar stools

Image: The kitchen island cart demonstrating its expandable countertop. One view shows the drop leaf folded for space-saving, and the other shows it extended, creating a dining spot with bar stools.

5.2. Utilizing Storage Features

The cart offers various storage solutions:

- **Drawers:** Pull the two easy-glide drawers open to store utensils, linens, or smaller kitchen gadgets.
- **Cabinets:** Open the two spacious cabinet doors to access adjustable shelves, ideal for pots, pans, dishes, or pantry items.
- **Side Racks:** Use the integrated spice rack, knife rack, and towel bar for convenient access to frequently used items.

SUFFICIENT SPACE FOR STORAGE

Image: An annotated diagram showcasing the ample storage space, including the spice rack, towel bar, two drawers, and two cabinets with adjustable shelves.

Image: A detailed view of one of the easy-glide drawers, demonstrating its capacity for organizing kitchen utensils and small items.

5.3. Moving and Locking the Cart

The four casters allow for easy mobility. Two of the casters are equipped with locking mechanisms to keep the cart stationary when needed.

- **To Move:** Ensure both locking casters are in the unlocked position. Gently push the cart to your desired location.
- **To Lock:** Once the cart is in position, press down on the lever of each locking caster until it clicks into place. This will prevent the cart from rolling.
- **To Unlock:** Lift the lever on each locking caster until it releases.

EASY TO MOVE

6. MAINTENANCE

Proper maintenance will help extend the life of your kitchen island cart:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

- **Wood Care:** For the rubber wood top, consider using a food-safe wood conditioner periodically to maintain its appearance and prevent drying.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten if necessary.
- **Caster Maintenance:** Keep the caster wheels free of debris to ensure smooth rolling.

7. TROUBLESHOOTING

If you encounter any issues with your kitchen island cart, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose fasteners or uneven floor.	Check and tighten all screws. Ensure the cart is on a level surface.
Drawers do not slide smoothly.	Drawer slides are misaligned or obstructed.	Ensure drawer slides are correctly installed and free of debris. Check for proper alignment.
Cabinet doors are misaligned.	Hinges need adjustment.	Adjust the screws on the cabinet hinges to align the doors. Refer to the assembly manual for hinge adjustment details.
Caster wheels are difficult to lock/unlock or roll.	Debris in wheels or stiff mechanism.	Clear any debris from the wheels. Apply a small amount of lubricant to the locking mechanism if it's stiff.
Drop leaf does not stay extended.	Support mechanism not fully engaged.	Ensure the support arm or latch is fully extended and locked into place when raising the drop leaf.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions (Overall)	57.5" W x 29.25" D x 36.75" H
Top Size (Large Section)	47.25" W x 18" D
