## OPERATING INSTRUCTIONS

The 3-in-1 Sports Zone offers three distinct play modes and sports activities to engage your child.

- **Learn Mode:** Teaches numbers, colors, and shapes through interactive sounds and lights.
- **Move Mode:** Encourages physical activity with lights and sounds that prompt movement.
- **Games Mode:** Teaches the child to follow directions through structured play.

### Sports Activities

The toy includes three balls, one for each activity.

#### Basketball

The basketball hoop features an adjustable height to accommodate your growing child. When a shot is made, the light-up backboard and sounds activate, providing positive reinforcement.

#### Soccer
