# Signature Design by Ashley Harpan Traditional TV Stand

MODEL: W797-68

Brand: Signature Design by Ashley

## PRODUCT OVERVIEW

---

The Signature Design by Ashley Harpan Traditional TV Stand is a robust and stylish furniture piece designed to enhance your living space. Crafted from mango veneers and select hardwood solids, it features a rich, reddish-brown finish. This stand is built to accommodate televisions up to 70 inches and includes ample storage with three adjustable shelves and two storage cabinets, making it ideal for organizing media components, decor, or other items. Its design allows for seamless integration with an optional fireplace insert (sold separately) for added ambiance.

## SETUP AND ASSEMBLY

---

Assembly of the Harpan TV Stand is required. Please follow the detailed instructions provided in the official Installation Manual (PDF) for a smooth and correct setup. Ensure all components are present before beginning assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

### Key Assembly Tips:

- Carefully identify all parts and hardware using the provided list in the manual.
- Do not overtighten screws to avoid damaging the wood.
- Ensure all connections are secure before placing any weight on the stand.
- For optimal stability, assemble the unit on a flat, level surface.

## OPERATION AND USAGE

---

The Harpan TV Stand is designed for versatile use in your living room or entertainment area. It features a spacious top surface suitable for large televisions, along with multiple compartments for media devices and storage.

- **Adjustable Shelves:** The central section includes adjustable shelves, allowing you to customize the height to fit various media components such as soundbars, gaming consoles, or DVD players.
- **Storage Cabinets:** Two side cabinets with glass-framed doors provide enclosed storage, perfect for keeping items dust-free and organized while still allowing for display.
- **Cable Management:** Integrated cutouts in the back panel facilitate easy cable routing, helping to keep wires tidy and out of sight.
- **Fireplace Option:** This model is designed to seamlessly accommodate an optional electric fireplace insert (e.g., W100-121 fireplace insert by Ashley), transforming your entertainment center into a cozy focal point.

## CARE AND MAINTENANCE

---

Proper care will ensure the longevity and beauty of your Harpan TV Stand.

- **Cleaning:** Dust regularly with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth with mild soap and water, then immediately dry with a clean, soft cloth. Avoid abrasive cleaners or harsh chemicals.
- **Protection:** Use coasters or placemats under hot or wet items to prevent watermarks and heat damage. Avoid

placing the stand in direct sunlight or near heat sources, as this can cause fading or warping.

- **Spills:** Wipe up spills immediately to prevent staining or damage to the wood finish.
- **Moving:** When moving the stand, always lift it rather than dragging it to prevent damage to the legs and frame.

## TROUBLESHOOTING

---

While the Harpan TV Stand is designed for durability, occasional issues may arise. Here are some common concerns and potential solutions:

- **Damaged Parts Upon Arrival:** If any components are damaged during shipping, do not proceed with assembly. Contact customer support immediately for replacement parts.
- **Assembly Difficulties (Misaligned Holes/Pegs):** Double-check that you are using the correct hardware for each step as per the installation manual. Ensure parts are oriented correctly. If alignment issues persist, verify that no components are bent or warped. In some cases, slight adjustments may be needed, but if parts are significantly misaligned or defective, contact customer support.
- **Bowing Shelves:** Ensure that the weight distributed on the shelves does not exceed their capacity. Avoid placing excessively heavy items on any single shelf. Verify that all support pegs and connections for the shelves are properly installed and secure.
- **Wobbling/Instability:** Confirm that the stand is placed on a level surface. Check all screws and fasteners to ensure they are tightened securely. If the issue persists, re-examine the assembly steps for any missed or incorrectly installed components.

For issues not covered here, or if solutions do not resolve the problem, please refer to the Customer Support section.
