Key Features:

- **Style & Storage:** Blends modern design with practical storage, featuring contrasting wood frames and fabric bins.
- **Durable Construction:** Made from particle board with paper veneer panels, connected with metal connectors and wooden dowels for stability.
- **Fabric Bins:** Includes three large (14"x8.4"x9") and three smaller (6"x8.4"x9") polypropylene fabric bins, each with a durable chrome grommet handle pull.

- **Versatile Organization:** Provides an efficient way to organize various items such as remotes, books, magazines, and other home essentials.
- **Collapsible Bins:** Fabric bins are collapsible for easy storage when not in use.

2. PARTS LIST

Please ensure all components are present before beginning assembly. If any parts are missing or damaged, please contact Whitmor Customer Care.

- Cabinet Frame Panels (various sizes)
- Metal Connectors
- Wooden Dowels
- 3 Large Fabric Storage Bins (approx. 14"x8.4"x9")
- 3 Small Fabric Storage Bins (approx. 6"x8.4"x9")
- Assembly Hardware (screws, cam locks, etc. - specific types will be detailed in the included physical instructions)

3. ASSEMBLY AND SETUP

Assembly is required for this product. Please follow the detailed step-by-step instructions provided in the packaging. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Recommended Tools (not included):

- Phillips Head Screwdriver
- Hammer (for dowels, if applicable)

General Assembly Guidelines:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list.
2. **Identify Panels:** Familiarize yourself with the different cabinet panels (sides, top, bottom, shelves).
3. **Connectors and Dowels:** Insert wooden dowels and metal connectors into their designated holes as per the instructions.
4. **Assemble Frame:** Begin assembling the main cabinet frame, ensuring all connections are secure but do not overtighten screws until the unit is fully assembled.
5. **Insert Shelves:** Place shelves into their respective positions.
6. **Final Tightening:** Once the frame is complete and stable, gently tighten all screws.
7. **Prepare Bins:** Unfold the fabric bins and place them into the cabinet compartments.
8. **Placement:** Position the assembled cabinet on a flat, stable surface.

Always refer to the specific assembly instructions included with your product for detailed diagrams and steps.

4. USAGE AND OPERATION

The Whitmor Multipurpose Storage Organizer Cabinet is designed for easy and flexible use.

- **Bin Placement:** Utilize the three large and three small fabric bins to sort and store various household items. The different sizes allow for organized storage of diverse objects.
- **Accessibility:** The chrome grommet handle pulls on each bin facilitate easy access and retrieval of

stored contents.

- **Versatile Placement:** This cabinet is suitable for use in living rooms, bedrooms, offices, or any area requiring additional organized storage.
- **Weight Capacity:** Avoid overloading the shelves or bins to ensure stability and longevity of the unit. Distribute weight evenly.

5. CARE AND MAINTENANCE

Proper care will help maintain the appearance and functionality of your storage cabinet.

- **Cleaning the Frame:** Wipe the wood frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Cleaning the Bins:** The fabric bins can be spot cleaned with a mild detergent and a damp cloth. Allow them to air dry completely before returning them to the cabinet. Do not machine wash or tumble dry.
- **Regular Inspection:** Periodically check all connections and hardware to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the wood finish or fabric colors to fade.
- **Moisture Control:** Keep the cabinet in a dry environment to prevent warping of the wood or mildew on the fabric bins.

6. TROUBLESHOOTING

If you encounter any issues with your Whitmor Storage Organizer Cabinet, please refer to the following common solutions:

- **Unit is Wobbly:** Ensure all screws and connectors are fully tightened. Verify that the cabinet is placed on a level surface.
- **Bins Don't Fit:** Confirm that the correct size bins are being placed in the appropriate compartments. Ensure bins are fully unfolded and not obstructed.
- **Missing Parts:** Double-check the packaging and contact Whitmor Customer Care with your product model number and a description of the missing part.
- **Damage During Shipping:** If the product arrived damaged, please contact the retailer or Whitmor Customer Care immediately.
