Suite Bebe 11475

Suite Bebe Riley Toddler Guard Rail Instruction Manual

Model: 11475

INTRODUCTION

This manual provides essential instructions for the safe assembly, installation, and maintenance of your Suite Bebe Riley Toddler Guard Rail. Please read all instructions carefully before assembly and retain this manual for future reference. The Riley Toddler Guard Rail is designed to provide an additional safety barrier when converting your Riley 4-in-1 Convertible Crib into a toddler bed.

IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these warnings and the assembly instructions could result in serious injury or death.

- Always ensure the guard rail is securely attached to the crib/bed frame according to the assembly instructions.
- Do not use this guard rail on a bed that is not compatible with the Suite Bebe Riley 4-in-1 Convertible Crib.
- Regularly check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Do not use if any parts are missing, damaged, or broken. Contact Suite Bebe for replacement parts. Do not substitute parts.
- Keep small parts away from children during assembly.
- This product is intended for use by children transitioning from a crib to a toddler bed.
- **Proposition 65 Warning:** This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact Suite Bebe customer service for assistance.

ASSEMBLY INSTRUCTIONS

The Riley Toddler Guard Rail is designed for easy installation and comes partially assembled. It is specifically intended for use with the Suite Bebe Riley 4-in-1 Convertible Crib when converting it to a toddler bed. Refer to your crib's instruction manual for specific conversion steps if needed.

1. **Prepare the Crib:** Ensure your Suite Bebe Riley 4-in-1 Convertible Crib has been converted to the toddler bed configuration, with one side removed as per the crib's instructions.
2. **Position the Guard Rail:** Align the guard rail with the designated attachment points on the crib's side rail where the full side was removed. The guard rail should fit snugly against the existing crib frame.
3. **Attach the Guard Rail:** Using the provided hardware, securely fasten the guard rail to the crib frame. Ensure all screws are tightened firmly but do not overtighten.
4. **Verify Security:** After installation, gently push and pull on the guard rail to confirm it is stable and does not wobble. All

connections should be secure.

USAGE AND OPERATION

The Suite Bebe Riley Toddler Guard Rail is designed to provide a protective barrier, preventing your child from accidentally rolling out of bed during sleep. It allows for easy entry and exit for the child while offering security.

- Ensure the guard rail remains securely attached at all times.
- Periodically inspect the guard rail for any signs of wear, damage, or loose connections.
- This guard rail is part of the convertible design of the Riley crib, allowing it to grow with your child from infancy through toddlerhood.

CARE AND MAINTENANCE

Proper care and maintenance will help prolong the life and appearance of your guard rail.

- **Cleaning:** Wipe the guard rail with a damp cloth. Avoid using abrasive cleaners, harsh chemicals, or strong detergents, as these can damage the finish.
- **Finish:** The guard rail features a non-toxic finish, ensuring safety for your child.
- **Inspection:** Regularly inspect the guard rail for any loose hardware, cracks, or splinters. Address any issues immediately to maintain safety.

TROUBLESHOOTING

If you encounter any issues with your Suite Bebe Riley Toddler Guard Rail, please refer to the following common solutions:

- **Guard Rail Feels Loose:** Check all attachment screws and ensure they are tightened securely. If the issue persists, re-read the assembly instructions to confirm correct installation.
- **Guard Rail Does Not Fit:** Confirm that you are attempting to install the guard rail on a Suite Bebe Riley 4-in-1 Convertible Crib. This guard rail is designed specifically for this model.
- **Missing or Damaged Parts:** Do not attempt to use the guard rail with missing or damaged parts. Contact Suite Bebe customer service for replacement components.
