Tork 121225

Tork Basic Mini Centerfeed Paper Towel M1 User Manual

Brand: Tork | Model: 121225

1. PRODUCT OVERVIEW

The Tork Basic Mini Centerfeed Paper Towel White M1 is designed for efficient and hygienic hand drying and general wiping tasks. These high-absorbency, 2-ply paper towels are suitable for various professional environments, offering one-at-a-time dispensing to improve hygiene and reduce consumption. The product is made from 100% recycled fiber, ECOLOGO certified, and independently verified compostable, reflecting a commitment to environmental responsibility.

Key Features:

- Improved hygiene through one-at-a-time dispensing.
- Highly absorbent and soft, enhancing user experience and reducing towel usage.
- Environmentally friendly, made from 100% recycled fiber, ECOLOGO certified, and compostable.
- Convenient Easy Handling Carry Box for storage and transport.
- Each case contains 12 rolls, with 266 sheets per roll, 2-ply quality. Roll dimensions: Length 261.6', Width 8.3", Sheet length 11.8". Core inner diameter 2.9". Compatible with M1 dispensers.

2. SETUP AND INSTALLATION

Loading into an M1 Dispenser

The Tork Basic Mini Centerfeed Paper Towel is specifically designed for use with Tork M1 dispensers. Proper loading ensures optimal one-at-a-time dispensing.

1. Open the Tork M1 dispenser according to its specific instructions.
2. Remove the core from the center of the paper towel roll. This allows for centerfeed dispensing.
3. Place the coreless paper towel roll into the dispenser, ensuring the paper feeds from the center opening.
4. Pull the leading edge of the paper through the dispenser's opening.
5. Close the dispenser securely.

3. OPERATING INSTRUCTIONS

Using the Paper Towels

Once loaded into a compatible M1 dispenser, the Tork Basic Mini Centerfeed Paper Towels are ready for use.

- **For Hand Drying:** Pull one sheet from the dispenser. The one-at-a-time dispensing mechanism ensures only one sheet is presented, promoting hygiene and reducing waste. Dry hands thoroughly.
- **For General Wiping:** Pull the desired number of sheets for cleaning surfaces, spills, or other wiping tasks. The high absorbency makes them effective for various applications, including multi-purpose cleaning, glass cleaning, and hand wiping.

4. MAINTENANCE AND STORAGE

Storage

Store Tork Basic Mini Centerfeed Paper Towels in a dry environment, away from direct moisture and extreme temperatures, to maintain product quality and absorbency.

Environmental Considerations

This product is made from 100% recycled fiber and is ECOLOGO certified and independently verified compostable. Dispose of used towels responsibly according to local waste management guidelines. The Easy Handling Carry Box facilitates transport and storage.

Meets or exceeds environmental standards

Certified by trusted organizations

- This product is made from 100% recycled fiber
- Meets EPA guidelines for post-consumer recycled fiber content

6. TROUBLESHOOTING

Common Issues and Solutions

Issue: Towels not dispensing properly.

Solution: Ensure the core has been completely removed from the center of the roll before loading into the dispenser. Verify that the roll is correctly seated and the paper is threaded through the dispenser's opening without obstruction. Check the dispenser mechanism for any blockages or damage.

Issue: Towels tearing or jamming.

Solution: Confirm that the paper towel roll is compatible with your specific Tork M1 dispenser model. Inspect the dispenser's cutting mechanism for wear or damage. Ensure the roll is not too tightly packed or misaligned within the dispenser.

Issue: Reduced absorbency.

Solution: Ensure towels have been stored in a dry environment. Moisture can compromise absorbency. Replace any rolls that appear damp or damaged.

7. WARRANTY AND SUPPORT
