

Tork 83TR

Tork Paper Hand Towel Roll Lever Dispenser H21, Model 83TR Instruction Manual

Model: 83TR

INTRODUCTION

This manual provides instructions for the installation, operation, and maintenance of your Tork H21 Paper Hand Towel Roll Lever Dispenser, Model 83TR. This high-capacity dispenser is designed for efficient and hygienic hand drying in various restroom settings.

A front-side view of the Tork 83TR paper hand towel dispenser, showcasing its smoke-colored plastic casing and lever mechanism.

SAFETY INFORMATION

Read all instructions before installation and use. Keep this manual for future reference.

- Ensure the dispenser is securely mounted to a stable wall surface.
- Use only Tork H21 compatible paper towel rolls.
- Keep hands clear of moving parts during operation and refilling.

PACKAGE CONTENTS

Your package should contain:

- 1 Tork Paper Hand Towel Roll Lever Dispenser (Model 83TR)
- Mounting hardware (screws, wall anchors)
- Dispenser key

INSTALLATION

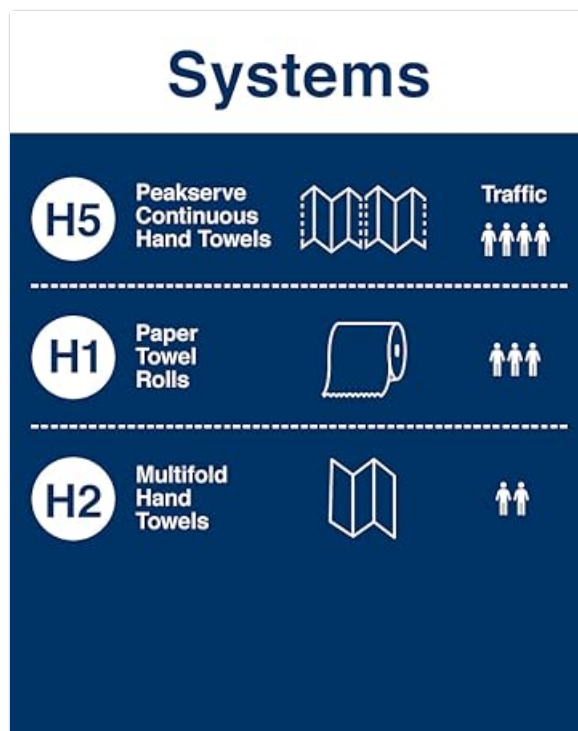

Mounting Instructions

1. Select a suitable wall location, ensuring adequate clearance for dispenser operation and towel dispensing.
2. Hold the dispenser against the wall at the desired height and mark the drilling points.
3. Drill holes at the marked points. Insert wall anchors if mounting into drywall or other non-stud surfaces.
4. Align the dispenser with the drilled holes and secure it to the wall using the provided screws. Ensure it is firmly attached.

LOADING PAPER TOWEL ROLLS

Compatible Towel Rolls

This dispenser is designed for Tork H21 system paper towel rolls. It can accommodate rolls up to 1,000 feet in length and 8 inches in diameter.

An illustration detailing the types of paper towel rolls compatible with the Tork H21 system, including Advanced 1-ply white and Universal 1-ply in white, natural white, or natural brown.

Refilling Procedure

1. Unlock the dispenser cover using the provided key and open it.
2. Remove any remaining towel roll core or small towel remnants from the dispenser.
3. Place a new Tork H21 paper towel roll onto the internal spindle, ensuring it rotates freely.
4. Feed the leading edge of the towel through the dispensing mechanism until it is visible at the bottom opening.
5. Close the dispenser cover and lock it securely.

OPERATION

To dispense a paper towel, firmly push down on the lever bar located at the bottom of the dispenser. A single towel sheet will be presented for use.

A range of quality refills

**Advanced
1-ply
White**

**Universal
1-ply
White, Natural White or
Natural**

MAINTENANCE AND CLEANING

Regular cleaning helps maintain hygiene and extends the life of your dispenser. The rigid vinyl plastic construction is designed to resist scratches and is easy to clean.

- Wipe the exterior surfaces with a soft, damp cloth and mild detergent.
- Avoid abrasive cleaners or solvents, as these can damage the plastic finish.
- Periodically check the internal mechanism for any paper jams or debris and clear as necessary.

TROUBLESHOOTING

Common Issues and Solutions

Issue	Possible Cause	Solution
Towels not dispensing	Paper jam or empty roll	Open dispenser, clear any jam, or replace with a new roll. Re-feed towel through mechanism.

Issue	Possible Cause	Solution
Towels tearing during dispensing	Incorrect towel loading or incompatible roll type	Ensure the towel is loaded correctly and that it is a Tork H21 compatible roll.
Dispenser cover not closing	Obstruction or misaligned roll	Check for any obstructions preventing closure. Ensure the paper towel roll is seated properly on the spindle.

SPECIFICATIONS
