iHave E105

iHave 3-Cup Wall-Mounted Toothbrush Holder Instruction Manual

Model: E105

1. PRODUCT OVERVIEW

The iHave 3-Cup Wall-Mounted Toothbrush Holder is designed to organize your bathroom essentials efficiently. It features multiple compartments for toothbrushes, toothpaste, and other items, along with three inverted cups for rinsing. Its wall-mounted design helps save counter space and keeps items dry and hygienic.

Large Capacity

Great Space Saver, Love Me

2. KEY FEATURES

- **Large Capacity:** Efficiently organizes toothbrushes, toothpaste, combs, razors, and facial cleansers, reducing bathroom clutter.
- **Easy to Use:** Includes 3 colorful mouthwash cups with smooth edges, designed for individual use and easy identification.
- **Easy Installation:** Wall-mounted design requires no drilling or holes, using a strong adhesive strip for secure attachment.
- **Dustproof and Waterproof:** Features an upside-down cup design to prevent dust and water accumulation, with ventilation holes at the bottom to ensure items remain dry.
- **Durable Construction:** Made with ABS material and a strong non-trace adhesive strip, ensuring firm bonding and durability in humid environments on various surfaces like metal, wood, mirror, or ceramic tile.

3. INSTALLATION GUIDE

Follow these steps for proper installation of your iHave Toothbrush Holder:

1. **Clean the Wall Surface:** Ensure the chosen wall area is clean, dry, and free from dust or grease.
2. **Apply Adhesive Strip:** Carefully peel the protective film from the strong non-trace adhesive strip. Position the strip on the desired wall location.
3. **Press Firmly:** Press the adhesive strip firmly against the wall for several seconds to ensure good adhesion.
4. **Wait 24 Hours:** Allow the adhesive to set for at least 24 hours before mounting the main holder body or placing any items in it. This ensures maximum bonding strength.
5. **Mount the Holder:** After 24 hours, align the main toothbrush holder body with the adhesive strip and securely attach it.
6. **Place Cups and Toothbrushes:** Insert the colorful cups into their designated slots and hang toothbrushes from the hooks.

User Instruction

Wash and clean the wall

Stick the adhesive strip on the wall

Mount the main holder body

Place and hang toothbrushes on it

Cover the cups over the toothbrush

Take out the cup and toothbrush for use

4. OPERATING INSTRUCTIONS

Using your iHave Toothbrush Holder is straightforward:

- **Storage:** Place toothbrushes on the designated hooks. Store toothpaste, combs, razors, and other small bathroom items in the top compartments.
- **Cup Usage:** The three colorful cups are designed to be inverted over the toothbrushes when not in use, protecting them from dust. To use, simply lift a cup, rinse, and place it back inverted.
- **Organization:** Utilize the various slots to keep your bathroom counter tidy and all essentials within easy reach.

Keep Organized

Kids Like Me Very Much

5. MAINTENANCE

To ensure the longevity and hygiene of your toothbrush holder:

- **Regular Cleaning:** Periodically wipe down the holder and cups with a damp cloth and mild soap. Rinse thoroughly.
- **Drying:** The inverted cup design and ventilation holes help keep items dry. Ensure proper air circulation around the holder.
- **Adhesive Care:** Avoid pulling or repositioning the holder frequently once installed, as this may weaken the adhesive bond.

Waterproof

Take Care of Your Health

6. TROUBLESHOOTING

If you encounter any issues with your iHave Toothbrush Holder, consider the following:

- **Holder Not Sticking:** Ensure the wall surface was thoroughly cleaned and dry before installation. The adhesive requires 24 hours to cure properly before weight is applied. Avoid porous or uneven surfaces.
- **Cups Not Drying:** Verify that the cups are inverted correctly to allow water to drain through the ventilation holes. Ensure the bathroom has adequate ventilation.
- **Items Not Fitting:** The holder is designed for standard toothbrushes and common bathroom accessories. Larger or unusually shaped items may not fit optimally.
