

Suite Bebe 11400

Suite Bebe Riley 4-in-1 Convertible Baby Crib

MODEL: 11400

Introduction

This manual provides essential instructions for the safe assembly, operation, maintenance, and conversion of your Suite Bebe Riley 4-in-1 Convertible Baby Crib. Please read all instructions carefully before assembly and keep this manual for future reference. The Riley crib is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed.

Safety Information

WARNING: Failure to follow these warnings and the assembly instructions could result in serious injury or death.

- Read all instructions before using the crib.
- Keep this manual in a safe place for future reference.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Suite Bebe for replacement parts and instructional literature if needed. Do not substitute parts.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- The mattress used with this crib must be at least 27 1/4 inches (69 cm) by 51 5/8 inches (131 cm) with a thickness not exceeding 6 inches (15 cm).
- To prevent falls, when the child is able to pull himself or herself to a standing position, the mattress support should be adjusted to the lowest position.
- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not hang items on the crib that could pose a strangulation hazard.
- This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm (Proposition 65 warning).

High-Quality Products You Can Trust!

Lead & phthalate safe, non-toxic finish

High-Quality materials

Maximum weight recommended 50 lbs

The Suite Bebe Riley crib is designed with safety in mind, featuring non-toxic finishes and high-quality materials, with a maximum weight recommendation of 50 lbs.

Parts List

Please verify that all components are present before beginning assembly. The package includes the 4-in-1 convertible crib components. Additional conversion kits (toddler guardrail, full-size bed rails) are sold separately.

For a detailed list of parts and hardware, refer to the packing list included with your product packaging.

Assembly Instructions

Assembly requires two adults. Use the provided hardware and tools. Do not use power tools as they may overtighten and damage the wood.

General Assembly Notes:

- Lay out all parts on a soft, clean surface to prevent scratches.
- Identify all hardware and ensure quantities match the parts list.
- Do not fully tighten bolts until instructed to do so.

Video Overview:

This video provides an overview of the Suite Bebe Riley Collection, showcasing its features and various configurations. It can assist in understanding the product's design and conversion capabilities.

Basic Crib Assembly Steps (General):

1. Attach the two end panels to one side rail using the provided bolts and barrel nuts. Ensure the side rail is oriented correctly.
2. Insert the mattress support into the designated slots on the end panels. Secure it at the desired height using the appropriate hardware.
3. Attach the second side rail to the end panels, aligning it with the mattress support.
4. Secure all connections, ensuring the crib is stable and all bolts are tightened. Do not overtighten.

Conversion Instructions

The Suite Bebe Riley crib converts into a toddler bed, daybed, and full-size bed. Conversion kits are sold separately.

Convertible

Converts from a crib to a toddler bed, and a day bed with the addition of the guardrail

Visual representation of the 4-in-1 conversion options for the Riley crib.

Toddler Bed Conversion:

- Remove the front side rail of the crib.
- Attach the Suite Bebe Riley Toddler Guardrail (sold separately) to the end panels where the front rail was removed.
- Ensure the guardrail is securely fastened according to its specific instructions.

Daybed Conversion:

- Remove the front side rail of the crib. No guardrail is used for this configuration.
- Ensure the mattress support is at the lowest position for safety.

Full-Size Bed Conversion:

- Disassemble the crib, retaining the headboard and footboard (the end panels of the crib).
- Attach the Suite Bebe Riley Full-Size Bed Rails (sold separately) to the headboard and footboard.
- Follow the specific instructions provided with the full-size bed rails for proper assembly.

Complementary items like the Riley Changing Table and Guard Rail are available separately to complete your nursery.

Operating Instructions

Mattress Height Adjustment:

The Suite Bebe Riley crib features 3 adjustable mattress height settings. To adjust the mattress support height:

1. Remove the mattress from the crib.
2. With the help of another adult, carefully lift the mattress support and reposition it to the desired height level.
3. Ensure all four corners of the mattress support are securely seated in their respective slots and re-tighten any loosened hardware.
4. Always use the lowest mattress position once your child can pull themselves to a standing position.

Maintenance and Care

Cleaning:

- Wipe with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish.
- Dry thoroughly after cleaning.

General Care:

- Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten as needed.
- Avoid exposing the crib to extreme temperatures or humidity, which can cause warping or cracking.
- Do not store the crib in direct sunlight for extended periods.

Troubleshooting

Loose Parts:

If any parts feel loose, gently tighten the corresponding screws or bolts. Do not overtighten.

Missing or Damaged Parts:

If you discover any missing or damaged parts upon opening the package, do not proceed with assembly. Contact Suite Bebe customer support immediately for assistance and replacement parts.

Difficulty with Assembly:

Review the assembly instructions carefully. Ensure all parts are oriented correctly. If issues persist, contact customer support.
