SETUP INSTRUCTIONS

1. **Unpack Components:** Carefully remove all items from the packaging. The set includes one comforter, one flat sheet, one fitted sheet, and one pillowcase.
2. **Initial Wash:** Before first use, it is recommended to hand wash the bedding set according to the care instructions provided in the Maintenance section to ensure cleanliness and softness.
3. **Prepare the Bed:** Place the fitted sheet over the mattress, ensuring the elasticized edges are securely tucked under all four corners.
4. **Apply Flat Sheet:** Lay the flat sheet over the fitted sheet, aligning it evenly. The top edge can be folded down over the comforter later.
5. **Position Comforter:** Place the comforter on top of the flat sheet, centering it on the bed.
6. **Add Pillowcase:** Insert your standard twin pillow into the provided pillowcase.

OPERATING INSTRUCTIONS

This bedding set is designed for use on a twin-sized bed. Once properly set up, the comforter and sheets provide a comfortable and cozy sleeping surface. Ensure the bedding is spread evenly for optimal comfort.

MAINTENANCE AND CARE

Proper care will help maintain the quality and longevity of your PJ Masks bedding set.

- **Washing:** Hand wash only. Use cold water with a mild detergent. Avoid harsh chemicals or bleach, as these can damage the fabric and colors.
- **Drying:** Air dry or tumble dry on low heat. Remove promptly to minimize wrinkles. Do not iron.
- **Storage:** Store the bedding set in a clean, dry place when not in use.
- **Material:** The entire set is made from 100% Polyester, known for its durability and resistance to wrinkles and shrinking.

TROUBLESHOOTING

- **Wrinkles:** Polyester is generally wrinkle-resistant. If wrinkles occur, a light tumble dry on low heat with a damp cloth can help, or simply smooth out the bedding on the bed.
- **Fading Colors:** To prevent color fading, always wash in cold water and avoid direct prolonged exposure to strong sunlight when drying.
- **Pilling:** While rare with 100% polyester, if small fabric balls (pills) appear, they can often be carefully removed with a fabric shaver or lint roller.
