### 3. SETUP AND ASSEMBLY

Assembly of the Delta Children Heartland 4-in-1 Convertible Crib is required. It is recommended to have two adults for assembly. Please refer to the detailed assembly instructions included in your product packaging for step-by-step guidance. Ensure all parts are present and undamaged before beginning assembly.

#### 3.1 Mattress Height Adjustment

The crib features three adjustable mattress height positions. These positions allow you to lower the mattress as your child grows and becomes more mobile, ensuring their safety.

**\*Positions measured from the top of a 6" mattress**

## 5. MAINTENANCE AND CARE

---

Proper care and maintenance will ensure the longevity and safety of your Delta Children Heartland 4-in-1 Convertible Crib.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish or materials.
- **Hardware:** Periodically check all screws and bolts to ensure they are tight. Do not overtighten.
- **Storage:** If storing the crib, do so in a dry, temperature-controlled environment to prevent warping or damage to the wood.

## 6. TROUBLESHOOTING

---

If you encounter issues with your crib, refer to the following common solutions:

- **Assembly Difficulties:** Ensure all parts are correctly oriented according to the assembly manual. Do not force parts together. If screws seem too short, double-check that you are using the correct hardware for each step.
- **Wobbling:** Check that all bolts are securely tightened. Ensure the crib is on a level surface.
- **Missing Parts:** If any parts are missing upon delivery, do not attempt to assemble the crib. Contact customer support immediately for replacement parts.
- **Paint Odor:** A slight paint odor may be present upon unboxing. This typically dissipates quickly in a well-ventilated area.

For issues not covered here, please contact Delta Children customer support.
