Tribesigns H0965

Tribesigns 55-inch Computer Desk Instruction Manual

Model: H0965 | Brand: Tribesigns

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Tribesigns 55-inch Computer Desk. Please read through these instructions carefully before beginning assembly or use to ensure proper setup and longevity of your product.

SETUP AND ASSEMBLY

The Tribesigns Computer Desk is designed for straightforward assembly. All necessary tools are included. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

1. Unboxing and Parts Identification

Carefully open the packaging and remove all components. Verify that all parts listed in the instruction manual are present and undamaged. The desk is well-protected with foam and cardboard corner protectors during shipping.

Video: A short video demonstrating the unboxing process and how the desk components are securely packaged.

2. Attaching the Legs

Attach the four metal legs to the desktop using the provided bolts and Allen wrench. Ensure the holes on the legs are facing each other to allow for the leg bars to be installed later. Do not overtighten the bolts to avoid damaging the hollow legs.

Video: A step-by-step guide on attaching the desk legs and securing them with bolts.

3. Installing Leg Bars and Adjustable Pads

Install the two leg bars between the attached legs. Then, insert the adjustable foot pads into the bottom of each leg. These pads help stabilize the desk on uneven floors.

Reason to Choose Tribesigns Furniture

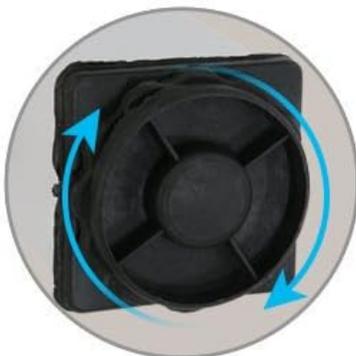

Modern simple sturdy computer desk with lots of leg room
Frame and legs made from heavy square tube steel

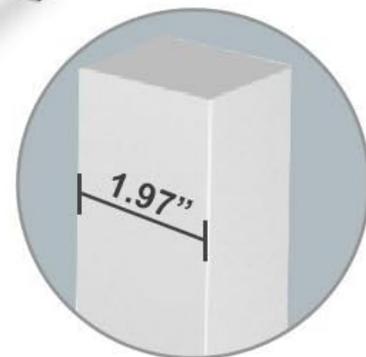

Triangular Junction Design
ensure the stable of desk

Extra Steel Support Bar
enhance the load bearing

Superior Adjustable Leg Pads
keep desk stable even on uneven floor

1.97" thicker steel leg
more solid and sturdy

OPERATING INSTRUCTIONS

Your Tribesigns Computer Desk is designed for versatile use in various settings, including home offices, study rooms, and dorms. Its robust construction ensures stability for your equipment.

Desktop Usage

The 55-inch wide desktop provides ample space for multiple monitors, a keyboard, mouse, and other office essentials. The desk has a maximum weight recommendation of 900 pounds, ensuring it can support heavy equipment securely.

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Computer Desk, follow these simple maintenance guidelines:

- **Cleaning:** The desktop is made of laminated MDF, which is waterproof and anti-scratch, making it very easy to clean. Use a soft, damp cloth with mild soap and water to wipe down the surface. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** While the surface is anti-scratch, using coasters for drinks and mouse pads for computer peripherals can further protect the desktop from wear and tear.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary, but avoid

overtightening.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Computer Desk, refer to the following common solutions:

• **Desk Wobbles:**

- Ensure all assembly bolts are securely tightened.
- Adjust the foot pads at the bottom of each leg to compensate for uneven flooring.

• **Difficulty with Monitor Clamps:**

- Some monitor stands requiring clamping may have issues due to the support bracing on the underside of the tabletop. Verify compatibility before attempting to attach.

• **Damaged Legs from Overtightening:**

- The legs are hollow. Avoid overtightening bolts during assembly to prevent crimping or denting the legs. Tighten until snug, not excessively.

SPECIFICATIONS

Brand	Tribesigns
Model Number	H0965
Product Dimensions	55"W x 23.6"D x 29.13"H
Color	White
Style	Modern
Top Material Type	Engineered Wood (Laminated MDF)
Base Material	Metal (Powder Coated Steel)
Special Feature	Adjustable (Leg Pads)
Item Weight	23 Kilograms (approx. 50.7 lbs)
Maximum Weight Recommendation	900 Pounds
Required Assembly	Yes
Tools Recommended For Assembly	Hammer, Screw Driver (All assembly tools included)

WARRANTY AND SUPPORT
