

## LEGO 70612

# LEGO NINJAGO Movie Green Ninja Mech Dragon 70612 Building Kit Instruction Manual

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of the LEGO NINJAGO Movie Green Ninja Mech Dragon 70612 building kit. Designed for builders aged 8-14, this set allows for the creation of an articulated mech dragon with various interactive features.

## SETUP AND ASSEMBLY

The LEGO NINJAGO Movie Green Ninja Mech Dragon 70612 kit contains 544 pieces. Follow the step-by-step visual instructions provided in the included building guides to assemble your model. Ensure all pieces are accounted for before beginning assembly.

During assembly, you will construct the Green Ninja Mech Dragon, featuring articulated snapping jaws, a fully posable body, a wheel-activated swooshing tail, two leg-mounted stud shooters, and two hidden pop-out thrusters. The kit also includes four minifigures: Lloyd (The Green Ninja), Master Wu, Lord Garmadon, and Charlie.

## OPERATING FEATURES

Once assembled, the Green Ninja Mech Dragon offers several interactive features:

- **Articulated Snapping Jaws:** The dragon's jaws can be manually opened and closed for dynamic play.
- **Posable Body:** The dragon's body segments are articulated, allowing for various poses and movements.
- **Wheel-Activated Swooshing Tail:** A mechanism in the dragon's body allows the tail to swoosh when a wheel is turned, simulating movement.
- **Leg-Mounted Stud Shooters:** Two stud shooters are integrated into the dragon's legs. Load the studs and press the triggers to fire.
- **Hidden Pop-Out Thrusters:** The dragon features two hidden thrusters that can be deployed for flight simulation.

## MAINTENANCE

To ensure the longevity of your LEGO set, follow these maintenance guidelines:

- **Cleaning:** Use a soft brush or cloth to gently remove dust. For deeper cleaning, wash LEGO bricks with mild soap and lukewarm water (not exceeding 40°C / 104°F). Rinse thoroughly and air dry. Avoid harsh chemicals or hot water, as these can damage the plastic.
- **Storage:** Store the assembled model or individual bricks in a cool, dry place away from direct sunlight to prevent discoloration and warping.
- **Handling:** Handle the model with care, especially articulated parts, to prevent accidental disassembly or damage.

## TROUBLESHOOTING

If you encounter any issues with your LEGO NINJAGO Movie Green Ninja Mech Dragon, consider the

following:

- **Missing Pieces:** If you discover any missing pieces during assembly, please contact LEGO Customer Service directly for assistance.
- **Loose Connections:** Ensure all bricks are firmly pressed together according to the instructions. Sometimes, a loose connection can affect the stability or functionality of articulated parts.
- **Functionality Issues:** If a feature like the tail mechanism or stud shooters is not working correctly, re-examine the relevant assembly steps in the instruction manual to confirm correct construction.

## SPECIFICATIONS

| Feature            | Detail                                     |
|--------------------|--|
| Product Name       | LEGO NINJAGO Movie Green Ninja Mech Dragon |
| Model Number       | 70612                                      |
| Number of Pieces   | 544  |
| Recommended Age    | 8 - 14 years                               |
| Product Dimensions | 11.1 x 2.4 x 18.9 inches                   |
| Item Weight        | 1.56 pounds                                |
| Manufacturer       | LEGO                                       |
| Release Date       | August 1, 2017                             |

## WARRANTY AND SUPPORT

LEGO products are manufactured to high-quality standards. For information regarding product warranty, missing parts, or any other support needs, please visit the official LEGO website or contact their customer service department. Detailed contact information can typically be found on the LEGO packaging or their official support pages.
