## 3. ASSEMBLY INSTRUCTIONS

Assembly of the Totes Tidy Toy Organizer is designed to be quick and straightforward. No special tools are required.

1. Identify the two plastic side panels. These form the main frame of the organizer.

2. Take the wooden dowels. Each dowel will connect the two side panels.
3. Align the ends of each dowel with the corresponding holes in the side panels.
4. Gently push and snap the dowels into place. Ensure each dowel is securely seated in both side panels.
5. Once the frame is assembled, place the bins onto the dowels. The bins are designed to slide easily onto the wooden rods.
6. Arrange the small and large bins as desired. The bins are interchangeable, allowing for flexible organization.

## 4. OPERATING INSTRUCTIONS / USAGE

The Totes Tidy Toy Organizer is designed for easy and intuitive use by children. Its primary function is to provide accessible storage for toys, books, and other items, helping to maintain a tidy play area.

- **Toy Storage:** Utilize the 10 stackable bins to sort and store various toys. The different bin sizes (8 small, 2 large) accommodate items of varying dimensions.
- **Easy Access:** The open design allows children to easily see and access their toys, promoting independent play and cleanup.
- **Portability:** The lightweight bins can be easily removed from the organizer and carried to different play areas, making cleanup and organization flexible.
- **Promotes Responsibility:** Encourage children to put away their toys after playtime, fostering a sense of responsibility and good habits.

## 5. MAINTENANCE

To ensure the longevity and cleanliness of your B. toys Totes Tidy Toy Organizer, follow these simple maintenance guidelines:

- **Cleaning Bins:** The plastic bins can be easily removed and wiped clean with a damp cloth and mild soap. For thorough cleaning, they can also be washed in a dishwasher. Ensure they are completely dry before returning them to the organizer.
- **Cleaning Frame:** Wipe down the plastic side panels and wooden dowels with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- **Regular Inspection:** Periodically check all connections to ensure the wooden dowels are securely snapped into the plastic side panels. This helps maintain the unit's stability.
- **Avoid Excessive Weight:** Do not overload the bins with excessively heavy items, as this could cause damage to the bins or the organizer frame.

## 6. TROUBLESHOOTING

Here are some common issues and their solutions:

- **Bins not sliding smoothly:** Check if there is any debris or small toys obstructing the dowels. Ensure the bins are correctly aligned on the dowels.
- **Organizer wobbles:** Verify that all wooden dowels are fully inserted and securely snapped into the holes on both plastic side panels. Apply gentle pressure to ensure a snug fit.
- **Bins appear scratched or damaged:** While the bins are durable, excessive force or sharp objects can cause damage. Replacement bins may be available from the manufacturer or retailer.
