WEILY B072DTJK5G

WEILY Trifold LED Makeup Mirror User Manual

Model: B072DTJK5G | Brand: WEILY

1. Introduction

The WEILY Trifold LED Makeup Mirror is designed to provide optimal illumination and magnification for your cosmetic application needs. Featuring 21 adjustable LED lights and 1x, 2x, and 3x magnification panels, this mirror offers clarity and convenience for precise makeup application.

2. Safety Information

- This product contains electrical components. Always unplug the mirror when not in use.
- Handle the mirror with care to avoid breakage.
- Keep the mirror out of reach of children and pets.
- Do not use the mirror if the power cord is damaged or if the mirror is wet.
- Always follow the manufacturer's instructions for use and care.

3. Package Contents

Please check the package for the following items:

- WEILY Trifold LED Makeup Mirror
- USB Power Cable
- User Manual (this document)

4. Product Features

- **21 Smart LED Lights:** Adjustable brightness via a touch sensor switch.
- **Magnifying Panels:** Includes 1x, 2x, and 3x magnification for detailed application.
- **180-Degree Rotation:** Allows for easy adjustment of viewing angles.
- **Trifold Design:** Protects the mirror from dust and scratches when closed, and is portable.
- **Premium Quality:** Features a high-quality UV coating for durability and resistance to scratches, fingerprints, and oil stains.
- **Dual Power Supply:** Operates with 4 AAA batteries (not included) or via the included USB cable.
- **Integrated Storage:** The base recess can hold small cosmetics, jewelry, or accessories.

Image 2: Overview of the WEILY Makeup Mirror's key features.

5. Setup

5.1 Assembly

1. Carefully remove the mirror and its base from the packaging.
2. Insert the mirror stand into the slot on the base until it clicks securely into place.
3. Place the assembled mirror on a stable, flat surface.

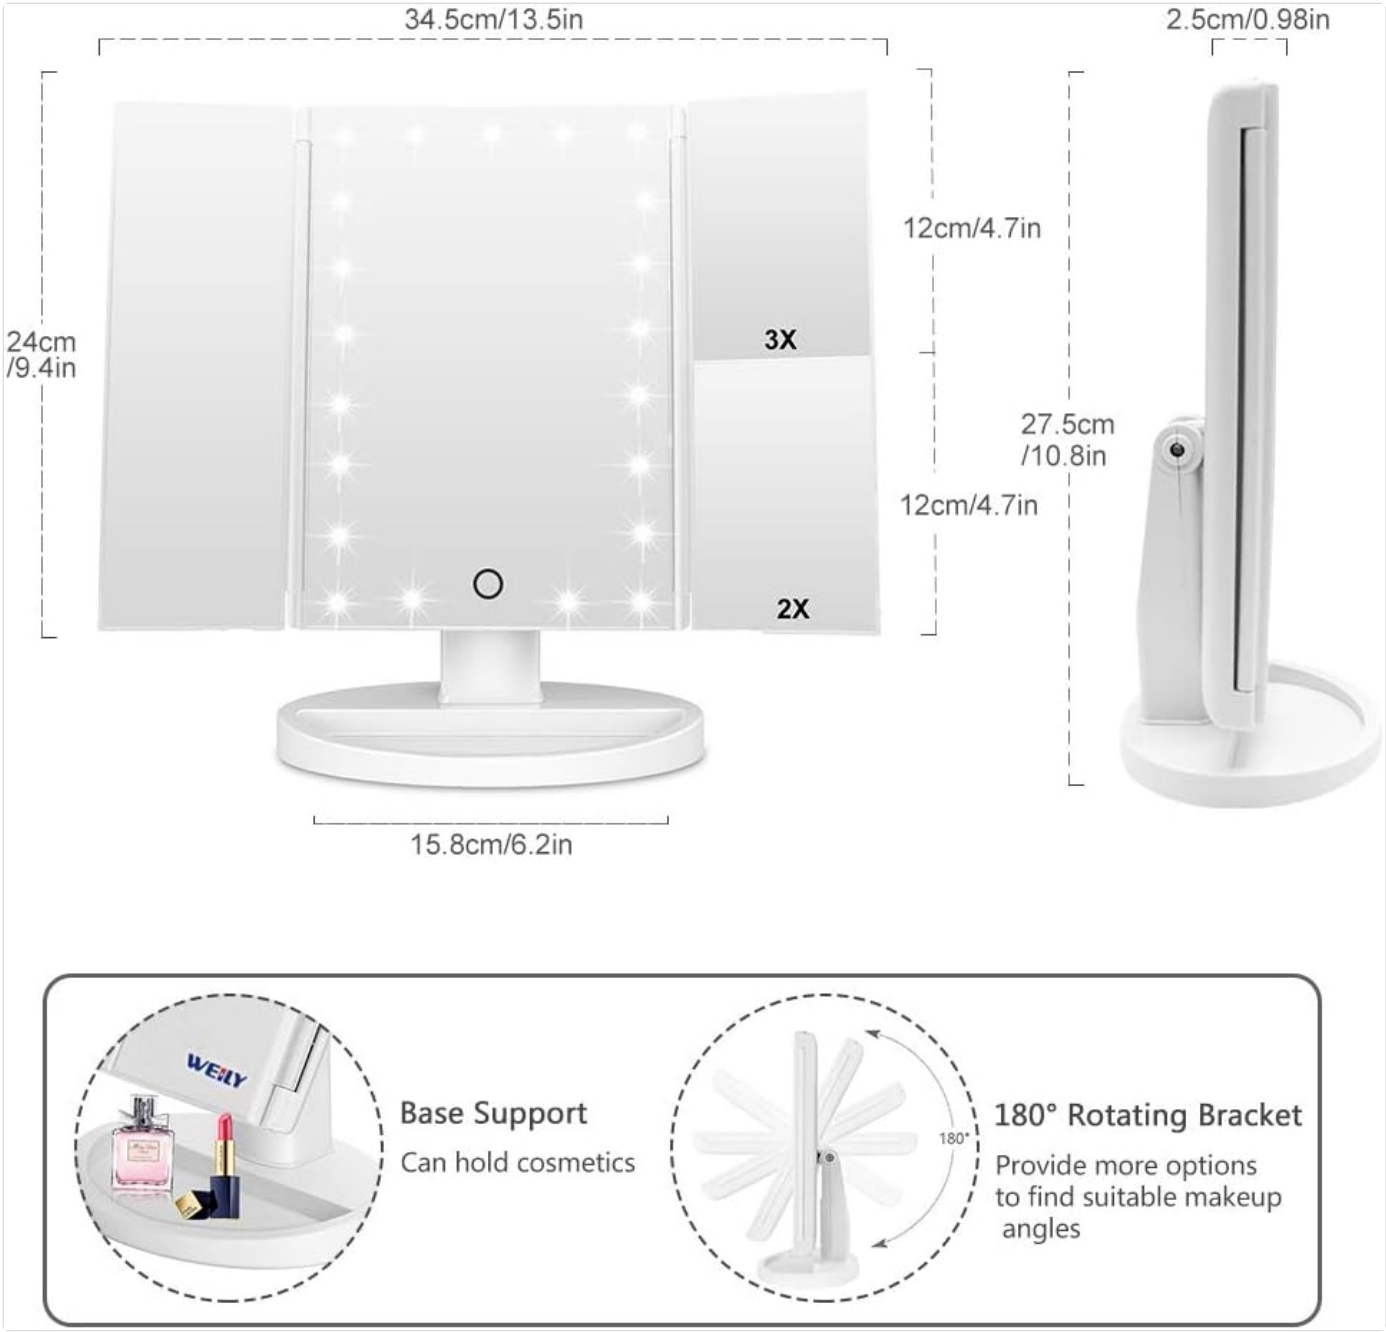

Image 3: Product dimensions and base support for cosmetics.

5.2 Power Supply

The mirror can be powered by either AAA batteries or a USB cable.

- **Battery Installation:** Open the battery compartment on the back of the mirror. Insert 4 new AAA batteries, ensuring correct polarity (+/-). Close the compartment securely.
- **USB Power:** Connect the provided USB cable to the Micro USB port on the back of the mirror. Plug the other end into a 5V charging adapter, power bank, notebook, or car charger (power source not included).

Note: The mirror itself does not store electrical charge; it must be connected to a power source or have batteries installed to function.

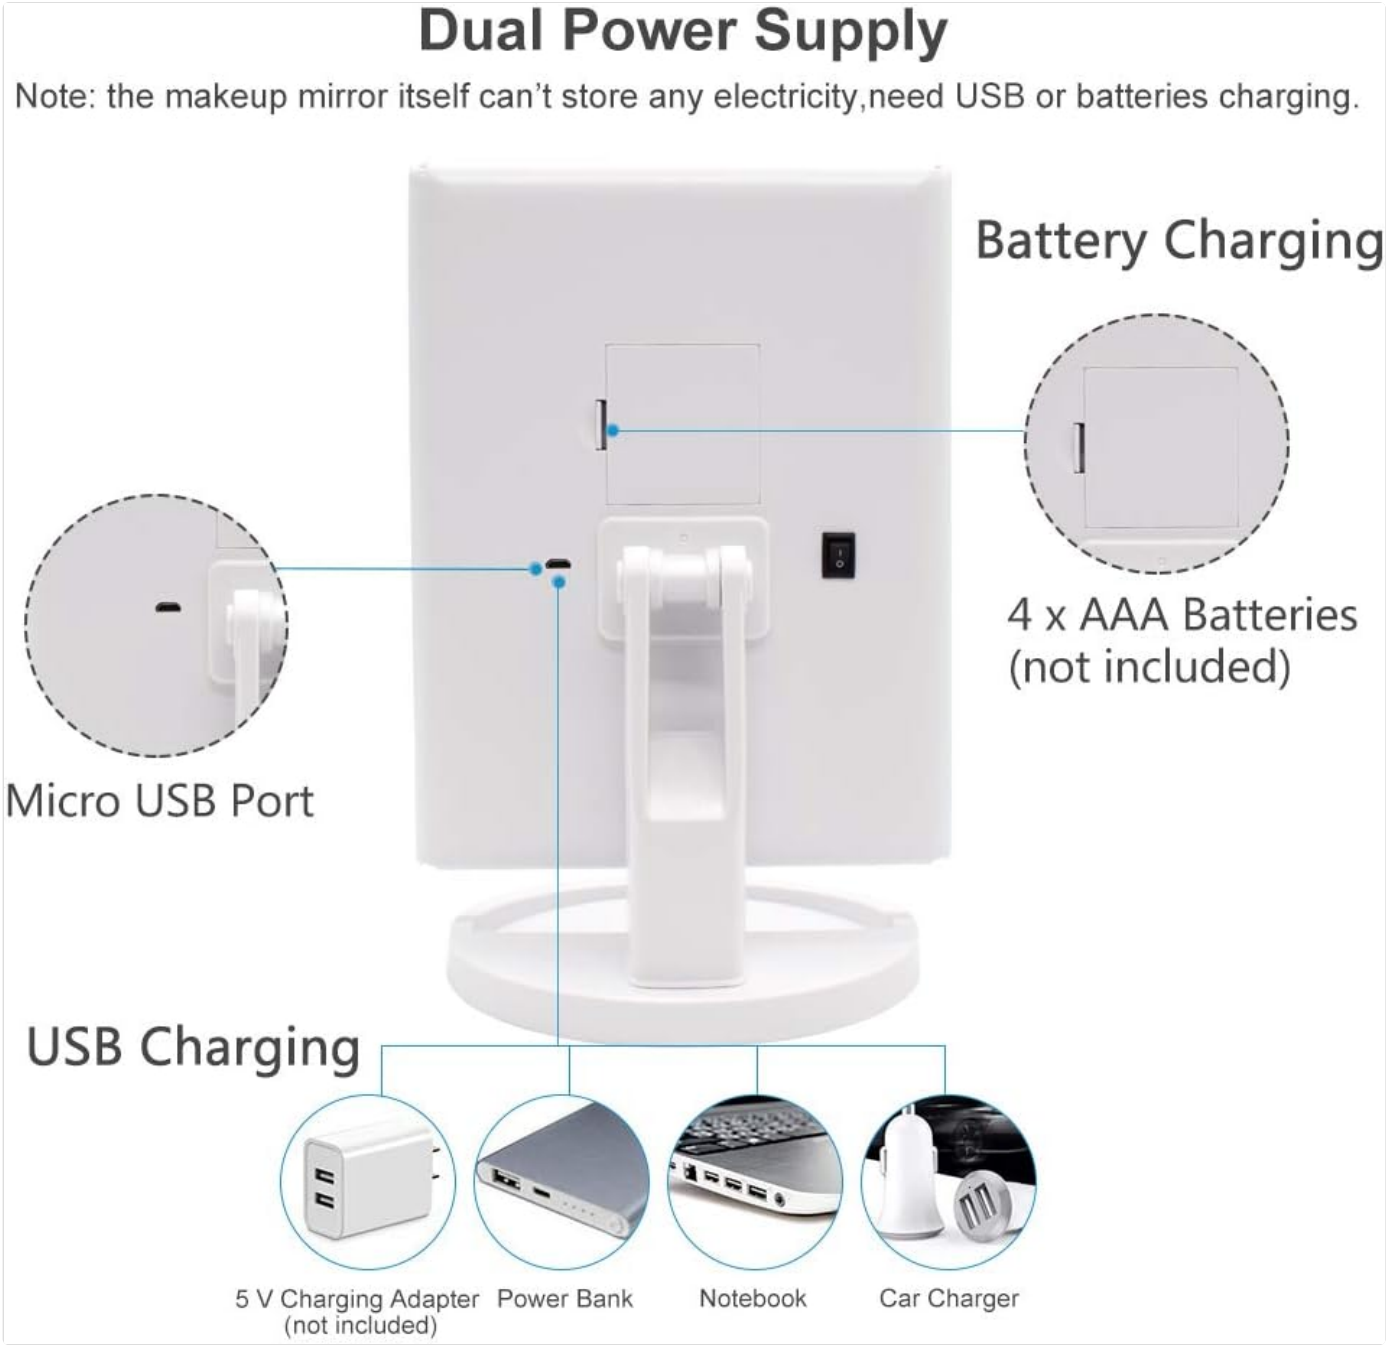

Image 4: Diagram illustrating the dual power supply options (USB and AAA batteries).

6. Operating Instructions

6.1 Power On/Off

1. Locate the ON/OFF switch on the back of the main mirror panel.
2. Flip the switch to the 'ON' position to enable the mirror's functions.

6.2 Using the LED Lights

1. With the rear switch 'ON', touch the circular sensor switch on the main mirror panel once to turn the LED lights on.
2. To adjust the brightness, press and hold the touch sensor switch. The lights will dim or brighten gradually. Release when the desired brightness is reached.
3. Touch the sensor switch once more to turn the LED lights off.

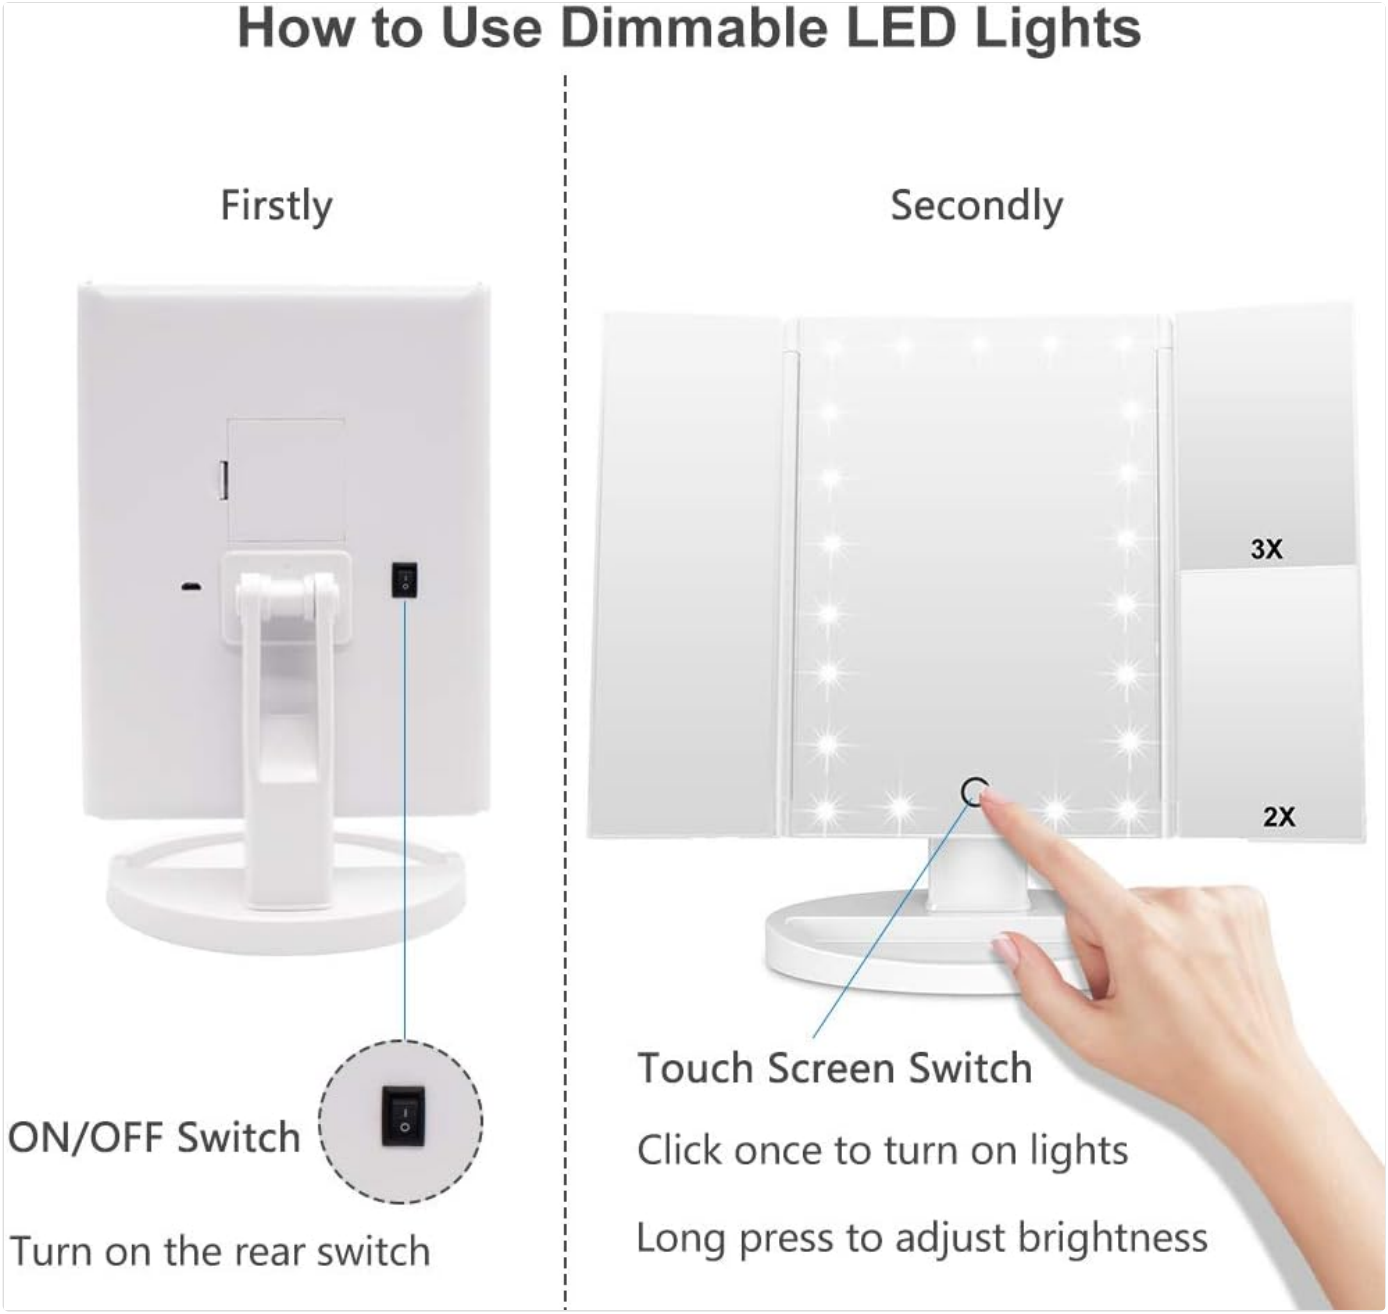

Image 5: Instructions for operating the dimmable LED lights.

6.3 Using Magnification Panels

The mirror features a 1x main mirror and two side panels with 2x and 3x magnification. Fold out the side panels to utilize the magnified views for detailed tasks such as eyeliner application, mascara, or eyebrow grooming.

Image 6: Demonstrating the use of 1x, 2x, and 3x magnification for various cosmetic tasks.

6.4 Adjusting Viewing Angle

The mirror can be rotated 180 degrees on its stand. Gently tilt the mirror forward or backward to find your preferred viewing angle for comfortable use.

6.5 Using the Storage Base

The circular recess in the base of the mirror can be used to temporarily hold small items such as earrings, rings, watches, or other small cosmetic accessories.

Image 7: The WEILY Makeup Mirror fully open, showcasing the LED lights and the storage recess in the base.

7. Maintenance

7.1 Cleaning

- Ensure the mirror is turned off and unplugged before cleaning.
- Wipe the mirror surfaces and frame with a soft, dry, lint-free cloth.
- For stubborn smudges, lightly dampen the cloth with water or a mild glass cleaner (apply to cloth, not directly to mirror).
- Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the mirror's finish or LED components.

7.2 Storage

- When not in use, fold the side panels inward to protect the mirror surfaces from dust and scratches.
- Store the mirror in a cool, dry place away from direct sunlight and excessive humidity.

WEILY

8. Troubleshooting

Problem	Possible Cause	Solution
LED lights do not turn on.	Rear ON/OFF switch is off. Batteries are depleted or incorrectly installed. USB cable is not connected or power source is off.	Ensure the rear switch is in the 'ON' position. Replace batteries or check polarity. Verify USB cable connection and power source.
Lights are too dim or too bright.	Brightness setting needs adjustment.	Press and hold the touch sensor switch to adjust brightness.
Mirror is unstable on its base.	Base not securely attached. Surface is uneven.	Ensure the mirror stand is fully inserted into the base. Place the mirror on a flat, stable surface.

9. Specifications

- **Brand:** WEILY
- **Model:** B072DTJK5G
- **Product Dimensions (L x W):** 10.83" x 6.81" (27.5 cm x 17.3 cm)
- **Item Dimensions (L x W x H):** 11.02 x 7.09 x 2.76 inches (28 x 18 x 7 cm)
- **Item Weight:** 773 Grams
