TROUBLESHOOTING

Oil Separation

While this product is labeled "No Stir," natural peanut butter products can sometimes experience a slight separation of natural oils over time. If minor oil separation occurs, gently stir the contents to reintegrate the oils before serving. This does not affect the quality or safety of the product.

Texture Changes

Exposure to extreme temperatures may alter the texture. Store in a cool, dry place to maintain optimal creaminess. If the product becomes too firm, allow it to sit at room temperature for a short period. If too runny, refrigerate briefly.
