## Labebe HY1530035-OR

# Labebe Squirrel Orange Wooden Kids Bookshelf and Walker

MODEL: HY1530035-OR

Brand: Labebe

## Introduction

Thank you for choosing the Labebe Squirrel Orange Wooden Kids Bookshelf and Walker. This versatile product is designed to encourage reading habits in children and provides convenient storage for books and toys. Its integrated wheels allow for easy movement, making it a functional addition to any child's room or play area. This manual provides essential information for safe assembly, operation, and maintenance.

## Safety Information

- Always supervise children when they are using the bookshelf or moving it.
- Ensure all parts are securely fastened before allowing children to use the product.
- Keep small parts away from infants during assembly to prevent choking hazards.
- The product is made from solid wood and eco-friendly paint, strictly compliant with toy safety standards EN-71 CE in Europe and ASTM F963 in the USA.
- Do not allow children to climb on the bookshelf.
- Place the bookshelf on a flat, stable surface.

## Package Contents

Please verify that all components are present before beginning assembly. A detailed list of parts and hardware is typically included in the product packaging. If any parts are missing or damaged, please contact Labebe customer support.

- Side panels (2)
- Front display panels (3)
- Bottom panel
- Back panel

- Wheels (4 functional, 2 decorative)
- Assembly hardware (screws, bolts, etc.)
- Assembly tool (e.g., Allen key)

## Assembly Instructions

Assembly is designed to be straightforward and typically takes approximately 15 minutes. We recommend involving children in the assembly process to make it a fun family activity, ensuring small parts are kept out of reach of infants.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list provided in your physical manual.
2. **Attach Side Panels:** Secure the side panels to the bottom panel using the provided hardware. Ensure the pre-drilled holes align correctly.
3. **Install Front Display Panels:** Insert and secure the three front display panels into the designated slots on the side panels. These panels create the tiered book display.
4. **Attach Back Panel:** Fasten the back panel to complete the main structure. This panel also forms the hidden storage compartment.
5. **Install Wheels:** Attach the four functional wheels to the underside of the bottom panel. The decorative wooden wheels on the side panels are for aesthetic purposes and do not rotate.
6. **Final Check:** Verify that all screws and bolts are tightened securely.

## Operating Instructions

This product serves as both a bookshelf and a mobile storage unit.

- **Bookshelf Function:** The front features three compartments of varying sizes, suitable for organizing different book dimensions. Place books with their covers facing forward to encourage children to select and read.
- **Hidden Storage:** The back of the unit includes a concealed storage space. This area is ideal for storing books or toys that are not in regular use, helping to keep the play area tidy.
- **Mobility:** The four functional wheels allow for easy movement of the bookshelf. Children can use the integrated handle to push or pull the unit, transporting their favorite books and toys to different rooms.

## Maintenance and Care

To ensure the longevity and cleanliness of your Labebe bookshelf:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the paint finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Storage:** If storing the unit for an extended period, keep it in a dry environment away from direct sunlight and extreme temperatures.

## Troubleshooting

- **Difficulty Moving:** Check if the wheels are obstructed by debris or if they are loose. Ensure the surface is smooth for optimal movement.
- **Loose Parts:** If any part feels loose, immediately stop use and re-tighten all connections according to the assembly instructions.
- **Unstable Unit:** Ensure the bookshelf is placed on a level surface. Verify that all assembly steps were completed correctly and all fasteners are secure.

## Specifications

<b>Model Number</b>	HY1530035-OR
<b>Brand</b>	Labebe
<b>Color</b>	Squirrel Orange
<b>Material</b>	Wood
<b>Finish Type</b>	Painted
<b>Product Dimensions (L x W x H)</b>	60 x 53 x 60 cm (23.5 x 21 x 23.5 inches)
