SETUP INSTRUCTIONS

1. **Unboxing:** Carefully remove the mattress topper from its packaging. The topper is efficiently compressed and rolled into one box for shipping.
2. **Unroll and Position:** Unroll the topper onto your mattress. Ensure it is centered and aligned with the mattress edges.
3. **Expansion:** Allow the topper to fully expand to its original shape. This process typically takes up to 72 hours. During this time, a new foam scent is normal and should dissipate.
