Pibbs PIB-PS-9

Pibbs PS9 Lounge Pedicure Chair User Manual

Model: PIB-PS-9

Introduction

The Pibbs PS9 Lounge Pedicure Chair is designed for professional salon and spa environments, offering comfort and functionality. This manual provides essential information for the proper setup, operation, and maintenance of your chair.

Key Features:

- **Motorized Reclining:** Smooth, one-touch adjustment for client comfort.
- **Vibration Massage:** Integrated vibration in the backrest and seat for relaxation.
- **Adjustable Footrest:** Sturdy dual-steel footrest for precise positioning.
- **Compact Design:** Retractable platform to maximize floor space.
- **Storage Solutions:** Side pouches for client belongings and a removable front pouch for tools.
- **Durable Construction:** Crafted with long-lasting materials and replaceable back/seat pads.

Important Safety Information

Maximum Weight Recommendation: Do not exceed the maximum weight limit of 175 pounds (79.4 kg) to ensure the safety and stability of the chair.
Always ensure the chair is placed on a stable, level surface before use. Keep hands and feet clear of moving parts during adjustment. Do not attempt to modify the chair or its components, as this may void the warranty and create safety hazards.

Setup

The Pibbs PS9 Lounge Pedicure Chair is delivered fully assembled, requiring no complex installation. Simply unbox the chair and place it in your desired location.

The chair features a retractable platform designed to accommodate most standard footbaths, including the Pibbs Footsie Bath (sold separately). To extend the platform, gently pull it forward from beneath the chair. Ensure it is securely locked in place before placing a footbath on it.

Image: The Pibbs PS9 Pedicure Chair with its retractable footrest extended, revealing a designated space for a footbath. This design allows for easy integration of a footbath without permanent plumbing.

Operating Instructions

The chair is operated using the integrated remote control located on the armrest.

Motorized Reclining:

Use the designated buttons on the remote control to smoothly recline or raise the chair's backrest to the desired position. The motorized function allows for effortless adjustments to optimize client comfort during services.

Vibration Massage:

Activate the vibration massage feature using the remote control. The chair provides soothing vibration in both the backrest and seat. Adjust intensity or patterns as desired for client relaxation.

Adjustable Footrest:

The sturdy dual-steel footrest can be manually adjusted to various heights and angles to ensure precise positioning and comfort for different clients and service requirements.

Smart Storage Solutions:

The chair includes side storage pouches on both armrests for clients to store personal items. A removable front pouch is also provided for technicians to keep tools organized and accessible during services.

Maintenance

Cleaning Instructions:

To maintain the chair's appearance and hygiene, wipe all surfaces clean with a soft, damp cloth. For upholstery, use a mild, non-abrasive cleaner suitable for vinyl or faux leather. Avoid harsh chemicals or abrasive materials that could damage the finish.

Replaceable Components:

The Pibbs PS9 chair features replaceable back and seat pads, allowing for easy refurbishment and extended product life. Contact customer support for information on obtaining replacement parts.

Troubleshooting

- **No Power/Functionality:** Ensure the chair is properly plugged into a working power outlet. Check all cable connections for security.
- **Vibration Massage Not Working:** Verify that the massage function is activated on the remote control. If issues persist, check the power connection to the chair.
- **Reclining Mechanism Issues:** If the chair does not recline or adjust smoothly, ensure no obstructions are present. Check the remote control for battery issues or damage.
- **Unstable Chair:** Confirm the chair is placed on a flat, even surface. Adjust any leveling feet if necessary.

For persistent issues or concerns not addressed here, please contact Pibbs customer support.
