Sluban M38-B0631

Sluban M38-B0631 SL95401 Fire Station Building Blocks Set - Instruction Manual

Model: M38-B0631 | Brand: Sluban

INTRODUCTION

This instruction manual provides important information for the assembly, operation, and maintenance of your Sluban M38-B0631 SL95401 Fire Station Building Blocks Set. Please read this manual carefully before beginning assembly to ensure correct usage and to maximize your enjoyment of the product.

SAFETY INFORMATION

WARNING: Not suitable for children under 36 months (3 years). This product contains small parts that may present a choking hazard if swallowed. Adult supervision is recommended during assembly and play.

- Keep all packaging materials away from children.
- Ensure all parts are securely connected during assembly.
- Do not modify the product in any way not described in this manual.

PACKAGE CONTENTS

Your Sluban M38-B0631 SL95401 Fire Station Building Blocks Set includes the following components:

- Approximately 612 building block pieces for assembly.
- Components to build a multi-level fire station.
- Four firefighter figures.
- One fire boat.
- One emergency vehicle (fire truck).
- One burning vehicle accessory.
- Detailed instruction booklet for assembly.

Image: Overview of the Sluban Fire Station set, showing the assembled station, various firefighter figures, and additional accessories like a small alligator and a keychain. The station measures approximately 11.5 inches in width.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included assembly booklet. Sort the building blocks by color and shape to facilitate the assembly process.

1. **Unpack all components:** Carefully remove all building blocks and accessories from the packaging.
2. **Organize parts:** It is recommended to sort the blocks into groups before starting.
3. **Follow the manual:** Refer to the detailed graphical instructions in the booklet to assemble the fire station, vehicles, and figures.
4. **Modular Assembly:** The fire station is designed for modular assembly, allowing sections to be built independently and then connected.
5. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.

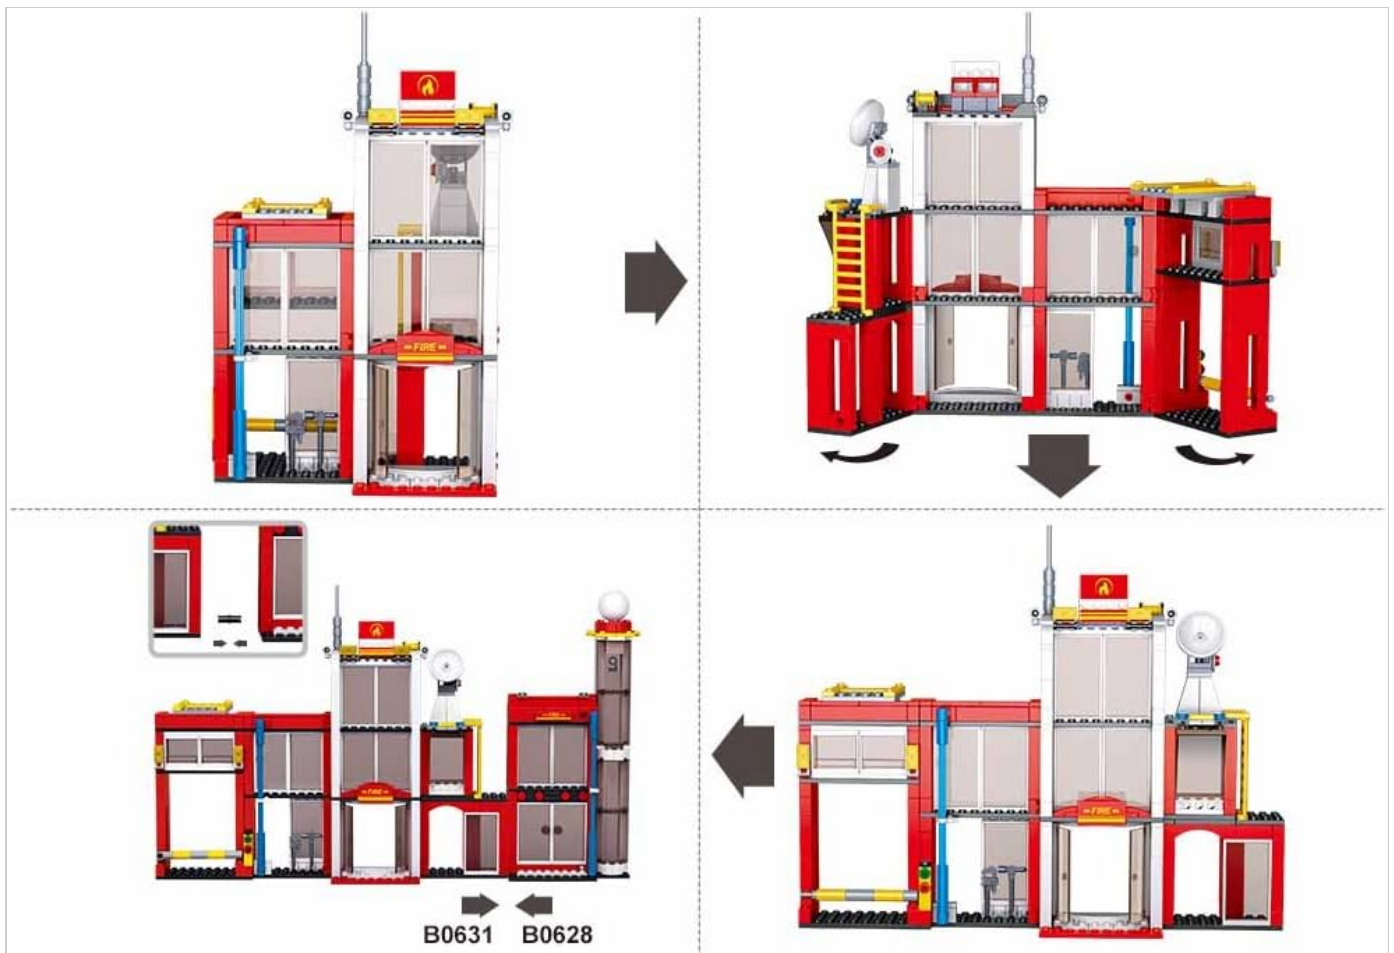

Image: Illustration of the modular assembly process for the Sluban Fire Station. It shows how different sections of the station are built separately and then combined, demonstrating the flexibility of the design.

OPERATING INSTRUCTIONS (PLAYING WITH THE SET)

Once assembled, the Sluban Fire Station set offers various play scenarios:

- **Role-Playing:** Use the firefighter figures to simulate rescue missions and fire extinguishing operations.
- **Vehicle Deployment:** Position the fire truck, fire boat, and helicopter around the station for quick deployment.
- **Interactive Features:** Some parts of the set may include movable components or projectile launchers for enhanced play.

Image: The Sluban Fire Station set depicted with firefighters actively engaging with the fire truck, helicopter, and fire boat. A small projectile launcher accessory is also visible, suggesting interactive play features.

MAINTENANCE

- **Cleaning:** To clean the building blocks, wipe them with a damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or damage to the plastic.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the blocks.

TROUBLESHOOTING

- **Missing Parts:** If you find any missing parts, please contact Sluban customer support with details of the missing components. Refer to the parts list in the assembly manual.
- **Loose Connections:** If blocks do not connect securely, ensure they are aligned correctly and apply firm, even pressure.
- **Difficulty with Assembly:** Double-check the instruction manual steps. Sometimes a small detail can be overlooked.

SPECIFICATIONS

Brand	Sluban
Model Name	SL95401
Model Number	M38-B0631
Material	Plastic

Color	Multi-colored
Number of Pieces	612
Recommended Age	4 years and up (Manufacturer's lower age limit: 60 months)
