WEILY Makeup Mirror User Manual

Model: 8541786068 | Brand: WEILY

Introduction

Thank you for choosing the WEILY Makeup Mirror. This tri-fold vanity mirror is designed to enhance your beauty routine with its 21 LED lights, multiple magnification options, and convenient features. This manual provides essential information for the proper setup, operation, and maintenance of your new mirror to ensure optimal performance and longevity.

Safety Information

Caution: This product contains small parts and has sharp edges. Keep out of reach of children. Always handle with care to prevent injury or damage.

Features

- **2X and 3X Magnification:** Includes two magnifying glass plates (2x/3x magnification) for detailed makeup application, such as eyeliner, mascara, and contact lenses. The high-definition mirror provides clear visibility of every facial detail.
- **21 Smart LED Lights:** Integrated 21 LED lights with adjustable brightness. Brightness can be controlled by long-pressing the touch sensor switch, ideal for dimly lit environments.
- **180-Degree Rotation & Tri-Fold Design:** The mirror can be easily adjusted and fixed at a comfortable viewing angle. Its tri-fold and detachable design allows for portability and protects the mirror from dust and scratches when not in use.
- **Durable Construction:** Features a UV coating for a polished, smooth surface that resists scratches, fingerprints, and oil stains. Constructed with durable ABS plastic for extended product life.
- **Dual Power Supply:** Can be powered by 4 AAA batteries (not included) or via the included USB cable. Note: The mirror itself does not store power.

Figure 2: Close-up view of the 1x, 2x, and 3x magnification panels on the mirror, highlighting its utility for detailed tasks like applying eyeliner or mascara.

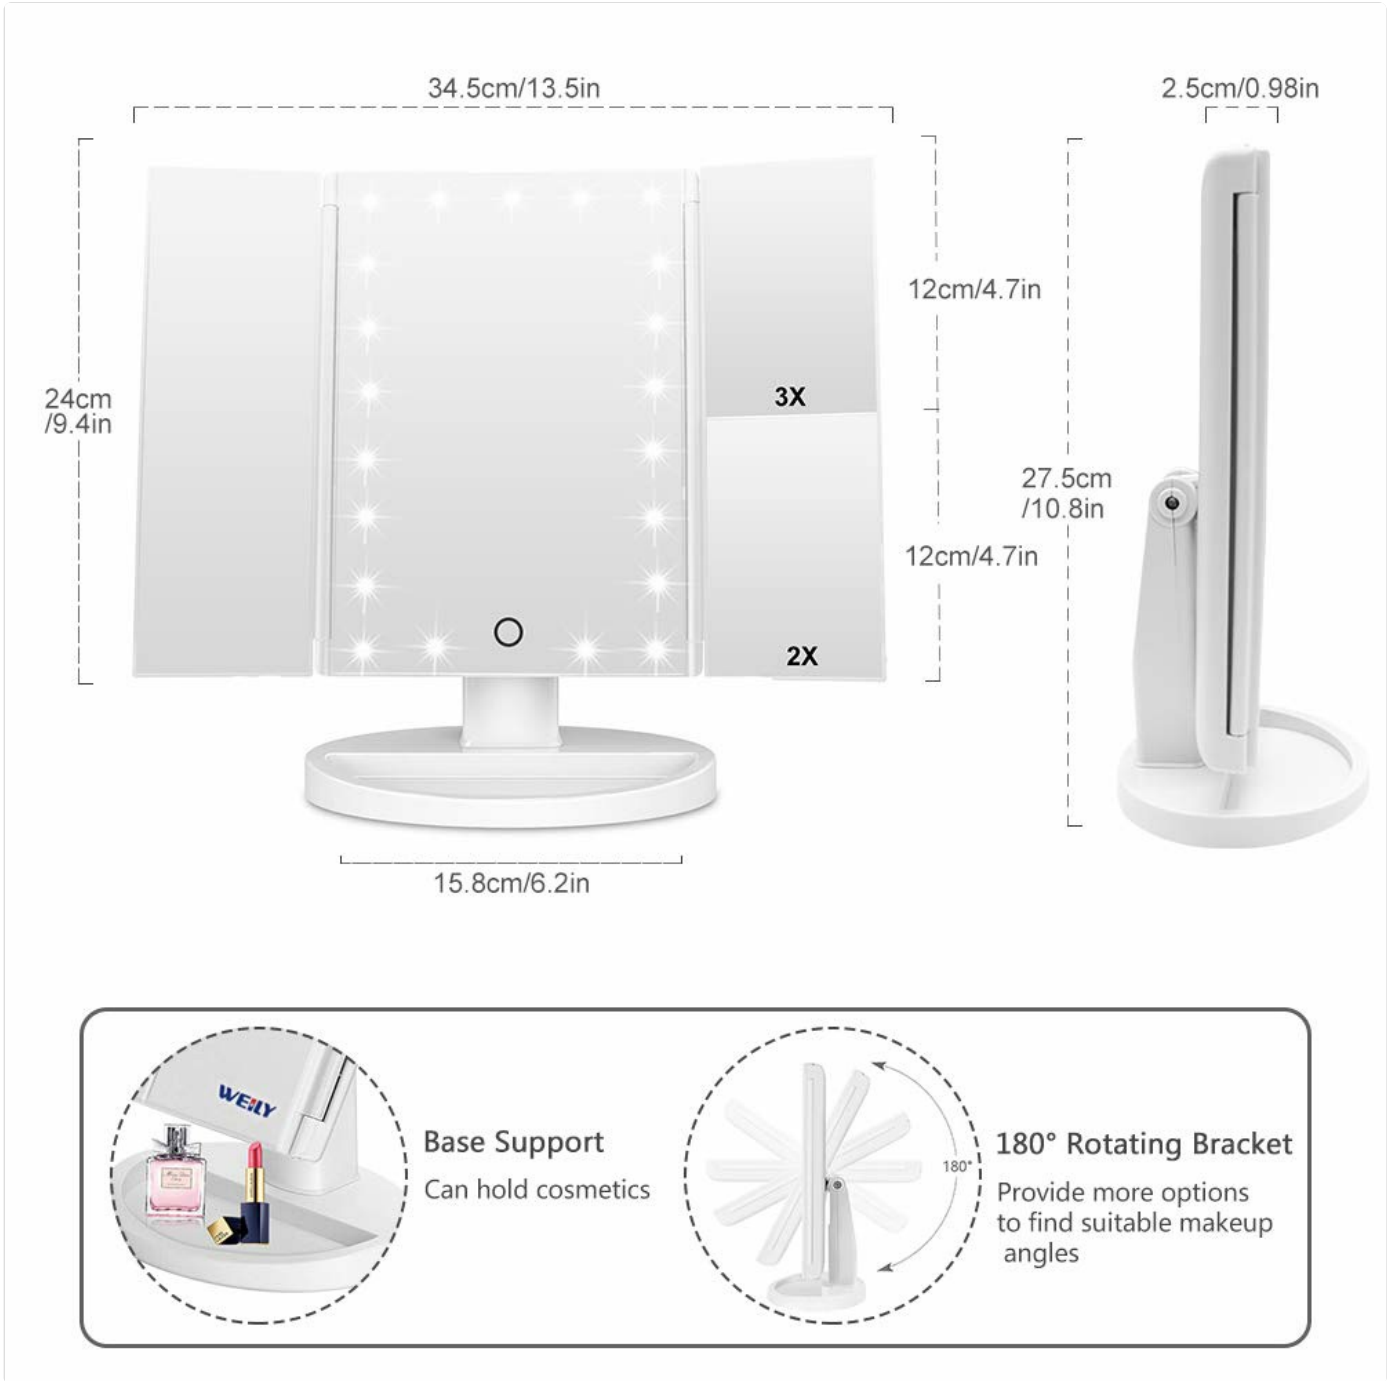

Figure 3: Diagram showing the dimensions of the WEILY Makeup Mirror (10.82"L x 7.08"W) and key features like the base support for cosmetics and 180-degree rotating bracket.

Package Contents

Please check the package contents carefully. If any items are missing or damaged, please contact customer support.

- 1 x WEILY Makeup Mirror
- 1 x USB Cable
- 1 x User Manual (this document)

Setup

1. **Assemble the Mirror:** Gently attach the mirror panel to the base by aligning the stand with the slot on the base and pressing firmly until it clicks into place.
2. **Power Supply:**

- **Battery Power:** Open the battery compartment on the back of the mirror. Insert 4 new AAA batteries (not included), ensuring correct polarity (+/-).
- **USB Power:** Connect the included USB cable to the Micro USB port on the back of the mirror. Plug the other end into a 5V charging adapter, power bank, notebook, or car charger (not included).

3. **Activate Main Power Switch:** Locate the ON/OFF switch on the rear of the mirror and slide it to the "ON" position.

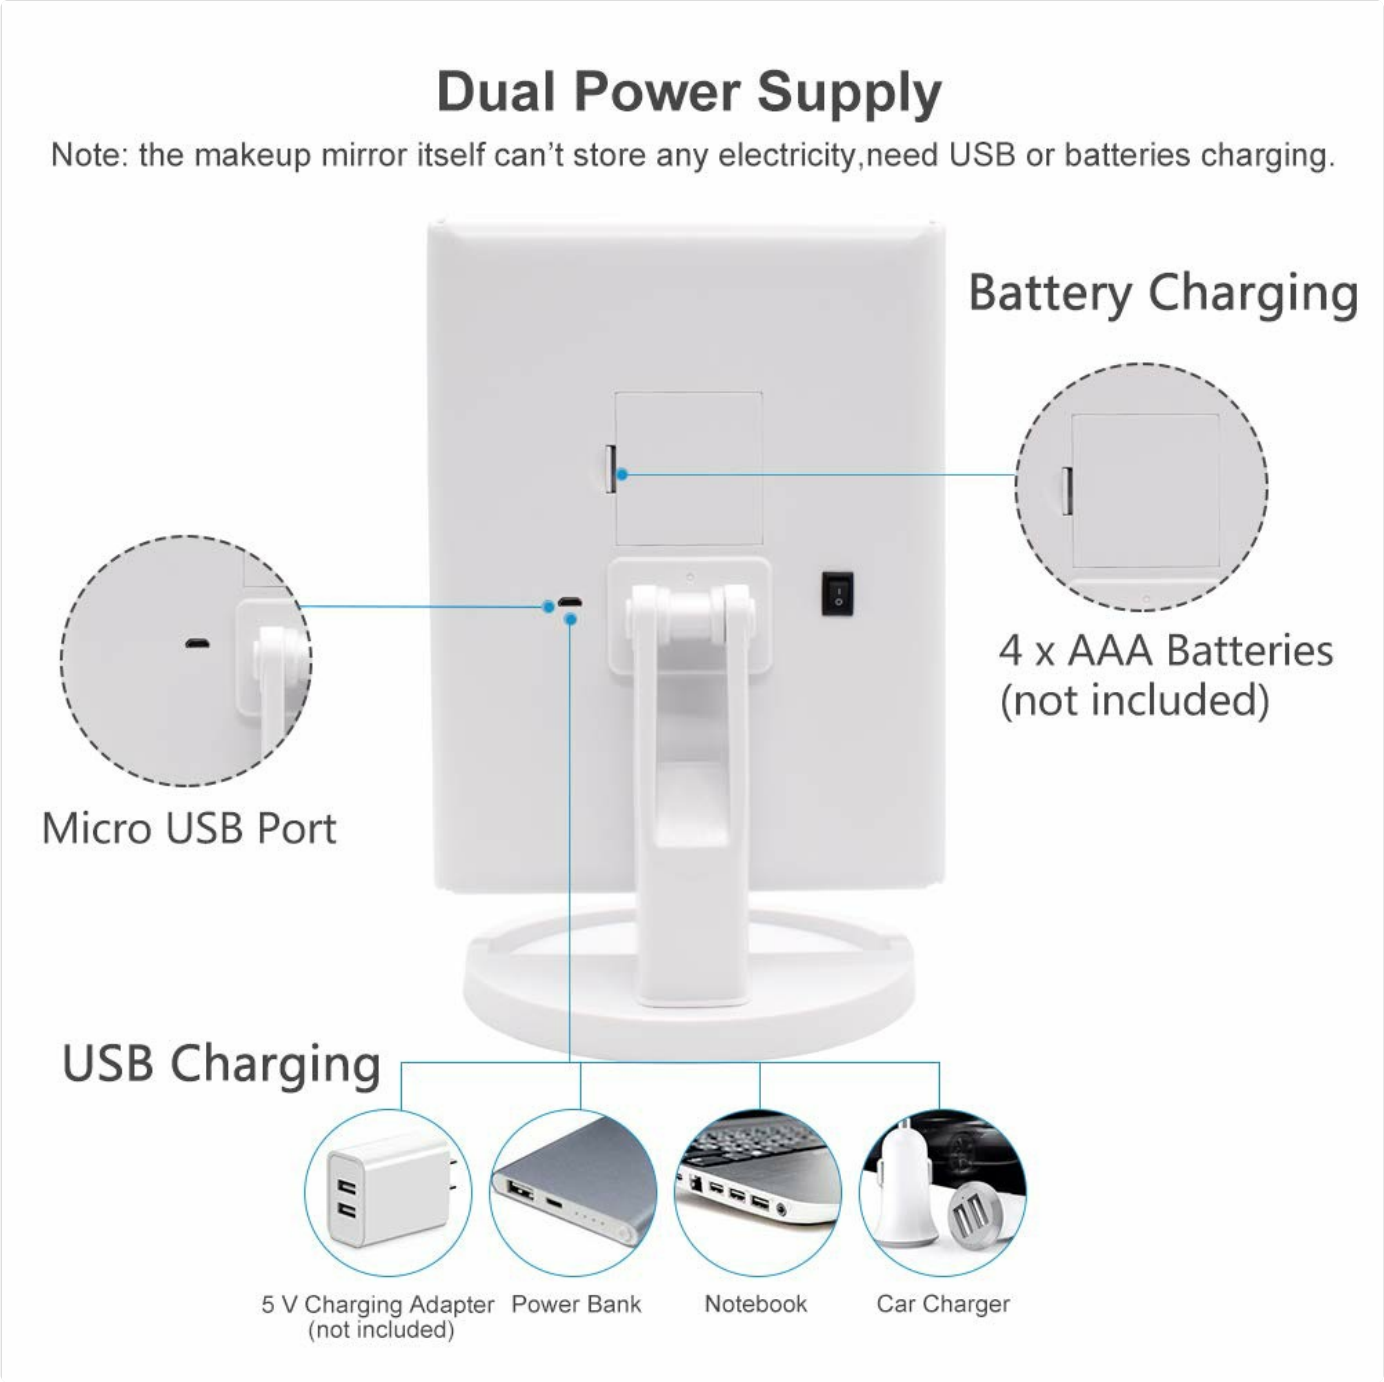

Figure 4: Illustration of the dual power supply options for the mirror, showing the battery compartment for 4x AAA batteries and the Micro USB port for USB charging.

Operating Instructions

1. **Turning On/Off LED Lights:** After activating the main power switch on the back, touch the circular sensor switch on the front of the mirror once to turn the LED lights ON. Touch it again to turn them OFF.
2. **Adjusting Brightness:** To adjust the brightness of the LED lights, long-press the circular sensor switch on the front of the mirror. The brightness will cycle through different levels. Release your finger when the desired brightness is achieved.
3. **Using Magnification Panels:** The side panels of the mirror feature 2X and 3X magnification. Fold out these panels to utilize

the magnified views for precise makeup application or grooming tasks.

4. **Adjusting Viewing Angle:** The mirror can rotate 180 degrees on its stand. Adjust the angle to find the most comfortable and optimal viewing position for your needs.

Figure 5: Step-by-step guide on how to use the dimmable LED lights, showing the rear ON/OFF switch and the front touch screen switch for turning lights on/off and adjusting brightness.

Maintenance

- **Cleaning:** To clean the mirror surface, gently wipe with a soft, lint-free cloth. Avoid abrasive cleaners or harsh chemicals that could damage the UV coating or mirror surface.
- **Storage:** When not in use, fold the side panels inward to protect the mirror surfaces from dust and scratches. Store in a cool, dry place away from direct sunlight.
- **Battery Replacement:** If using batteries, replace all 4 AAA batteries simultaneously when the LED lights dim or stop working. Do not mix old and new batteries or different types of batteries.

Troubleshooting

Problem	Possible Cause	Solution
LED lights do not turn on.	Main power switch is OFF. Batteries are dead or incorrectly inserted. USB cable is not properly connected or power source is faulty.	Ensure the main power switch on the back is ON. Replace batteries with new ones, ensuring correct polarity. Check USB cable connection and try a different USB power source.
Lights are dim or flickering.	Low battery power.	Replace batteries or connect via USB power.
Mirror is unstable on the base.	Mirror not properly assembled to the base.	Ensure the mirror panel is securely clicked into the base slot.

Specifications

Feature	Detail
Brand	WEILY
Model Number	8541786068
UPC	704090547710
