Hoco Hoco ES10

Hoco ES10 Wireless Earphones User Manual

Model: Hoco ES10

INTRODUCTION

Thank you for choosing the Hoco ES10 Wireless Earphones. This manual provides essential information on how to set up, operate, and maintain your earphones to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

SAFETY INFORMATION

- Do not expose the earphones to extreme temperatures, humidity, or corrosive substances.
- Avoid dropping or subjecting the earphones to strong impacts.
- Do not disassemble or modify the earphones. This may void the warranty and cause damage.
- Keep out of reach of children and pets. Small parts may pose a choking hazard.
- Use only the provided charging cable or a certified equivalent.
- Avoid listening at high volumes for extended periods to prevent hearing damage.

PACKAGE CONTENTS

Please check the box for the following items:

- Hoco ES10 Wireless Earphones (Left and Right)
- Charging Case
- USB Charging Cable
- Ear Cushions (various sizes)
- User Manual

- **Headset Charging Contact Point:** Connects earphones to charging case.
- **Microphone:** For calls and voice commands.
- **Indicator:** LED light indicating status (pairing, charging, etc.).
- **Multifunctional Key:** Controls playback, calls, and power.
- **Headset Charging Pin:** Pins inside the case that connect to the earphones for charging.
- **Charging Indicator:** LED on the case showing charging status.
- **USB Charging Interface:** Port for charging the case.
- **Headset Charging Switch:** Button to initiate or stop earbud charging within the case.

SETUP

1. Charging the Earphones and Case

Before first use, fully charge both the earphones and the charging case.

1. Place the earphones into the charging case, ensuring they are properly seated.
2. Connect the USB charging cable to the charging case's USB port and the other end to a USB power adapter (not included) or a computer's USB port.

3. The charging indicator on the case will show charging status. Once fully charged, the indicator will change or turn off.

4. A full charge for the 300mAh charging box takes approximately 2 hours. Earbuds take 1 hour for a full charge.

2. Pairing with Your Device

The Hoco ES10 earphones support both single and dual earbud pairing modes.

Image: Illustration of pairing options. Mode A shows one earphone paired to one mobile device. Mode B shows two earphones paired together to one mobile device.

Single Earphone Pairing:

1. Take one earphone out of the charging case. It will automatically enter pairing mode (indicator light will flash).

2. On your mobile device, go to Bluetooth settings and search for "Hoco ES10".

3. Select "Hoco ES10" to connect. Once connected, the indicator light on the earphone will stop flashing.

Dual Earphone Pairing (TWS Mode):

1. Take both earphones out of the charging case. They will automatically connect to each other.
2. Once connected to each other, one earphone will enter pairing mode with your device (indicator light will flash).
3. On your mobile device, go to Bluetooth settings and search for "Hoco ES10".
4. Select "Hoco ES10" to connect. Once connected, the indicator lights on both earphones will stop flashing.

Note: If the earphones do not automatically pair with each other or your device, try turning off Bluetooth on your device, placing the earphones back in the case, and then repeating the steps.

OPERATING INSTRUCTIONS

Basic Functions:

Action	Multifunctional Key Operation
Power On	Press and hold for 3 seconds (or take out of case)
Power Off	Press and hold for 5 seconds (or place into case)
Play/Pause Music	Single press
Answer/End Call	Single press
Reject Call	Press and hold for 2 seconds
Next Track	Double press (Right earbud)
Previous Track	Double press (Left earbud)
Activate Voice Assistant	Triple press

Battery Life:

- **Single Mode:** Approximately 5 hours of continuous use, 120 hours standby time.
- **Dual Mode:** Approximately 2.5 hours of continuous use, 60 hours standby time.

MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earphones and charging case. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earphones in their charging case to protect them and keep them charged.
- **Avoid Moisture:** Keep the earphones and case away from water and excessive moisture.
- **Charging:** Charge the earphones regularly, even if not in frequent use, to maintain battery health.

TROUBLESHOOTING

Problem	Possible Solution

Problem	Possible Solution
Earphones not turning on	Ensure earphones are charged. Place them in the charging case and check the charging indicator.
Cannot pair with device	- Ensure Bluetooth is enabled on your device. - Make sure earphones are in pairing mode (flashing indicator). - Forget "Hoco ES10" from your device's Bluetooth list and try pairing again. - Ensure earphones are sufficiently charged.
Only one earphone working	- Place both earphones back into the charging case, close the lid, then open and take them out again to force re-connection. - Ensure both earphones are charged. - Try re-pairing both earphones to your device.
Poor sound quality or disconnections	- Ensure earphones are within the Bluetooth range of your device. - Check for interference from other wireless devices. - Recharge the earphones and your device.
Charging case not charging	- Check the USB cable and power adapter. - Ensure the charging port is clean and free of debris.
