Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- **Anti-Tipping:** This furniture set includes anti-tipping hardware. It is crucial to install these devices as instructed to prevent serious injury from furniture tip-over.
- **Weight Limits:** Do not exceed the recommended weight limits for drawers and surfaces. Overloading can compromise stability and structural integrity.
- **Assembly:** Ensure all components are correctly assembled and all fasteners are securely tightened before use. Periodically check and re-tighten fasteners.
- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the furniture.
- **Placement:** Place furniture on a level surface. Uneven surfaces can lead to instability.
- **Moving Furniture:** When moving furniture, always lift it rather than dragging it to prevent damage to the furniture and flooring.

Setup and Assembly

Assembly is required for this bedroom set. It is recommended that two adults perform the assembly. Ensure you have adequate space and all necessary tools before beginning.

Required Tools (Not Included):

- Phillips Head Screwdriver
- Flat Head Screwdriver
- Rubber Mallet (optional, for gentle tapping)

Components Included:

- King Platform Storage Bed (Headboard, Footboard, Side Rails with Storage Drawers, Slats)
- Dresser
- Mirror (for attachment to Dresser)
- Nightstand

Please refer to the separate assembly instructions provided with each individual furniture piece for detailed, step-by-step guidance. Ensure all hardware is present before starting. Do not overtighten screws.

Operation and Usage

Platform Storage Bed:

- The platform bed design eliminates the need for a box spring. Place your mattress directly on the provided slats.
- Utilize the four storage drawers integrated into the side rails for linens, clothing, or other bedroom essentials. Ensure drawers are closed completely when not in use.

Dresser and Nightstand:

- Drawers are designed for smooth operation. Avoid forcing drawers open or closed.
- Distribute weight evenly within drawers to prevent strain on the drawer glides.
- The dresser and nightstand surfaces can be used for lamps, decorative items, or personal belongings. Use coasters under drinks to protect the finish.

Care and Maintenance

Proper care will extend the life and beauty of your Picket House Furnishings Dex Bedroom Set. This furniture is constructed from Poplar Wood, MDF, and Poplar Solid Wood with a walnut finish.

- **Cleaning:** Dust regularly with a soft, dry, lint-free cloth. For deeper cleaning, wipe with a damp cloth and immediately dry with another clean, soft cloth. Avoid abrasive cleaners, harsh chemicals, or silicone-based polishes.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.
- **Sunlight and Heat:** Avoid placing furniture in direct sunlight or near heat sources (e.g., radiators, heating vents) as this can cause fading, cracking, or warping.
- **Humidity:** Maintain a consistent humidity level in your room to prevent wood from expanding or contracting excessively.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary.
- **Moving:** When moving furniture, always lift it. Do not drag, as this can damage the legs, joints, or floor.

Troubleshooting

Issue	Possible Cause	Solution
Furniture feels wobbly or unstable.	Loose fasteners; uneven floor.	Check and tighten all assembly screws. Ensure furniture is on a level surface; use shims if necessary.
Drawers do not slide smoothly.	Drawer glides are dirty or misaligned; drawer is overloaded.	Clean drawer glides. Check for obstructions. Ensure drawer contents are evenly distributed and not exceeding weight limits.

Issue	Possible Cause	Solution
Wood appears dry or faded.	Exposure to direct sunlight or dry air.	Relocate furniture away from direct sunlight. Consider using a humidifier in dry environments. Consult a furniture care specialist for appropriate wood conditioners if needed.
Minor scratches or dents.	Accidental impact during use.	For minor blemishes, touch-up pens or furniture repair kits matching the walnut finish may be used. Test in an inconspicuous area first.
