## Summer Infant 77710

# Summer Infant Elite Duomat Car Seat Protector Instruction Manual

## INTRODUCTION

The Summer Infant Elite Duomat is designed to protect your vehicle's upholstery from marks, scratches, and spills caused by car seats. This durable, easy-to-clean mat is compatible with both rear-facing and forward-facing car seats, providing comprehensive protection. Its non-skid backing securely grips upholstery, while the textured top surface helps prevent the car seat from shifting. The Elite Duomat has been crash-tested to ensure it stays in place during an accident, offering peace of mind.

## PRODUCT FEATURES

- **Waterproof Materials:** Prevents stains and soiling on car upholstery.
- **Easy Care:** Wipes clean for simple maintenance.
- **Adjustable Back Panel:** Adapts to fit any infant or child car seat.

- **Deeper Side Slots:** Accommodates LATCH anchors and seat belts for secure installation.
- **Handy Mesh Pockets:** Keeps drinks, snacks, and toys organized and within reach.
- **Crash Tested:** Designed to stay in place in the event of an accident with popular car seat models like Graco SnugRide, Chicco KeyFit, and Evenflo Tribute.
- **Super-Grip Vinyl and Non-Skid Backing:** Helps prevent slips and falls, ensuring the mat remains securely positioned.

## SETUP AND INSTALLATION

To install the Summer Infant Elite Duomat, place it on your vehicle's seat where the car seat will be positioned. Ensure the non-skid backing is in direct contact with the vehicle's upholstery to prevent movement. The back panel of the Duomat is adjustable to provide optimal coverage for various car seat sizes and types, whether forward or rear-facing. Utilize the deeper side slots to properly route LATCH anchors or vehicle seat belts, ensuring a secure and correct car seat installation. Always refer to your car seat's instruction manual for specific installation requirements.

## OPERATING INSTRUCTIONS

Once installed, the Elite Duomat functions passively to protect your car's interior. Its primary role is to create a barrier between the car seat and your vehicle's upholstery, preventing indentations, scuffs, and spills. The integrated mesh pockets located at the front of the mat provide convenient storage for small items such as pacifiers, small toys, or snacks, keeping them accessible for your child during travel.

## MAINTENANCE

The Summer Infant Elite Duomat is designed for easy maintenance. In case of spills or soiling, simply wipe the mat clean with a damp cloth. The waterproof material prevents liquids from penetrating to your car's seat. Allow the mat to air dry completely before reinstalling the car seat.

## TROUBLESHOOTING

If you encounter any issues with the fit or function of your Elite Duomat, please ensure it is correctly positioned according to the installation instructions. Verify that the non-skid backing is flat against the vehicle seat and that car seat anchors or belts are routed through the designated slots. If problems persist, contact Summer Infant customer support for assistance.

## SPECIFICATIONS

|               |                                          |
