mDesign Lido Collection 5-Drawer Storage Dresser Instruction Manual

Model: 7697MDB

PRODUCT OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of your mDesign Lido Collection 5-Drawer Storage Dresser. This versatile storage unit is designed to help organize various items in bedrooms, nurseries, playrooms, and other living spaces.

Key Features

- Features 5 removable fabric drawers for organized storage.
- Lightweight design allows for easy placement in various rooms.
- Durable wood top provides a hard surface for placing items.
- Drawers include easy-pull handles for simple opening and closing.
- Adjustable plastic feet protect floors and ensure stability on uneven surfaces.
- Constructed with a strong steel frame and breathable non-woven synthetic fabric drawers.

SETUP AND ASSEMBLY

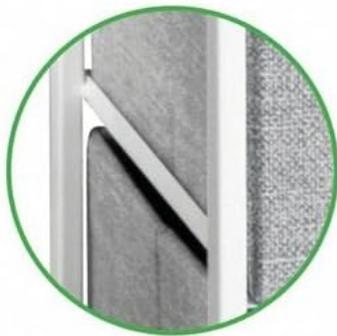

Your mDesign storage dresser requires user assembly. All necessary hardware and tools are included. Please follow these steps carefully for a secure and stable setup.

Step-by-Step Guide

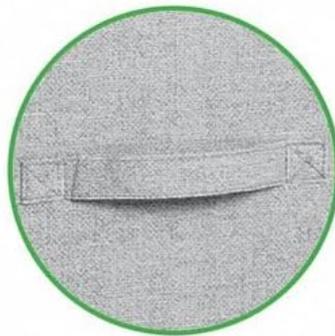

1. Unpack all components and verify against the parts list provided in your packaging.
2. Assemble the steel frame base. Ensure that any metal stops or brackets are oriented towards the back of the unit.
3. Attach the vertical support bars to the base frame.
4. Secure the top frame bars to the vertical supports.
5. Carefully flip the assembled frame over and attach the adjustable feet to the bottom.
6. Unfold each fabric drawer and insert the rigid base support panel into the bottom of each drawer.
7. Place the assembled drawers into their designated slots within the frame.

OPERATING INSTRUCTIONS

The mDesign 5-Drawer Storage Dresser is designed for easy and efficient organization.

- To open a drawer, gently pull the fabric handle located on the front.
- To close a drawer, push it back into the frame until it is flush with the front of the unit.
- Ensure the firm insert is placed inside the bottom of each drawer for added support, especially when storing heavier items.
- The durable wood top provides a stable surface for placing lightweight items such as lamps, books, or decorative objects.

BUILT-IN HANDLES

MAINTENANCE

To maintain the appearance and longevity of your storage dresser, please follow these care instructions:

- Clean the steel frame and wood top with a damp cloth.
- Allow all parts to air dry completely before reassembly or continued use.
- Do not machine wash or tumble dry the fabric drawers. Spot clean as needed with a mild detergent and allow to air dry.

WATER-RESISTANT TOP

GENEROUSLY SIZED DRAWERS!

Image: The dresser top is shown to be water-resistant, and the generously sized drawers are displayed, one filled with clothes and another with toys.

TROUBLESHOOTING

If you encounter any issues with your mDesign 5-Drawer Storage Dresser, please consider the following common solutions:

- **Drawers not sliding smoothly:** Ensure the fabric drawers are fully unfolded and the base support panel is correctly inserted. Check for any obstructions in the drawer slots.
- **Unit wobbles:** Adjust the plastic feet on the bottom of the frame to level the unit on uneven surfaces.
- **Missing parts:** Refer to the parts list in your assembly manual. If parts are missing, contact mDesign customer support.
