# JVC Gumy HAFX7B In-Ear Earbud Headphones User Manual

Model: HAFX7B

## 1. INTRODUCTION

Thank you for choosing JVC Gumy HAFX7B In-Ear Earbud Headphones. These headphones are designed to provide a comfortable listening experience with clear audio. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Image 1.1: JVC Gummy HAFX7B In-Ear Earbud Headphones (Black)

The JVC Gummy HAFX7B features soft elastomer ear tips for a secure and comfortable fit, along with neodymium drivers for powerful sound. They are equipped with a 3.3-foot cord and a gold-plated 3.5mm headphone plug, compatible with most audio devices including smartphones and tablets.

## 2. PACKAGE CONTENTS

---

Please check that all items are present in your package:

- JVC Gummy HAFX7B In-Ear Earbud Headphones
- Silicone Eartips (Small, Medium, Large)

S / M / L  
Silicone Earpieces Included

**JVC**

### 3. SETUP

### 3.1 Selecting the Correct Eartips

For optimal sound quality and comfort, it is crucial to select the correct size of silicone eartips. The package includes small, medium, and large sizes. Experiment with each size to find the one that creates a snug seal in your ear canal.

- A proper fit ensures superior sound isolation and enhanced bass response.
- If the eartips are too small, sound quality may be poor and external noise will not be adequately blocked.
- If the eartips are too large, they may cause discomfort.

Image 3.1: Soft Gummy eartips for comfortable fit.

### 3.2 Connecting to Your Device

The JVC Gummy HAFX7B headphones connect to your audio device via a standard 3.5mm audio jack.

1. Locate the 3.5mm audio port on your smartphone, tablet, MP3 player, or other compatible device.
2. Insert the 3.5mm plug of the headphones firmly into the audio port.

Image 3.2: The 3.5mm audio plug for wide compatibility.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Wearing the Earbuds

Gently insert the earbuds into your ear canals. Ensure the left earbud (marked 'L') is in your left ear and the right earbud (marked 'R') is in your right ear. Adjust them until they feel comfortable and secure, forming a good seal.

### 4.2 Audio Playback

Once connected, you can control audio playback (play, pause, skip tracks, volume) directly from your connected device. The JVC Gummy HAFX7B earbuds do not feature inline controls for volume or track management.

## 5. MAINTENANCE AND CARE

---

Proper care will extend the lifespan of your headphones.

- **Cleaning Eartips:** Remove the silicone eartips from the earbuds. Wash them with mild soap and water, rinse thoroughly, and allow them to air dry completely before reattaching.
- **Cleaning Earbuds:** Use a soft, dry cloth to wipe the earbud bodies. Do not use harsh chemicals or abrasive materials. Avoid getting moisture into the speaker openings.
- **Cable Care:** Avoid sharply bending, twisting, or pulling the cable. Store the headphones neatly to prevent tangling and damage to the wire.
- **Storage:** When not in use, store your headphones in a clean, dry place away from extreme temperatures.

## 6. TROUBLESHOOTING

---

If you encounter issues with your JVC Gummy HAFX7B headphones, please refer to the following common solutions:

Problem	Possible Cause	Solution
No sound or low volume	<ul style="list-style-type: none"> <li>Headphones not fully plugged in.</li> <li>Device volume too low or muted.</li> <li>Incorrect eartip size.</li> <li>Damaged cable/plug.</li> </ul>	<ul style="list-style-type: none"> <li>Ensure the 3.5mm plug is fully inserted into the device's audio jack.</li> <li>Increase the volume on your audio device.</li> <li>Try different eartip sizes to achieve a proper seal.</li> <li>Test with another audio device to rule out a device issue. If still no sound, the headphones may be damaged.</li> </ul>
Poor sound quality (e.g., tinny sound, lack of bass)	<ul style="list-style-type: none"> <li>Improper eartip fit.</li> <li>Dirty eartips or earbud openings.</li> <li>Low-quality audio source.</li> </ul>	<ul style="list-style-type: none"> <li>Adjust eartips for a snug fit in your ear canal. Try different sizes.</li> <li>Clean the eartips and earbud openings as described in Section 5.</li> <li>Try playing audio from a different source or a higher quality file.</li> </ul>
Earbuds fall out easily	<ul style="list-style-type: none"> <li>Incorrect eartip size.</li> <li>Improper insertion.</li> </ul>	<ul style="list-style-type: none"> <li>Try a larger size of eartips to ensure a more secure fit.</li> <li>Ensure earbuds are inserted correctly and comfortably into the ear canal.</li> </ul>
