

LEGO Old Fishing Store 21310

LEGO Ideas Old Fishing Store (21310) Instruction Manual

Model: Old Fishing Store 21310 | Brand: LEGO

INTRODUCTION

This manual provides detailed instructions for assembling and understanding the features of your LEGO Ideas Old Fishing Store (21310) set. This set is designed for builders aged 12 and up, offering a rewarding construction experience and a detailed display model.

The Old Fishing Store features a detailed exterior, a shop filled with fishing-themed elements, and a connected watchtower with a 360-degree viewing balcony and an office on the lower level. It includes 4 minifigures, a cat, and 3 seagull figures, along with various accessories.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included building guide to assemble your LEGO Ideas Old Fishing Store. Ensure all 2049 pieces are accounted for before beginning construction.

Key Assembly Features:

- **Detailed Exterior:** Construct the main building with its unique weathered appearance, steps to the front and side doors, railings, and ventilator.
- **Shop Interior:** Assemble the interior of the fishing shop, which is packed with fishing-themed elements and accessories.
- **Watchtower:** Build the connected watchtower, featuring a 360-degree viewing balcony and an office on the lower level.
- **Minifigures and Accessories:** Place the 4 minifigures (captain, fisherman, fisherwoman, child), cat, and 3 seagull figures in their designated areas to bring the scene to life.

PRODUCT FEATURES AND PLAYABILITY

The LEGO Ideas Old Fishing Store is designed for both display and interactive play. Several features allow for easy access and enhanced storytelling.

Removable Sections:

- **Removable Roofs:** Both the main shop roof and the watchtower roof are designed to be easily removed, providing access to the detailed interiors.
- **Opening Back Wall:** The shop features an opening back wall for convenient access to the interior details and minifigure placement.

Interactive Elements:

- The set includes various fishing-related accessories such as fishing rods, nets, and crates, enhancing role-play scenarios.
- Minifigures can be positioned throughout the store, on the dock, or in the watchtower to create dynamic scenes.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your LEGO set, follow these simple care guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap to gently clean dust and dirt from the bricks. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration and damage.
- **Handling:** Handle the model carefully, especially when moving it, to prevent pieces from detaching.

TROUBLESHOOTING

Missing Pieces:

If you find any missing pieces during assembly, please contact LEGO Customer Service directly. They can assist with replacement parts.

Loose Connections:

Ensure all bricks are firmly pressed together. Sometimes, a loose connection can cause instability. Re-examine the affected section of the model and press pieces together until they are secure.
