SETUP AND PREPARATION

To prepare for a relaxing bath experience:

1. Ensure your bathtub is clean and ready for use.
2. Begin filling the bathtub with warm water to your desired level and temperature.

OPERATING INSTRUCTIONS

Follow these steps for optimal use of your Radox Feel Pampered Bath Soak:

1. While the water is running into the bath, pour a generous amount of Radox Feel Pampered Bath Soak directly under the stream of water.
2. The running water will help to activate the bath soak, creating rich, aromatic bubbles.
3. Once the bath is filled and sufficient bubbles have formed, immerse yourself and relax in the mood-changing fragrance.

MAINTENANCE AND STORAGE

To maintain the quality of your bath soak:

- Store the bottle in a cool, dry place, away from direct sunlight.
- Ensure the cap is securely closed after each use to prevent spillage and maintain fragrance.

TROUBLESHOOTING

As a bath soak, this product typically does not require troubleshooting. However, if you experience any issues:

- **Insufficient Bubbles:** Ensure you are pouring the bath soak directly under strong running water. The force of the water helps create lather.
- **Skin Irritation:** Refer to the [Safety Information](#) section. Discontinue use if irritation persists and consult a healthcare professional.
