

Italeri 3922 Scania 164L Topclass

Italeri 3922 Scania 164L Topclass Model Kit Instruction Manual

Brand: Italeri | Model: 3922 Scania 164L Topclass | Scale: 1:24

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling the Italeri 3922 Scania 164L Topclass 'Showtrucks' Model Kit. This highly detailed 1:24 scale plastic model kit is designed for enthusiasts and collectors. Please read all instructions carefully before beginning assembly.

2. SAFETY INFORMATION

This product is intended for adult collectors aged 14 years and above. It contains small parts that may pose a choking hazard. Keep out of reach of young children. Use glues and paints in a well-ventilated area as directed by their manufacturers' safety guidelines.

3. KIT CONTENTS

The Italeri 3922 Scania 164L Topclass Model Kit includes:

- Plastic sprues with all necessary parts for the truck model.
- Super decals for two versions.
- Adhesive stencil.
- New rubber tires.
- Chrome rims and additional chrome parts.
- Instruction booklet.

4.2. Paints and Washings

Specific acrylic paints and optional washings are suggested for accurate detailing:

Required Paints

Code	Description
510004605	IT Acrylfarbe Rot glänzend 20ml (Gloss Red)
510004678	IT Acrylfarbe Silber glänzend 20ml (Gloss Silver)
510004682	IT Acrylfarbe Orange glänzend 20ml (Gloss Orange)
510004695	IT Acrylfarbe Schwarz glänzend 20ml (Gloss Black)
510004696	IT Acrylfarbe Weiss glänzend 20ml (Gloss White)
510004721	IT Acrylfarbe Insignia Gelb matt 20ml (Matt Insignia Yellow)
510004768	IT Acrylfarbe Schwarz matt 20ml (Matt Black)
510004671	IT Acrylfarbe Gold glänzend 20ml (Gloss Gold)

Optional Washings

Code	Description
------	-------------

1. **Chassis Assembly:** Begin with the main frame, axles, and suspension components.
2. **Engine and Drivetrain:** Assemble the detailed V8 engine and connect it to the chassis.
3. **Cab Interior:** Construct the dashboard, seats, and other interior details.
4. **Cab Exterior:** Assemble the cab panels, roof, and attach to the chassis.
5. **Wheels and Tires:** Mount the rubber tires onto the chrome rims and attach to the axles.
6. **Detailing:** Add mirrors, lights (clear parts), and other small exterior components.
7. **Decals:** Apply the chosen decals according to the instructions for your desired version.

Refer to the instruction booklet for specific part numbers and assembly sequences. Some parts may require careful handling due to their small size or delicate nature.

7. PAINTING AND FINISHING

Painting can be done at various stages of assembly, depending on your preference and the complexity of the parts. It is often recommended to paint smaller, detailed parts before attaching them. Use the recommended Italeri acrylic paints for best results. Apply thin, even coats to avoid obscuring details. Optional washings can be used to enhance panel lines and add weathering effects for a more realistic finish.

8. TROUBLESHOOTING

While Italeri strives for quality, model kits can sometimes present challenges. Here are common issues and potential solutions:

- **Parts Not Fitting:** Carefully trim any excess plastic (flash) from the edges of the parts. If parts still do not fit, gently sand the mating surfaces. Avoid forcing parts together, as this can cause breakage.
- **Unclear Instructions:** If a step in the manual seems unclear or indicates incorrect part placement, refer to the overall diagrams or illustrations in the manual for clarification. Sometimes, reviewing subsequent

steps can provide context.

- **Missing or Damaged Parts:** In the event of missing or significantly damaged parts, please contact Italeri customer support (see Section 10).
- **Decal Application Issues:** Ensure the surface is clean and smooth. Use decal setting solutions to help decals conform to irregular surfaces and eliminate air bubbles.

9. SPECIFICATIONS

Feature	Detail
Brand	Italeri
Model Name	Scania 164L Topclass "Showtrucks"
Model Number	3922
Scale	1:24
Type	Truck Tractor Model Kit
Material	Plastic
