## LEGO 60154

# LEGO City Town Bus Station 60154 Building Kit Instruction Manual

Model: 60154

## 1. INTRODUCTION

Welcome to the instruction manual for your LEGO City Town Bus Station 60154 Building Kit. This set allows you to construct a vibrant city scene featuring a detailed bus, a functional bus stop, and a lively newsstand. Designed for creative play, this kit includes various minifigures and accessories to enhance your LEGO City experience.

## 2. PRODUCT OVERVIEW

The LEGO City Town Bus Station set provides all the necessary elements to build a complete public transport hub. It includes a city bus, a bus stop with a ramp, a newsstand, six minifigures, and a dog figure, along with various accessories.

Image 2.1: Overview of the LEGO City Town Bus Station 60154 set, showcasing the bus, bus stop, newsstand, and all included minifigures and accessories.

## 2.1 Components

- **City Bus:** Features opening front and side doors, a bike rack, seating for minifigures, and space for a wheelchair.
- **Bus Stop:** Includes a waiting area, a bike stand, a trash can, and a ramp for wheelchair access.
- **Newsstand:** Equipped with newspapers, fruit, and drinks for sale.
- **Minifigures:** Six diverse minifigures, including a wheelchair passenger, and one dog figure.
- **Accessories:** Various small elements to enhance play, such as bicycles, newspapers, and food items.

## 3. SETUP AND ASSEMBLY

The LEGO City Town Bus Station 60154 is a building kit that requires assembly. Please follow the step-by-step instructions provided in the official LEGO building manual included in your product packaging. For a digital version of the installation manual, please refer to the following link: [LEGO City Town Bus Station 60154 Installation Manual \(PDF\)](#).

### 3.1 Assembly Tips

- Sort pieces by color or type before beginning assembly to streamline the building process.
- Ensure all connections are firm to maintain the structural integrity of the models.
- Pay close attention to the orientation of bricks and plates as indicated in the instructions.

## 4. OPERATING THE SET

Once assembled, the LEGO City Town Bus Station offers various interactive features for imaginative play.

### 4.1 City Bus Features

Image 4.1: The LEGO City Bus with its doors open, highlighting the accessible interior and detailed design.

- **Opening Doors:** The bus features functional front and side doors that can be opened to allow minifigures to enter and exit.
- **Minifigure Seating:** Place minifigures in the designated seating areas inside the bus for their journey.
- **Wheelchair Access:** A dedicated space inside the bus accommodates the included wheelchair minifigure, ensuring accessibility.
- **Bike Rack:** Attach the bicycles to the rack located at the front of the bus for transport.

### 4.2 Bus Stop Interaction

Image 4.2: The LEGO City Bus positioned at the bus stop, demonstrating the use of the wheelchair ramp for boarding.

- **Waiting Area:** Minifigures can wait for the bus under the shelter.
- **Wheelchair Ramp:** The bus stop includes a ramp that can be positioned to allow the wheelchair minifigure to easily board the bus.
- **Bike Stand:** Park minifigure bicycles securely at the bus stop.

### 4.3 Newsstand Operation

Image 4.3: A minifigure on a bicycle near the newsstand, illustrating the interactive elements of the stand.

- **Display Items:** Arrange the included newspaper, fruit, and drink elements on the newsstand for sale.
- **Role Play:** Minifigures can interact with the newsstand, purchasing items before or after their bus journey.

## 5. MAINTENANCE

---

To ensure the longevity and cleanliness of your LEGO City Town Bus Station set, follow these simple maintenance guidelines:

- **Cleaning:** Clean LEGO bricks and elements using a mild soap solution and lukewarm water. Rinse thoroughly and air dry. Avoid hot water or harsh chemicals, as these can damage the plastic.
- **Storage:** Store the assembled set or individual bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Handling:** Handle the set with care to prevent accidental disassembly or damage to delicate parts.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your LEGO City Town Bus Station set, consider the following common solutions:

- **Missing Pieces:** In the rare event of missing pieces, please contact LEGO Customer Service directly through their official website. Provide the set number (60154) and the part number (if known) for assistance.
- **Assembly Difficulties:** If you are having trouble with a specific step, re-examine the building instructions carefully. Sometimes, a small detail or orientation can be overlooked. Ensure all bricks are fully pressed together.
- **Loose Connections:** If parts feel loose, ensure they are correctly aligned and firmly pressed into place. LEGO bricks are designed to fit snugly.

## 7. SPECIFICATIONS

Specification	Detail
Product Model Number	60154
Product Dimensions (Box)	10.32 x 2.22 x 15.04 inches
Item Weight	14.1 ounces
Manufacturer Recommended Age	5 years and up
Release Date	August 1, 2017
Manufacturer	LEGO

## 8. SAFETY INFORMATION

While no specific safety warnings were provided in the product data, it is important to always adhere to general toy safety guidelines and the manufacturer's recommendations. This product contains small parts and is not suitable for children under 3 years due to choking hazards. Always supervise young children during play. Refer to official LEGO safety guidelines for comprehensive information.

## 9. WARRANTY AND SUPPORT

For information regarding product warranty, returns, or further support, please visit the official LEGO website or contact their customer service department. Specific warranty terms may vary by region and purchase location.

## 10. OFFICIAL PRODUCT VIDEOS

No official product videos from the seller were available in the provided data for this product. For additional visual content, please check the product page on the retailer's website or the official LEGO channels.
