ZINUS Quick Lock Bunkie Board Instruction Manual

Model: OLB-QLBKB-K

Introduction	Product Overview	Assembly	Usage	Maintenance	Troubleshooting
	Specifications		Warranty & Support		

1. INTRODUCTION

The Zinus Quick Lock Bunkie Board is designed to provide a slim, strong, and sturdy foundation for various mattress types, including spring, memory foam, or hybrid mattresses. Constructed from premium steel and featuring an easy-to-assemble Quick Lock design, this bunkie board offers reliable mattress support. Its compact packaging facilitates transport through tight spaces such as stairs and hallways. This manual provides essential information for the assembly, usage, and maintenance of your Zinus Quick Lock Bunkie Board.

Key features include:

- Strong and sturdy steel frame, suitable for bunk beds, day beds, and recessed platform bed frames.
- Quick Lock Construction for fast and straightforward assembly.
- Provides additional support for Spring, Hybrid, and memory foam mattresses.
- Guaranteed compatibility with any Zinus Compact bed frame.

2. PRODUCT OVERVIEW

The Zinus Quick Lock Bunkie Board is a metal frame with steel slats, designed as a durable alternative to traditional box springs. It is available in various sizes, including Twin, Full, Queen, and King, to accommodate different bed frames and mattresses.

3. ASSEMBLY

The Zinus Quick Lock Bunkie Board features a Quick Lock Construction designed for fast and easy assembly. The compact packaging ensures convenient handling and transport, even through narrow interior spaces.

Assembly Steps:

1. Unpack all components from the compact packaging. Verify that all parts are present according to the included parts list (not provided in this manual, refer to packaging).
2. Lay out the frame pieces on a clean, flat surface.
3. Utilize the Quick Lock mechanism to connect the frame sections. This design minimizes the need for numerous nuts and bolts, simplifying the process.
4. Ensure all connections are securely locked into place before proceeding.
5. Carefully place the assembled bunkie board into your bed frame.

For visual assembly guidance, please refer to any official Zinus assembly videos that may be available on the product's retail page or the Zinus website. (Note: Specific video URLs were not provided in the product data.)

4. USAGE

The Zinus Quick Lock Bunkie Board is designed to provide a stable and supportive foundation for your mattress. It is specifically ideal for use with:

- Bunk beds
- Day beds
- Recessed "sit-in" platform bed frames

The steel slats are equipped with non-slip tape to help keep your mattress securely in place on the frame, preventing shifting during use.

5. MAINTENANCE

To maintain the cleanliness and integrity of your Zinus Quick Lock Bunkie Board, follow these simple care instructions:

- **Cleaning:** Wipe the metal frame and slats with a damp cloth as needed. Avoid using harsh chemicals or

abrasive cleaners, which could damage the finish.

- **Inspection:** Periodically check all Quick Lock connections to ensure they remain secure. Tighten any loose connections if necessary.
- **Placement:** Ensure the bunkie board is always placed on a stable and level bed frame to prevent undue stress on the structure.

6. TROUBLESHOOTING

If you encounter any issues with your Zinus Quick Lock Bunkie Board, consider the following common solutions:

Compatibility Issues:

Problem: The bunkie board does not fit correctly into a third-party bed frame.

Solution: While the Zinus Quick Lock Bunkie Board is guaranteed compatible with Zinus Compact bed frames, compatibility with third-party bed frames is not guaranteed. Before purchasing or attempting to install, it is crucial to confirm the measurements of your bed frame against the bunkie board's dimensions (79"L x 75.5"W x 1.6"Th for King size). If the dimensions do not match, the bunkie board may not fit properly.

Squeaking or Noise:

Problem: The bunkie board makes squeaking noises during use.

Solution: Ensure all Quick Lock connections are fully engaged and secure. Sometimes, a slight adjustment or re-seating of the connections can resolve minor noises. Verify that the bunkie board is sitting evenly within the bed frame and that the bed frame itself is stable.

7. SPECIFICATIONS

Feature	Detail
Model Number	OLB-QLBKB-K
Brand	ZINUS
Size	King
Color	Black
Product Dimensions	79 x 75.5 x 1.6 inches
Item Weight	33 pounds
Material	Steel
Number of Pieces	1
Manufacturer	Zinus
UPC	841550204599
Date First Available	May 9, 2017

8. WARRANTY & SUPPORT

The Zinus Quick Lock Bunkie Board comes with a worry-free 5-year limited warranty, ensuring peace of mind regarding its quality and durability.

For Customer Support:

If you have any questions, require assistance with assembly, or need to address a warranty claim, please contact Zinus customer support. You can typically find contact information on the product packaging, the Zinus official website, or through the Zinus store on Amazon:

Visit the [ZINUS Store on Amazon](#)

Please have your model number (OLB-QLBKB-K) and purchase information ready when contacting support.
